Return You're Correcting ...

(YYYY)

(MM / DD / YYYY)

Read the separate instructions before completing this form. Use this form to correct errors you made on Form 944, Employer's ANNUAL Federal Tax Return. Use a separate Form 944-X for each year that needs correction. Type or print within the boxes. You MUST complete all five pages. Don't attach this form to Form 944 unless you're reclassifying workers; see the instructions for line 42.

Part 1: Select ONLY one process. See page 6 for additional guidance, including information on how to treat employment tax credits and social security tax deferrals.

- ☐ **1. Adjusted employment tax return.** Check this box if you underreported tax amounts. Also check this box if you overreported tax amounts and you would like to use the adjustment process to correct the errors. You must check this box if you're correcting both underreported and overreported tax amounts on this form. The amount shown on line 27, if less than zero, may only be applied as a credit to your Form 944 or Form 941 for the tax period in which you're filing this form.
- ☐ **2. Claim.** Check this box if you overreported tax amounts only and you would like to use the claim process to ask for a refund or abatement of the amount shown on line 27. Don't check this box if you're correcting ANY underreported tax amounts on this form.

Part 2: Complete the certifications.

- ☐ 3. I certify that I've filed or will file Forms W-2, Wage and Tax Statement, or Forms W-2c, Corrected Wage and Tax Statement, as required.

Note: If you're correcting underreported tax amounts only, go to Part 3 on page 2 and skip lines 4 and 5. If you're correcting overreported tax amounts, for purposes of the certifications on lines 4 and 5, Medicare tax doesn't include Additional Medicare Tax. Form 944-X can't be used to correct overreported amounts of Additional Medicare Tax unless the amounts weren't withheld from employee wages.

- 4. If you checked line 1 because you're adjusting overreported federal income tax, social security tax, Medicare tax, or Additional Medicare Tax, check all that apply.** You must check at least one box.

I certify that:

- ☐ a. I repaid or reimbursed each affected employee for the overcollected social security tax and Medicare tax for prior years. I have a written statement from each affected employee stating that they haven't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- ☐ b. The adjustments of social security tax and Medicare tax are for the employer's share only. I couldn't find the affected employees or each affected employee didn't give me a written statement that they haven't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- ☐ c. The adjustment is for federal income tax, social security tax, Medicare tax, or Additional Medicare Tax that I didn't withhold from employee wages.

- 5. If you checked line 2 because you're claiming a refund or abatement of overreported federal income tax, social security tax, Medicare tax, or Additional Medicare Tax, check all that apply.** You must check at least one box.

I certify that:

- ☐ a. I repaid or reimbursed each affected employee for the overcollected social security tax and Medicare tax for prior years. I have a written statement from each affected employee stating that they haven't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- ☐ b. I have a written consent from each affected employee stating that I may file this claim for the employee's share of social security tax and Medicare tax overcollected in prior years. I also have a written statement from each affected employee stating that they haven't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- ☐ c. The claim for social security tax and Medicare tax is for the employer's share only. I couldn't find the affected employees; or each affected employee didn't give me a written consent to file a claim for the employee's share of social security tax and Medicare tax; or each affected employee didn't give me a written statement that they haven't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- ☐ d. The claim is for federal income tax, social security tax, Medicare tax, or Additional Medicare Tax that I didn't withhold from employee wages.

Form 944-X: Which process should you use?

Type of errors
you’re correcting

Unless otherwise specified in the separate instructions, an underreported employment tax credit or social security tax deferral should be treated like an overreported tax amount. An overreported employment tax credit or social security tax deferral should be treated like an underreported tax amount. For more information, including which process to select on lines 1 and 2, see *Correcting an employment tax credit or social security tax deferral* in the separate instructions.

Underreported
tax amounts
ONLY

- Use the **adjustment process** to correct underreported tax amounts.
- Check the box on line 1.
 - Pay the amount you owe from line 27 by the time you file Form 944-X.

Overreported

ONLY

The process you use depends on **when** you file Form 944-X.

If you’re filing Form 944-X **MORE THAN 90 days before the period of limitations on credit or refund for Form 944 expires...**

Choose either the adjustment process or the claim process to correct the overreported tax amounts.

Choose the adjustment process if you want the amount shown on line 27 credited to your Form 944 or Form 941 for the period in which you file Form 944-X. Check the box on line 1.

OR

Choose the claim process if you want the amount shown on line 27 refunded to you or abated. Check the box on line 2.

If you’re filing Form 944-X **WITHIN 90 days of the expiration of the period of limitations on credit or refund for Form 944...**

You must use the **claim process** to correct the overreported tax amounts. Check the box on line 2.

**BOTH
underreported
and overreported
tax amounts**

The process you
use depends on
when you file
Form 944-X.

**If you're filing Form 944-X
MORE THAN 90 days before the
period of limitations on credit or
refund for Form 944 expires...**

Choose either the adjustment process or both the
adjustment process and the claim process when you
correct both underreported and overreported tax
amounts.

Choose the adjustment process if combining your
underreported tax amounts and overreported tax
amounts results in a balance due or creates a credit that
