This publication includes the requirements for paper submission of Reporting Agent's List, file specifications, electronic record sequence order, processing criteria, record layouts, and exhibits. This publication should be used in conjunction with Revenue Procedure (Rev. Proc.) 2012-32, 2012-34 I.R.B. 267 (previously Rev. Proc. 2007-38, 2007-25 I.R.B. 1442). For more information on reporting agents, search IRS.gov for "reporting agent technical fact sheet."

Changes

Form 8655 was revised in January 2024. See Exhibit 1. Forms 940-PR, 941-PR, 941-SS and 943-PR were removed from line 15. Taxpayer Record (Exhibit 4) has been updated to reflect these changes.

Corrected employment tax returns Form 941-X, 943-X and Form 945-X can be electronically filed.

Removed references to Secure Data Transfer (SDT) as a file transfer method. Secure Large File Transfer Business 2 Business (SLFT B2B) is the only approved method for electronic submission of Reporting Agent's Lists.

Editorial changes have been made throughout this publication.

Effective Date

This publication is effective on the revision date printed on the cover leaf. All previous revisions are obsolete.

Section 01. Submission Of Reporting Agent Authorizations (RAAs)

Section 01.01

Reporting Agents must submit Reporting Agent's Lists and accompanying Forms 8655 according to the specifications provided in this publication. Taxpayers use Form 8655 to give the required Authorization for Reporting Agents to file/sign client/ taxpayer employment tax returns and pay client/taxpayer tax according to the guidelines set forth in 2012-32, 2012-34 I.R.B. 267. Reporting Agents must comply with requirements to file/sign certain client/taxpayer employment tax returns and/or pay certain client/taxpayer tax electronically. For related information regarding IRS's e-file Program, refer to Publication 3112, IRS e-file Application and Participation, and Rev. Proc. 2007-40, 2007-26 I.R.B. 1488. For related information regarding the Electronic Federal Tax Payment System (EFTPS), refer to Publication 4169, Tax Professional Guide to Electronic Federal Tax Payment System, Rev. Proc. 2012-33, 2012-34 I.R.B. 272, and Rev. Proc. 97-33, 1997-2 C.B. 371. Copies of these publications and revenue procedures are available on the Internet at www.irs.gov or by calling (800) TAX-FORM ((800) 829-3676).

A new Authorization must be submitted to the Service for any increase or decrease in the scope of the authority of a Reporting Agent to act on behalf of the taxpayer, but the preceding Authorization regarding the taxpayer and the Reporting Agent shall remain in effect except as modified by the new Authorization. A new Authorization must also be submitted to the Service if a taxpayer appoints a new Reporting Agent. Receipt by the Service of an Authorization designating a new Reporting Agent terminates the authority of the prior Reporting Agent for all purposes for tax periods beginning on or after the effective date of the new Authorization. An Authorization designating a new Reporting Agent also terminates the authority of the prior Reporting Agent to receive duplicate copies of notices. For the tax periods beginning before the effective date of the new Authorization, the prior Reporting Agent retains the authority specified in the prior Authorization unless the taxpayer explicitly revokes the prior Authorization.

An Authorization does not relieve the taxpayer of the responsibility (or from liability for failing) to ensure that all tax returns are filed timely and that all FTDs and FTPs are made timely. RA's are required to provide a written statement in this regard to each taxpayer when it enters into a contract for services with the taxpayer and on at least a quarterly basis for as long as the RA provides services to the taxpayer. See Section 5.05 of Rev. Proc. 2012-32, 2012-34 I.R.B. 267 for more information.

Section 01.02

The initial Reporting Agent's List and accompanying Forms 8655 must be submitted prior to or at the same time as the Application to Participate in IRS e-file Program is submitted.

Section 01.03

The Reporting Agent's List must be accompanied by the Forms 8655 signed by the taxpayer or authorized representative (See Rev. Proc. 2012-32, 2012-34 I.R.B. 267). An image on compact disc (CD), photocopy, or fax of the Forms 8655 is acceptable. Images provided on CD must be in Tagged Image File format (.tif).

New RAAs must be submitted on Form 8655 with a revision date of May 2005 or later, or on an approved substitute form as described in Publication 1167, General Rules and Specifications for Substitute Forms and Schedules.

