Provide America's taxpayers top-quality service by helping them understand and meet their tax responsibilities and enforce the law with integrity and fairness to all.

Introduction

The Internal Revenue Bulletin is the authoritative instrument of the Commissioner of Internal Revenue for announcing official rulings and procedures of the Internal Revenue Service and for publishing Treasury Decisions, Executive Orders, Tax Conventions, legislation, court decisions, and other items of general interest. It is published weekly.

It is the policy of the Service to publish in the Bulletin all substantive rulings necessary to promote a uniform application of the tax laws, including all rulings that supersede, revoke, modify, or amend any of those previously published in the Bulletin. All published rulings apply retroactively unless otherwise indicated. Procedures relating solely to matters of internal management are not published; however, statements of internal practices and procedures that affect the rights and duties of taxpayers are published.

Revenue rulings represent the conclusions of the Service on the application of the law to the pivotal facts stated in the revenue ruling. In those based on positions taken in rulings to taxpayers or technical advice to Service field offices, identifying details and information of a confidential nature are deleted to prevent unwarranted invasions of privacy and to comply with statutory requirements.

Rulings and procedures reported in the Bulletin do not have the force and effect of Treasury Department Regulations, but they may be used as precedents. Unpublished rulings will not be relied on, used, or cited as precedents by Service personnel in the disposition of other cases. In applying published rulings and procedures, the effect of subsequent legislation, regulations, court decisions, rulings, and procedures must be considered, and Service personnel and others concerned are cautioned

against reaching the same conclusions in other cases unless the facts and circumstances are substantially the same.

The Bulletin is divided into four parts as follows:

Part I.—1986 Code.

This part includes rulings and decisions based on provisions of the Internal Revenue Code of 1986.

Part II.—Treaties and Tax Legislation.

This part is divided into two subparts as follows: Subpart A, Tax Conventions and Other Related Items, and Subpart B, Legislation and Related Committee Reports.

Part III.—Administrative, Procedural, and Miscellaneous.

To the extent practicable, pertinent cross references to these subjects are contained in the other Parts and Subparts. Also included in this part are Bank Secrecy Act Administrative Rulings. Bank Secrecy Act Administrative Rulings are issued by the Department of the Treasury's Office of the Assistant Secretary (Enforcement).

Part IV.—Items of General Interest.

This part includes notices of proposed rulemakings, disbarment and suspension lists, and announcements.

The last Bulletin for each month includes a cumulative index for the matters published during the preceding months. These monthly indexes are cumulated on a semiannual basis, and are published in the last Bulletin of each semiannual period.

Part I

Section 6621.— Determination of Rate of Interest

26 CFR 301.6621-1: Interest rate.

Rev. Rul. 2021-24

Section 6621 of the Internal Revenue Code establishes the interest rates on overpayments and underpayments of tax. Under section 6621(a)(1), the overpayment rate is the sum of the federal short-term rate plus 3 percentage points (2 percentage points in the case of a corporation), except the rate for the portion of a corporate overpayment of tax exceeding \$10,000 for a taxable period is the sum of the federal short-term rate plus 0.5 of a percentage point. Under section 6621(a) (2), the underpayment rate is the sum of the federal short-term rate plus 3 percentage points.

Section 6621(c) provides that for purposes of interest payable under section 6601 on any large corporate underpayment, the underpayment rate under section 6621(a)(2) is determined by substituting "5 percentage points" for "3 percentage points." See section 6621(c) and section 301.6621-3 of the Regulations on Procedure and Administration for the definition of a large corporate underpayment and for the rules for determining the applicable date. Section 6621(c) and section 301.6621-3 are generally effective for periods after December 31, 1990.

Section 6621(b)(1) provides that the Secretary will determine the federal short-term rate for the first month in each calendar quarter. Section 6621(b)(2)(A) provides that the federal short-term rate

determined under section 6621(b)(1) for any month applies during the first calendar quarter beginning after that month. Section 6621(b)(3) provides that the federal short-term rate for any month is the federal short-term rate determined during that month by the Secretary in accordance with section 1274(d), rounded to the nearest full percent (or, if a multiple of 1/2 of 1 percent, the rate is increased to the next highest full percent).

Notice 88-59, 1988-1 C.B. 546, announced that in determining the quarterly interest rates to be used for overpayments and underpayments of tax under section 6621, the Internal Revenue Service will use the federal short-term rate based on daily compounding because that rate is most consistent with section 6621 which, pursuant to section 6622, is subject to daily compounding.

