

TY 2013 Legacy to MeF Schema Element Name Mapping

Form 944

Legacy and MeF Differences

1. MeF didn't develop some Legacy dependencies based on Publication 15 and form instruction guidance and did develop others Legacy didn't.
2. MeF developed groupings in the schema to enforce some of Legacy's Business Rules.
3. The first version of the Form 944 schema is based off the TY 2013 form requirements.