An Authorization on the latest revision of Form 8655 is not required to replace an Authorization made on a prior revision, provided that:

- 1) The Authorization places no restriction on the medium for filing Forms 940, Employer's Annual Federal Unemployment (FUTA) Tax Return, or Forms 941, Employer's Quarterly Federal Tax Return, and
- 2) The RA advises its client that Forms 940/941 may be filed electronically, and provides the client with the option of rejecting electronic filing as the medium for filing these forms. The RA may use the most efficient and timely method of clearly providing this notification to a client. A client's rejection of electronic filing for Forms 940/941 must be submitted in writing to the RA; and
- 3) The RA immediately removes any client from its electronic filing client base when the client rejects having Forms 940/941 filed electronically.

Section 01.04

Reporting agents may secure electronic signatures on Form 8655 using the following guidance. This is the currently the only guidance for electronic signatures on this form, and guidance for electronic signatures for other forms may not be applied to Form 8655.

Generally, a Reporting Agent securing an e-Signature for Form 8655 must exercise due diligence to ensure the taxpayer or their authorized representative is authorized to sign Form 8655 (as specified in Section 6.02 of Rev. Rev. Proc. 2012-32, 2012- 34 I.R.B. 267 and in the General Instructions for Form 8655) by authenticating the signor's identity via one of the two approved methods specified in 1) below. The Reporting Agent must also capture and record an electronic signature of the taxpayer or their authorized representative using one of the two approved methods for electronically signed Forms 8655 specified in 2) below. The saved version of the e-signed Form 8655 must display evidence of the e-signature, as noted below.

- 1) There are currently two approved methods for Reporting Agents to authenticate the identity of the person signing Form 8655:
 - a. An authorized representative of the Reporting Agent must visually inspect an official state or federal government-issued photo identification document to authenticate the identity of the taxpayer or authorized representative prior to their electronic signing of the Authorization. This visual inspection of official state or federal government-issued photo identification must occur in the physical presence of the taxpayer or authorized representative in a Point of Sale (POS) environment. The Reporting Agent must document and retain a record that this visual inspection of official state or federal government- issued photo identification was completed at the time an e-Signature was secured for Form 8655. Reporting Agents are not permitted to secure an electronic signature for Form 8655 from the taxpayer or their authorized representatives in the event that their identity cannot be verified via inspection of official state or federal government-issued photo identification.
 - b. Alternately, for purposes of electronically signing Form 8655, the Reporting Agent may contract with a third party provider offering commercial electronic signature authentication services to verify the identity of the taxpayer or their authorized

representative. Such services must include a feature wherein some information known only to the taxpayer or their authorized representative (e.g. name, address, and truncated SSN of the taxpayer or their authorized representative) is obtained from the taxpayer or their authorized representative in a secure environment and passed to the third party provider for a return of a pass/fail identity authentication result to the Reporting Agent. This third party authentication method may be utilized in either remote or Point of Sale (POS) environments. The Reporting Agent must document and retain a record that the third party authentication process yielded a “pass” result at the time an e-Signature was secured for Form 8655. Optionally, Reporting Agents may adopt more rigorous third party authentication protocols such as utilizing commercial authentication services posing multiple Knowledge Based Authentication (KBA) questions for response by the taxpayer or their authorized representative in a real time environment. A Reporting Agent adopting a more rigorous third party authentication protocol must document and retain a record that the third party authentication process yielded a “pass” result at the time an e-Signature was secured for Form 8655. Reporting Agents are not permitted to secure an electronic signature for Form 8655 from the taxpayer or their authorized representatives in the event that the third party provider returns a “fail” result to the Reporting Agent.

- 2) After verifying the identity of the taxpayer or their authorized representative as specified above, a Reporting Agent may secure an electronic signature by means (only) of one of the following two approved methods for e-Signatures on Form 8655:
 - a. The Reporting Agent may secure and record an electronic signature by capturing the signature of a taxpayer or authorized representative for the purpose of signing Form 8655 on an electronic stylus device in a Point of Sale (POS) environment (only). The taxpayer or authorized representative must be informed that they are electronically signing the Authorization. The saved version of the e-signed Form 8655 must display an image of the captured e-signature.
 - b. The Reporting Agent may secure an electronic signature for the purpose of signing Form 8655 by presenting the taxpayer or authorized representative the option on an electronic device (computer, tablet, etc.) to select a checkbox agreeing that by doing so they are electronically signing Form 8655. This checkbox must be selectable by the taxpayer or their authorized representative; it cannot be pre-populated on the electronic device being utilized to secure the electronic signature of the taxpayer or their authorized representative. The taxpayer or authorized representative must be informed via language incorporated within the checkbox option itself or in close proximity (immediately preceding, directly next to, or immediately succeeding) to the check box item that by selecting the checkbox they are electronically signing the Authorization. In addition to recording the selection of the checkbox, the Reporting Agent must capture and record the date and time of the signature event and the IP address of the electronic device on which the electronic signature was captured. This electronic signature method for Form 8655 may be utilized in either a remote environment through a secure portal or in a Point of Sale (POS) environment. The saved version of the e-signed Form 8655 must display the date and time of the signature event and the IP address of the electronic device on which the electronic signature was captured.

