

Sample article for organizations to use to reach customers (110 word count)

Customize and post the following article on your websites and/or use in other communication vehicles to alert your readers about a helpful online tool – Where's My Amended return?

Where's My Amended Return? Find out on IRS.gov

You can easily find out the status of your [Form 1040X, Amended U.S. Individual Income Tax Return](#), using the [Where's My Amended Return?](#) tool on IRS.gov or through the toll-free telephone line at 866-464-2050. It is available in English and Spanish and tracks the status of your amended return for the current year and up to three prior years.

Once authenticated, you can view the status of your amended return across three processing stages--Received, Adjusted or Completed--and the status of other amended returns you may have pending in one online session.

The web version includes a graphic that visually communicates the current processing stage of your amended return.

Where's My Amended Return > [tax year]

Your amended return was received on {Date} and it is being processed. Please allow 8-12 weeks for processing. You may continue to check here for more information.

Amended returns take up to 12 weeks to process and up to three weeks to show up in the [Where's My Amended Return?](#) tool. You do not need to call the IRS about your amended return unless the tool directs you to do so.