The federal short-term rate determined in accordance with section 1274(d) during October 2021 is the rate published in Revenue Ruling 2021-21, 2021-44 IRB 704, to take effect beginning November 1, 2021. The federal short-term rate, rounded to the nearest full percent, based on daily compounding determined during the month of October 2021 is 0 percent. Accordingly, an overpayment rate of 3 percent (2 percent in the case of a corporation) and an underpayment rate of 3 percent are established for the calendar quarter beginning January 1, 2022. The overpayment rate for the portion of a corporate overpayment exceeding \$10,000 for the calendar quarter beginning January 1, 2022 is 0.5 percent. The underpayment rate for large corporate underpayments for the calendar quarter beginning January 1, 2022, is 5 percent. These rates apply to amounts bearing interest during that calendar quar-

Sections 6654(a)(1) and 6655(a)(1) provide that the underpayment rate established under section 6621 applies in determining the addition to tax under sections 6654 and 6655 for failure to pay estimated tax for any taxable year. Thus, the 3 percent rate also applies to estimated tax underpayments for the first calendar quarter beginning January 1, 2022. Pursuant to section 6621(b)(2)(B), in determining the addition to tax under section 6654 for any taxable year for an individual, the federal short-term rate that applies during the third month following the taxable year also applies during the first 15 days of the fourth month following the taxable year. In addition, pursuant to section 6603(d) (4), the rate of interest on section 6603 deposits is 0 percent for the first calendar guarter in 2022.

Interest factors for daily compound interest for annual rates of 0.5 percent are published in Appendix A of this Revenue Ruling. Interest factors for daily compound interest for annual rates of 2 percent, 3 percent and 5 percent are published in Tables 9, 11, and 15 of Rev. Proc. 95-17, 1995-1 C.B. 563, 565, and 569.

Annual interest rates to be compounded daily pursuant to section 6622 that apply for prior periods are set forth in the tables accompanying this revenue ruling.

2021 Required Amendments List for Individually Designed Qualified and Section 403(b) Plans

Notice 2021-64

I. PURPOSE

This notice sets forth the 2021 Required Amendments List (2021 RA List). The Required Amendments List (RA List) applies to both individually designed plans qualified under section 401(a) of the Internal Revenue Code (Code) (qualified individually designed plans) and individually designed plans that satisfy the requirements of section 403(b) (section 403(b) individually designed plans).

Section 5.05 of Rev. Proc. 2016-37, 2016-29 IRB 136, provides generally that, except as otherwise provided by statute, or by regulations or other guidance published in the Internal Revenue Bulletin, in the case of a qualified individually designed plan that is not a governmental plan within the meaning of section 414(d), the remedial amendment period for a disqualifying provision arising as a result of a change in qualification requirements is extended to the end of the second calendar year that begins after the issuance of the RA List in which the change in qualification requirements appears. Similarly, section 5.03(1) of Rev. Proc. 2019-39, 2019-42 IRB 945,2 provides generally that, except as otherwise provided by statute, or by regulations or other guidance published in the Internal Revenue Bulletin, with respect to a form defect in a section 403(b) individually designed plan that is not a governmental plan within the meaning of section 414(d), the remedial amendment period arising as a result of a change in section 403(b) requirements ends on the last day of the second calendar year that begins after the issuance of the RA List on which the change in section 403(b) requirements appears. Pursuant to these sections, and section 8.01 of Rev. Proc. 2016-37 and section 6.01 of Rev. Proc. 2019-39, December 31, 2023, generally is both the last day of the remedial amendment period and the plan amendment deadline with respect to (1) a disqualifying provision arising as a result of a change in qualification requirements that appears on the 2021 RA List, and (2) a form defect arising as a result of a change in section 403(b) requirements that appears on the 2021 RA List. Later dates may apply to a governmental plan within the meaning of section 414(d) pursuant to sections 5.06(3) and 8.01 of Rev. Proc. 2016-37 and sections 5.03(2) (c) and 6.01 of Rev. Proc. 2019-39. References to qualification requirements and to section 403(b) requirements in Parts III and IV of this notice are referred to, separately and collectively, as "requirements."3

II. BACKGROUND

Section 401(b) of the Code provides a remedial amendment period during which a plan may be amended retroactively to comply with the qualification requirements under section 401(a). Section 1.401(b)-1 describes the disqualifying provisions that may be amended retroactively and the remedial amendment period during which retroactive amendments may be adopted. That regulation also grants the Commissioner of Internal Revenue the discretion to designate in guidance published in the Internal Revenue Bulletin certain plan provisions as disqualifying provisions and to extend the remedial amendment period.

