ADMINISTRATIVE, INCOME TAX

Rev. Proc. 2024-8, page 479.

This revenue procedure provides issuers of qualified mortgage bonds under § 143(a) of the Internal Revenue Code, and issuers of mortgage credit certificates under § 25(c), with a list of qualified census tracts for determining income limits for targeted area residences. This revenue procedure modifies and supersedes Rev. Proc. 2014-14, 2014-2 I.R.B. 295.

The IRS Mission

Provide America's taxpayers top-quality service by helping them understand and meet their tax responsibilities and enforce the law with integrity and fairness to all.

Introduction

The Internal Revenue Bulletin is the authoritative instrument of the Commissioner of Internal Revenue for announcing official rulings and procedures of the Internal Revenue Service and for publishing Treasury Decisions, Executive Orders, Tax Conventions, legislation, court decisions, and other items of general interest. It is published weekly.

It is the policy of the Service to publish in the Bulletin all substantive rulings necessary to promote a uniform application of the tax laws, including all rulings that supersede, revoke, modify, or amend any of those previously published in the Bulletin. All published rulings apply retroactively unless otherwise indicated. Procedures relating solely to matters of internal management are not published; however, statements of internal practices and procedures that affect the rights and duties of taxpayers are published.

Revenue rulings represent the conclusions of the Service on the application of the law to the pivotal facts stated in the revenue ruling. In those based on positions taken in rulings to taxpayers or technical advice to Service field offices, identifying details and information of a confidential nature are deleted to prevent unwarranted invasions of privacy and to comply with statutory requirements.

Rulings and procedures reported in the Bulletin do not have the force and effect of Treasury Department Regulations, but they may be used as precedents. Unpublished rulings will not be relied on, used, or cited as precedents by Service personnel in the disposition of other cases. In applying published rulings and procedures, the effect of subsequent legislation, regulations, court decisions, rulings, and procedures must be considered, and Service personnel and others concerned are cautioned

against reaching the same conclusions in other cases unless the facts and circumstances are substantially the same.

The Bulletin is divided into four parts as follows:

Part I.—1986 Code.

This part includes rulings and decisions based on provisions of the Internal Revenue Code of 1986.

Part II.—Treaties and Tax Legislation.

This part is divided into two subparts as follows: Subpart A, Tax Conventions and Other Related Items, and Subpart B, Legislation and Related Committee Reports.

Part III.—Administrative, Procedural, and Miscellaneous.

To the extent practicable, pertinent cross references to these subjects are contained in the other Parts and Subparts. Also included in this part are Bank Secrecy Act Administrative Rulings. Bank Secrecy Act Administrative Rulings are issued by the Department of the Treasury's Office of the Assistant Secretary (Enforcement).

Part IV.—Items of General Interest.

This part includes notices of proposed rulemakings, disbarment and suspension lists, and announcements.

The last Bulletin for each month includes a cumulative index for the matters published during the preceding months. These monthly indexes are cumulated on a semiannual basis, and are published in the last Bulletin of each semiannual period.

Part III

Qualified Mortgage Bonds – Qualified Census Tracts.

Revenue Procedure 2024-8

SECTION 1. PURPOSE

This revenue procedure provides issuers of qualified mortgage bonds, as defined in § 143(a) of the Internal Revenue Code (the Code), and issuers of mortgage credit certificates, as defined in § 25(c), with a list of qualified census tracts for each state, the District of Columbia, and Puerto Rico. It modifies and supersedes Rev. Proc. 2014-14, 2014-2 I.R.B. 295.

SECTION 2. BACKGROUND

.01. Section 103(a) of the Code provides that, except as provided in § 103(b), gross income does not include interest on any state or local bond. Section 103(b) (1) provides that § 103(a) shall not apply to any private activity bond that is not a “qualified bond” within the meaning of § 141. Section 141(e) provides that the term “qualified bond” includes any private activity bond if that bond: (1) is a qualified mortgage bond; (2) meets the volume cap requirements under § 146; and (3) meets the applicable requirements under § 147.

.02. Section 143(a)(1) of the Code provides that the term “qualified mortgage bond” means a bond which is issued as part of a “qualified mortgage issue”. Section 143(a)(2)(A) provides that the term “qualified mortgage issue” means an issue by a state or political subdivision thereof of one or more bonds but only if: (i) all proceeds of the issue (exclusive of issuance costs and a reasonably required reserve) are to be used to finance owner occupied residences; (ii) the issue meets the requirements of § 143(c), (d), (e), (f), (g), (h), (i), and (m)(7); (iii) the issue does not meet the private business tests of § 141(b)(1) and (2); and (iv) with respect to amounts received more than 10 years after the date of issuance, repayments of \$250,000 or more of principal on financing provided by the issue are used not later than the close of the first semi-annual

period beginning after the date the prepayment (or complete repayment) is received to redeem bonds that are part of the issue.

