In 2024, the Low Income Taxpayer Clinic (LITC) Program provided matching grants of up to \$200,000* to qualifying organizations to operate a low-income taxpayer clinic. LITCs provide service to low-income and English as a second language (ESL) taxpayers. Services are provided for free or a nominal fee.

**For the past three grant years, Congress has authorized funding of up to \$200,000 per clinic.*

How do LITCs help low-income taxpayers?

Represent low-income individuals in disputes with the IRS and state tax agencies and help taxpayers:

- Achieve better outcomes in cases
- Access benefits administered through the tax code
- Resolve tax debts, levies, and liens
- Litigate cases in U.S. Tax Court and other federal courts.

Educate ESL and low-income taxpayers about their rights and responsibilities and help them:

- Understand the U.S. tax system
- Exercise their rights as taxpayers
- Comply with their responsibilities as taxpayers

Advocate for low-income and ESL taxpayers about relevant issues that impact them and help the IRS:

- Identify and fix problems with the tax system
- Ensure the fairness and integrity of the tax system for all taxpayers