Sections 5.05 and 5.06 of Rev. Proc. 2016-37 extend the remedial amendment

period for individually designed plans to correct disqualifying provisions that arise as a result of a change in qualification requirements. Sections 5.05 and 5.06 provide that, except as otherwise provided by statute, or by regulations or other guidance published in the Internal Revenue Bulletin, those sections set forth the extended remedial amendment period for disqualifying provisions. Under section 5.05(3), the remedial amendment period for a plan that is not a governmental plan within the meaning of section 414(d) is extended to the end of the second calendar year that begins after the issuance of the RA List on which the change in qualification requirements appears. Section 5.06(3) provides a special rule for governmental plans that may further extend the remedial amendment period in some cases.

Section 8.01 of Rev. Proc. 2016-37 provides that the plan amendment deadline with respect to a disqualifying provision described in section 5 of Rev. Proc. 2016-37 is the date on which the remedial amendment period ends with respect to that disqualifying provision.

Section 21.02 of Rev. Proc. 2013-22, 2013-18 IRB 985,⁴ establishes an initial remedial amendment period that permits an eligible employer to retroactively correct form defects in its written section 403(b) plan.

Rev. Proc. 2017-18, as modified by Notice 2020-35, 2020-25 IRB 948, provides that the initial remedial amendment period for a form defect in a section 403(b) plan ends on June 30, 2020.

Section 5.01 of Rev. Proc. 2019-39 establishes a system of recurring remedial amendment periods for section 403(b) individually designed plan form defects first occurring after the last day of the initial remedial amendment period.

Section 5.03(1) of Rev. Proc. 2019-39 provides that, except as otherwise provided by statute, or by regulations or other

³ In order to help plan sponsors achieve operational compliance with changes in requirements, the IRS provides the Operational Compliance List, which is a list of changes in both qualification requirements and section 403(b) requirements that are effective during a calendar year, on the IRS website at https://www.irs.gov/retirement-plans/operational-compliance-list. See section 10 of Rev. Proc. 2016-37 and section 9 of Rev. Proc. 2019-39.

⁴Rev. Proc. 2013-22 was modified by Rev. Proc. 2014-28, 2014-16 I.R.B. 944, and Rev. Proc. 2015-22, 2015-11 I.R.B. 754, and clarified by Rev. Proc. 2017-18, 2017-5 I.R.B. 743.

guidance published in the Internal Revenue Bulletin, with respect to a form defect relating to, or integral to, a change in section 403(b) requirements that occurs after the initial remedial period, the remedial amendment period for a section 403(b) individually designed plan that is not a governmental plan within the meaning of section 414(d) ends on the last day of the second calendar year that begins after the issuance of the RA List on which the change in requirements appears. Section 5.03(2)(c) provides a special rule for governmental plans that could further extend the remedial amendment period in some cases.

Section 6.01 of Rev. Proc. 2019-39 generally provides that the plan amendment deadline with respect to a form defect in a section 403(b) individually designed plan first occurring after the initial remedial amendment period is the date on which the remedial amendment period ends with respect to that form defect.

Section 7 of Rev. Proc. 2019-39 (as modified by Notice 2020-35), extends the initial remedial amendment period with respect to a section 403(b) individually designed plan form defect first occurring on or before June 30, 2020, to the later of (1) June 30, 2020, or (2) the end of the remedial amendment period provided under section 5 of Rev. Proc. 2019-39.

Section 9 of Rev. Proc. 2016-37 and section 8.01 of Rev. Proc. 2019-39 provide that the Department of the Treasury (Treasury Department) and the Internal Revenue Service (IRS) intend to publish an RA List annually. In general, a change in qualification requirements will not appear on an RA List until guidance with respect to that change (including, in certain cases, model amendments) has been provided in regulations or in other guidance published in the Internal Revenue Bulletin. However, in the discretion of the Treasury Department and the IRS, a change in qualification requirements may be included on an RA List in other circumstances, such as in cases in which a statutory change is enacted and the Treasury

Department and the IRS anticipate that no guidance will be issued.

The remedial amendment period applicable to a disqualifying provision arising as a result of a change in qualification requirements may be extended beyond the date that normally would apply to an item included on an RA List, if, for example, a statute, regulation or other guidance published in the Internal Revenue Bulletin provides for a later deadline.