.03. An issue of bonds meets the requirements of § 143(h) of the Code only if at least 20 percent of the proceeds of the issue is made available for owner financing of “targeted area residences” for at least 1 year after the date on which owner financing is first made available with respect to targeted area residences. Section 143(h)(2) provides, however, that the amount available need not exceed 40 percent of the average annual aggregate principal amount of mortgages executed during the immediately preceding 3 calendar years for single-family, owner-occupied residences located in targeted areas within the jurisdiction of the issuing authority.

.04. “Targeted area residences” are defined in § 143(j)(1)(A) to include residences in a “qualified census tract.” A “qualified census tract”, according to § 143(j)(2)(A), is a census tract in which 70 percent or more of the families have income that is 80 percent or less of the statewide median family income. Section 143(j)(2)(B) of the Code provides that the determination that a census tract is a “qualified census tract” must be based on the most recent decennial census for which data are available.

.05. Section 6a.103A-2(b)(4)(ii) of the Temporary Income Tax Regulations provides that, with respect to any particular bond issue, the determination that a census tract is a “qualified census tract” may be based upon the decennial census data available 3 months prior to the date of issuance and shall not be affected by official changes to the data during or after that 3-month period.

.06. A state or local government may elect to exchange all or part of its qualified mortgage bond authority for authority to issue mortgage credit certificates. In general, the recipient of a mortgage credit certificate may claim a federal income tax credit equal to the product of the certificate credit rate and the interest paid or accrued during the tax year on the remaining principal of the certified indebtedness amount. Section 25(c)(2)(A)(iii)(V) of the

Code provides that the indebtedness certified by mortgage credit certificates must meet the requirements of § 143(h) concerning the portion of loans to be placed in targeted areas.

.07. The Department of Housing and Urban Development (HUD) develops the list of qualified census tracts for publication by the Service. HUD bases its determination upon data it receives from the Bureau of the Census. The last list of qualified census tracts was published in Rev. Proc. 2014-14, 2014-2 I.R.B. 295.

Definition of Terms

Revenue rulings and revenue procedures (hereinafter referred to as “rulings”) that have an effect on previous rulings use the following defined terms to describe the effect:

Amplified describes a situation where no change is being made in a prior published position, but the prior position is being extended to apply to a variation of the fact situation set forth therein. Thus, if an earlier ruling held that a principle applied to A, and the new ruling holds that the same principle also applies to B, the earlier ruling is amplified. (Compare with *modified*, below).

Clarified is used in those instances where the language in a prior ruling is being made clear because the language has caused, or may cause, some confusion. It is not used where a position in a prior ruling is being changed.

Distinguished describes a situation where a ruling mentions a previously published ruling and points out an essential difference between them.

Modified is used where the substance of a previously published position is being changed. Thus, if a prior ruling held that a principle applied to A but not to B, and the

new ruling holds that it applies to both A and B, the prior ruling is modified because it corrects a published position. (Compare with *amplified* and *clarified*, above).

Obsoleted describes a previously published ruling that is not considered determinative with respect to future transactions. This term is most commonly used in a ruling that lists previously published rulings that are obsoleted because of changes in laws or regulations. A ruling may also be obsoleted because the substance has been included in regulations subsequently adopted.

Revoked describes situations where the position in the previously published ruling is not correct and the correct position is being stated in a new ruling.

Superseded describes a situation where the new ruling does nothing more than restate the substance and situation of a previously published ruling (or rulings). Thus, the term is used to republish under the 1986 Code and regulations the same position published under the 1939 Code and regulations. The term is also used when it is desired to republish in a single ruling a series of situations, names, etc., that were previously published over a period of time in separate rulings. If the

new ruling does more than restate the substance of a prior ruling, a combination of terms is used. For example, *modified* and *superseded* describes a situation where the substance of a previously published ruling is being changed in part and is continued without change in part and it is desired to restate the valid portion of the previously published ruling in a new ruling that is self contained. In this case, the previously published ruling is first modified and then, as modified, is superseded.

Supplemented is used in situations in which a list, such as a list of the names of countries, is published in a ruling and that list is expanded by adding further names in subsequent rulings. After the original ruling has been supplemented several times, a new ruling may be published that includes the list in the original ruling and the additions, and supersedes all prior rulings in the series.

Suspended is used in rare situations to show that the previous published rulings will not be applied pending some future action such as the issuance of new or amended regulations, the outcome of cases in litigation, or the outcome of a Service study.