Optionally, in addition to capturing the electronic signature event data described above, the Reporting Agent may choose to capture and record additional electronic data elements such as a signature facsimile created by a mouse device, a signature facsimile created by means of a generated font, a voice recording, etc. However, it is not permissible to substitute any optionally captured additional data elements for one of the two approved identity authentication methods for electronically signed Forms 8655 described above or in lieu of obtaining the agreement of the taxpayer or their authorized representative to electronically sign Form 8655 via the checkbox methodology described here.

Reporting Agents that adopt e-Signature methodologies discussed above are required to follow all other requirements for Authorizations, including but not limited to submitting Forms 8655 to the Internal Revenue Service as discussed in Section 01.03 of this publication and retaining a copy or reproducible image of each Form 8655 as discussed in Section 03.01 of this publication. Each submitted and retained e-signed Form 8655 must display evidence, as described above, of the e-signature; failure to include this required information may result in rejection of Form 8655.

However, Reporting Agents that adopt e-Signature methodologies discussed above and who are required to file Reporting Agent's Lists electronically (exceeds the 100-per-week submission threshold described in Section 01.06 of this publication and in Rev. Proc. 2012-32, 2012-34 I.R.B. 267) will not be required to submit copies of such Authorizations when submitting the Reporting Agent's List.

Section 01.05

The IRS will accept and process to the Reporting Agents File (RAF) Authorizations for electronic signature/submission of Forms 940, 941, 943, 944, 945 and amended or successor forms including Form 941-X, Form 943-X and Form 945-X.

The IRS will also accept and process to the RAF Authorizations for signing and filing on paper Forma 940-PR, Planilla Para La Declaración Anual Del Patrono–La Contribución Federal Para El Desempleo (FUTA), Forma 941-PR, Planilla Para La Declaración Federal Trimestral Del Patrono–La Contribución Federal Al Seguro Social Y Al Seguro Medicare, Form 941-SS, Employer's Quarterly Federal TaxReturn, Form 943, Employer's Annual Federal Tax Return for Agricultural Employees, Forma 943-PR, Planilla Para La Declaración Anual De La Contribución Federal Del Patrono De Empleados Agricolas, Form 944, Forma 944(SP), Declaración Federal Anual de Impuestos del Patrono o Empleador, Form 945, Annual Return of Withheld Federal Income Tax, Form 1042, Annual Withholding Tax Return for U.S. Source Income of Federal Income Tax, Form CT-1, Employer's Annual Railroad Retirement Tax Return, and any amended or successor forms including Form 941-X, Adjusted Employer's ANNUAL Federal Tax Return or Claim for Refund, Form 943-X, Adjusted Employer's Annual Federal Tax Return for Agricultural Employees or Claim for Refund, Form 944-X, Adjusted Employer's QUARTERLY Federal Tax Return or Claim for Refund, Form 945-X, Adjusted Annual Return of Withheld Federal Income Tax or Claim for Refund, and Form CT-1 X, Adjusted Employer's Annual Railroad Retirement Tax Return or Claim for Refund.

The IRS will accept and process Authorizations for submissions of Federal Tax Deposits (FTDs) and Federal Tax Payments (FTPs) for Forms 940, 941, 940, 941, 943, 944, 945 and amended or successor forms including Form 941-X, Form 943-X and Form 945-X

The IRS will accept and process Authorizations for disclosure of confidential taxpayer

information corresponding to the forms authorized for signing, filing, and/or making payments. The IRS will also accept and process Authorizations for disclosure of confidential taxpayer information to assist in responding to certain IRS notices relating to the Form W-2 and/or Form 1099 series information returns, and/or the Form 3921 or Form 3922 information returns. The authority for the Form W-2 series is limited to years 2004 and subsequent. The authority for the Form 1099 series is limited to years 2006 and subsequent. The authority for the Form 3921 or Form 3922 information returns is limited to years 2010 and subsequent.