III. CONTENT AND ORGANIZATION OF RA LIST

In general, an RA List includes statutory and administrative changes in requirements that are first effective during the plan year in which the list is published.⁵ However, an RA List does not include:

- Guidance issued or legislation enacted after the list has been prepared;
- Statutory changes in requirements for which the Treasury Department and the IRS expect to issue guidance that would be included on an RA List issued in a future year;
- Changes in requirements that permit (but do not require) optional plan provisions, in contrast to changes in requirements that cause existing plan provisions (which may include optional plan provisions previously adopted) to become disqualifying provisions or section 403(b) form defects;6 or
- Changes in the tax laws affecting qualified individually designed plans or section 403(b) individually designed plans that do not change the requirements (such as changes to the tax treatment of plan distributions, or changes to the funding requirements for qualified individually designed plans).

The RA List is divided into two parts. Part A covers changes in requirements that generally would require an amendment to most plans or to most plans of the type affected by the change.

Part B includes changes in requirements that the Treasury Department and the IRS anticipate will not require amendments to most plans but might require an amendment because of an unusual plan provision in a particular plan. For example, if a change affects a particular requirement that most plans incorporate by reference, Part B would include that change because a particular plan might not incorporate the requirement by reference and, thus, might include language inconsistent with the change.

Annual, monthly, or other periodic changes to (1) the various dollar limits that are adjusted for cost of living increases as provided in section 415(d) or other Code provisions, (2) the spot segment rates used to determine the applicable interest rate under section 417(e)(3), and (3) the applicable mortality table under section 417(e) (3), are treated as included on the RA List for the year in which such changes are effective even though they are not directly referenced on that RA List. The Treasury Department and the IRS anticipate that few plans have language that will need to be amended on account of these changes.

The fact that a change in a requirement is included on the RA List does not necessarily mean that a plan must be amended as a result of that change. Each plan sponsor must determine whether a particular change in a requirement requires an amendment to its plan.

IV. 2021 REQUIRED AMENDMENTS LIST

- Part A. Changes in requirements that generally would require an amendment to most plans or to most plans of the type affected by the change.
- Special Financial Assistance Program for financially troubled multiemployer plans (American Rescue Plan Act of 2021 section 9704). Section 9704 of the American Rescue Plan Act of 2021, Pub. L. 117-2, 135 Stat. 4, added section 4262 to the

⁵RA Lists also may include changes in requirements that were first effective in a prior year that were not included on a prior RA List under certain circumstances, such as changes in requirements that were issued or enacted after the prior year's RA List was prepared.

⁶The remedial amendment period and plan amendment deadline for discretionary changes to the terms of a qualified individually designed plan are governed by sections 5.05(2), 5.06(2), and 8.02 of Rev. Proc. 2016-37. The remedial amendment period and plan amendment deadline for discretionary changes to the terms of a section 403(b) individually designed plan are governed by sections 5.03(1)(b), 5.03(2)(b), and 6.02 of Rev. Proc. 2019-39. These deadlines for discretionary changes are not affected by the inclusion of a change in requirements on an RA List.

Employee Retirement Income Security Act of 1974, Pub. L. 93-406, 88 Stat. 829, as amended (ERISA) and section 432(k) to the Code. Under section 4262 of ERISA, the sponsor of an eligible multiemployer plan as defined in section 4262(b) of ERISA may apply to the Pension Benefit Guaranty Corporation (PBGC) to receive special financial assistance, provided certain conditions are satisfied. Section 432(k) of the Code provides rules relating to an eligible multiemployer plan that applies to PBGC for special financial assistance. Section 432(k)(2)(A)(i) provides that an eligible multiemployer plan receiving special financial assistance under section 4262 of ERISA must reinstate any benefits that were suspended under section 432(e)(9) of the Code or section 4245(a) of ERISA (which corresponds to section 418E(a) of the Code), effective as of the first month in which the effective date for the special financial assistance occurs, for participants and beneficiaries as of such month. Section 432(k)(2) (A)(ii) provides that an eligible multiemployer plan must also provide payments equal to the amount of benefits previously suspended to any participants or beneficiaries in pay

status as of the effective date of the special financial assistance, payable as determined by the plan as a lump sum within three months of the effective date or in equal monthly installments over a period of five years, commencing within three months of the effective date, with no adjustment for interest.

