IRS electronic payment options are the best way to pay your taxes

IRS electronic payment options are the best way for you to pay federal taxes. Paying electronically is the most convenient and secure way to make tax payments. You can make electronic payments online, by phone or from a mobile device. Paying electronically is safe and secure. The IRS uses the latest encryption technology and does not store your banking information. When you use any of the IRS ePay options, it puts you in control of paying your tax bill and gives you peace of mind. You determine the payment date, and you will receive an immediate confirmation from the IRS. It's quick, easy and secure, and much quicker than mailing in a check or money order. Electronic payment options are available on the IRS.gov Payments page. www.irs.gov/payments.