Section 01.06

There are two methods of submitting the Reporting Agent's List: electronically or on paper. If the number of client/taxpayer submissions exceeds 100 per week, the Reporting Agent's List is required to be filed electronically. Effective December 2025, the IRS finalized its transition from Secure Data Transfer (SDT) service used for file transfers with external trading partners (ETP) to the new service, Secure Large File Transfer Business 2 Business (SLFT B2B). SLFT B2B is the only approved method for electronic submission of Reporting Agent's Lists. Use of the SLFT B2B system requires the purchase of an electronic identity authentication certificate from a designated third party. At this time, the IRS is unable to support optional use of the SLFT B2B system for submission of Reporting Agent's Lists by Reporting Agents that are not otherwise required to file electronically (exceeds the 100 per week submission threshold described above and in Rev. Proc. 2012-32, 2012-34 I.R.B. 267). This is true even if a Reporting Agent is approved for use of SLFT B2B for submission of electronic files for other purposes. This publication will be updated if it is later determined that the IRS can support optional use of the SLFT B2B system for the purpose of submitting Reporting Agent's Lists.

Section 01.07

Reporting Agent's Lists submitted electronically must be submitted in accordance with the specifications in Sections 04 and 05 of this publication.

Section 01.08

Reporting Agent's Lists on paper must be submitted using the format indicated in Exhibit 2 of this publication or instructions in Rev. Proc. 2012-33 for Batch Filers and Bulk Filers. Reporting Agent's Lists and Forms 8655 must be submitted in ascending numerical order by Employer Identification Number (EIN).

Section 01.09

The IRS will validate the information on the Reporting Agent's List and the associated RAAs. If the Reporting Agent's List was submitted electronically, the IRS will return electronic add/error lists. If the Reporting Agent's List was submitted on paper, the IRS will return the paper listing reflecting add/error status. The validated Reporting Agent's List will include the Name Control for each employer.

Section 01.10

The following items must be included in the Reporting Agent's List. An example of the Reporting Agent's List is provided in Exhibit 2.

1. Name and Address of RA
2. RA's Employer Identification Number (EIN)
3. List Type - either Additions or Deletions. Separate lists must be prepared for additions and deletions.
4. Name of RA's Contact Person
5. Phone Number of RA's Contact Person
6. Client Account Number – this is an optional field for benefit of RAs.
7. Taxpayer's Employer Identification Number (EIN)
8. Name Control – leave blank. This will be entered by IRS during processing.
9. Name and Address of taxpayer - this should match the name on IRS records. For a sole proprietor, enter the owner's name.

Section 01.11

If the RA wishes to add or delete clients/taxpayers from its authorized list, the format for both the electronic file and the paper Reporting Agent's List is the same as for the initial listing submission, except the list or file type is designated as "delete."

Section 01.12

The RA should notify the IRS when the RA determines that it will no longer be filing tax returns or making FTD/FTP submissions for a taxpayer. This is accomplished by submitting a Reporting Agent's List, type "delete," either electronically or on paper.

Section 01.13

Paper Forms 8655 and Reporting Agent's Lists must be sent to the full address shown below to ensure proper delivery for submissions of RAAs:

Form 8655 and Paper Reporting Agent's Lists Delivery:

Internal Revenue Service
Accounts Management Service Center
MS 6748; RAF Team
1973 N. Rulon White Blvd. Ogden, UT 84404

Forms 8655 and paper Reporting Agent Lists may also be faxed to the RAF Team at 855-214-7523.

Section 02. Submission Of RAAs For Federal Tax Deposits (FTDs) And Federal Tax Payments (FTPs)

Section 02.01

The IRS will accept and process Authorizations for submissions of Federal Tax Deposits (FTDs) and Federal Tax Payments (FTPs) for Forms 940, 941, 943, 944, 945, 720, 1041, 1042, 1120, CT-1, 990-PF and 990-T. A Reporting Agent must make FTDs and submit FTD information via EFTPS or the Federal Tax Application (FTA).

Section 02.02

These Authorizations will be used to verify the authority given by the taxpayer to an RA to make FTDs/FTP's on the taxpayer's behalf.

Section 03. Additional Information

Section 03.01

RAs must keep a copy or reproducible image of each completed, original Form 8655, designating that Reporting Agent as an agent for a taxpayer, at the RA's principal place of business and make it available for examination by the IRS until the period of limitations for assessment of tax for the last return filed pursuant to the Authorization expires.

Questions regarding this publication should be addressed to the RAF Team at the address shown in Section 01.12 above. This publication may be downloaded or printed from the Internet at www.irs.gov.

