No Cost Filing Options

IRS e-file

Here are some tax preparation options for filing your federal tax return at no cost:

- **Need help to prepare your return?**
  - Visit a volunteer tax return preparation site.
  - Ask a site volunteer for the best time to come.
  - Ask the site volunteer if an appointment can be made.
- **Have Internet Access?**
  - Try Free File on IRS.gov. There are now two ways to prepare and e-file your federal income tax return for free:
    - Free File Tax Software – Choose from many tax software options – Free for taxpayers with an adjusted gross income of $57,000 or less.
    - Free File Fillable Forms – Fill in the tax forms and file them online without tax software – Free online tool with no income limitations.
  - For more information on Free File, go to the Free File Website at IRS.gov.
