EXHIBIT A: IRS NEW MEDIA

IRS New Media

Connect with the IRS

The IRS uses social media tools to share the latest information on tax changes, initiatives, products and services. Connect with the IRS through the following social media tools.

IRS2Go
If you have an Apple iPhone or iTouch, you can download the free IRS2Go app by visiting the iTunes app store. If you have an Android device, you can visit the Google Play Store to download the free IRS2Go app.

YouTube
Tune in to the IRS YouTube channels. You can watch short, informative videos in English, American Sign Language and other languages.

Twitter
IRS tweets include various tax-related announcements, news for tax professionals and hiring initiatives.

Tumblr
The IRS Tumblr blog provides current tax information.

Facebook
The IRS Return Preparer Facebook page posts useful information for tax professionals.

Audio files for Podcasts
Subscribe to IRS Podcasts on iTunes or download them from the Multimedia Center.

Widgets
Post IRS widgets on your website or social media networks to help direct others to IRS.gov for complete details on a variety of topics. Get them and other tax products at IRS Marketing Express.

Subscriptions
Sign up for free e-News subscriptions on many topics. This news is delivered straight to your inbox. See which ones you want to join.

Protect Your Identity

At the IRS, privacy and security are paramount. We are using these tools to share information with you. Do not post any confidential information on new or social media sites, especially your social security number or confidential information. Always protect your identity when using any social networking site.

We will not be able to answer personal tax or account questions on any of these sites.