Reporting Agent Record

Taxpayer Record(s) - one for each Authorization submitted

End of File Trailer Record

The electronic file records prescribed in the specifications must be blocked at one record per block (400 character positions).

Section 05.03 Data

Only character data may be used. Numeric fields must be right justified with remaining unused positions zero filled. The only special characters permitted in the name lines of the Reporting Agent "RA" Record and Taxpayer "TP" Record(s) are "-" and "&". Purpose of Form

Use Form 8655 to authorize a reporting agent to:

- Sign and file certain returns. Reporting agents must file returns electronically except as provided under Rev. Proc. 2012-32. You can find Rev. Proc. 2012-32 on page 267 of Internal Revenue Bulletin 2012-34 at www.irs.gov/2012rp32. See Pub. 3112, IRS e-file Application and Participation, for information about e-filing and getting the reporting agent PIN;
- Make deposits and payments for certain returns. Reporting agents must make deposits and payments electronically, generally through the Electronic Federal Tax Payment System (EFTPS) at EFTPS.gov. See Pub. 4169, Tax Professional Guide to the EFTPS, and Rev. Proc. 2012-33;
- Receive duplicate copies of tax information, notices, and other written and/or electronic communication regarding any authority granted; and
- Provide the IRS with information to aid in penalty relief determinations related to the authority granted on Form 8655.

Note: An authorization does not relieve the taxpayer of the responsibility (or from liability for failing) to ensure that all tax returns are filed timely and that all federal tax deposits (FTDs) and federal tax payments (FTPs) are made timely. A reporting agent must notify its client of that fact and must recommend that it enroll in EFTPS to view EFTPS deposits and payments made on the client's behalf. A reporting agent must provide this notification, in writing, upon entering into an agreement with the client and at least quarterly thereafter for as long as it provides services to that client. Sample language and other details may be found in Rev. Proc. 2012-32, Section 5.05.

Authority Granted

Once Form 8655 is signed, any authority granted is effective beginning with the period indicated on lines 15, 16, 18a, 18b, and/or 18c and continues indefinitely unless terminated or revoked by the taxpayer or reporting agent. No authorization or authority is granted for periods prior to the period(s) indicated on Form 8655.

Where authority is granted for any form, it is also effective for related forms such as the corresponding non-English language form, amended return (for example, Form 941 (sp), 941-X, or 941-X (sp)), or payment voucher. For example, Form 8655 can be used to provide authorization for 944 (sp) using the entry spaces for Form 944. The form also can be used to authorize a reporting agent to make deposits and payments for other returns in the Form 1120 series, such as Form 1120-C, using the entry space for Form 1120 on line 16.

Disclosure authority is effective upon signature of taxpayer and IRS receipt of Form 8655. Any authority granted on Form 8655 does not revoke and has no effect on any authority granted on Form 2848 or 8821, or any third-party designee checkbox authority.

To increase the authority granted to a reporting agent by a Form 8655 already in effect, submit another signed Form 8655, completing lines 1–14 and any line on which you want to add authority. To decrease the authority granted to a reporting agent by a Form 8655 already in effect, send a signed, written request to the address under *Where To File*. The preceding authorization remains in effect except as modified by the new one.

Substitute Form 8655

Terminating or Revoking an Authorization

If you have a valid Form 8655 on file with the IRS, the filing of a new Form 8655 indicating a new reporting agent terminates the authority of the prior reporting agent beginning with the period indicated on the new Form 8655. However, the prior reporting agent is still an authorized reporting agent and retains any previously granted disclosure authority for the periods prior to the beginning period of the new reporting agent's authorization unless specifically revoked.

If the taxpayer wants to revoke an existing authorization, such that the reporting agent would no longer be authorized to act or receive information for previously authorized tax periods, send a copy of the previously executed Form 8655 to the IRS at the address under *Where To File*, above. Re-sign the copy of the Form 8655 under the original signature. Write "REVOKE" across the top of the form. If you do not have a copy of the authorization you want to revoke, send a statement to the IRS. The statement of revocation must indicate that the authority of the reporting agent is revoked and must be signed by the taxpayer. Also, list the name and address of each reporting agent whose authority is revoked.

A reporting agent may terminate its authority by filing a statement with the IRS, either on paper or using a delete process. A reporting agent wanting to revoke its authority must submit the request in writing. The statement must be signed by the reporting agent (if filed on paper) and identify the name and address of the taxpayer and authorization(s) from which the reporting agent is withdrawing. For information on the delete process, see Pub. 1474.