Notice 2021-38, 2021-30 IRB 155, provides guidance under section 432(k). Among other things, Notice 2021-38 provides that, under section 432(k)(2) (A)(i), if an eligible multiemployer plan receiving special financial assistance was previously amended to suspend benefits pursuant to section 432(e)(9) of the Code or section 4245(a) of ERISA, or had suspended benefits operationally under section 418E(a) of the Code without adopting a plan amendment, the plan must be amended to reinstate those suspended benefits, effective as of the month in which the special financial assistance is paid to the plan, for individuals who are participants or beneficiaries as of that month. Notice 2021-38 also provides that under section 432(k)(2) (A)(ii), an eligible multiemployer plan that receives special financial assistance must be amended to provide make-up payments to individuals who are participants or beneficiaries on, and who

have commenced benefits by, the date the special financial assistance is paid to the plan. The make-up payments to a participant or a beneficiary must be paid, as determined by the plan sponsor, either as a lump sum within three months of the date the special financial assistance is paid to the plan or in equal monthly installments over a period of five years, commencing within three months of the date the special financial assistance is paid. The plan amendment providing for the make-up payments must also specify which distribution form (that is, a lumpsum payment or monthly installments) will apply for the make-up payments to a participant or beneficiary.

Part B. Other changes in requirements that may require an amendment.

Announcement of Disciplinary Sanctions From the Office of Professional Responsibility

Announcement 2021-16

The Office of Professional Responsibility (OPR) announces recent disciplinary sanctions involving attorneys, certified public accountants, enrolled agents, enrolled actuaries, enrolled retirement plan agents, appraisers, and unenrolled/ unlicensed return preparers (individuals who are not enrolled to practice and are not licensed as attorneys or certified public accountants). Licensed or enrolled practitioners are subject to the regulations governing practice before the Internal Revenue Service (IRS), which are set out in Title 31, Code of Federal Regulations, Subtitle A, Part 10, and which are released as Treasury Department Circular No. 230. The regulations prescribe the duties and restrictions relating to such practice and prescribe the disciplinary sanctions for violating the regulations. Unenrolled/ unlicensed return preparers are subject to Revenue Procedure 81-38 and superseding guidance in Revenue Procedure 2014-42, which govern a preparer's eligibility to represent taxpayers before the IRS in examinations of tax returns the preparer both prepared for the taxpayer and signed as the preparer. Additionally, unenrolled/ unlicensed return preparers who voluntarily participate in the Annual Filing Season Program under Revenue Procedure 2014-42 agree to be subject to the duties and restrictions in Circular 230, including the restrictions on incompetent or disreputable conduct.

The disciplinary sanctions to be imposed for violation of the applicable standards are:

Disbarred from practice before the IRS—An individual who is disbarred is not eligible to practice before the IRS as defined at 31 C.F.R. § 10.2(a)(4) for a minimum period of five (5) years.

Suspended from practice before the IRS—An individual who is suspended is

not eligible to practice before the IRS as defined at 31 C.F.R. § 10.2(a)(4) during the term of the suspension.

Censured in practice before the IRS—Censure is a public reprimand. Unlike disbarment or suspension, censure does not affect an individual's eligibility to practice before the IRS, but OPR may subject the individual's future practice rights to conditions designed to promote high standards of conduct.

Monetary penalty—A monetary penalty may be imposed on an individual who engages in conduct subject to sanction, or on an employer, firm, or entity if the individual was acting on its behalf and it knew, or reasonably should have known, of the individual's conduct.

Disqualification of appraiser—An appraiser who is disqualified is barred from presenting evidence or testimony in any administrative proceeding before the Department of the Treasury or the IRS.

Ineligible for limited practice—An unenrolled/unlicensed return preparer who fails to comply with the requirements in Revenue Procedure 81-38 or to comply with Circular 230 as required by Revenue Procedure 2014-42 may be determined ineligible to engage in limited practice as a representative of any taxpayer.

Under the regulations, individuals subject to Circular 230 may not assist, or accept assistance from, individuals who are suspended or disbarred with respect to matters constituting practice (*i.e.*, representation) before the IRS, and they may not aid or abet suspended or disbarred individuals to practice before the IRS.

Disciplinary sanctions are described in these terms:

Disbarred by decision, Suspended by decision, Censured by decision, Monetary penalty imposed by decision, and Disqualified after hearing—An administrative law judge (ALJ) issued a decision imposing one of these sanctions after the ALJ either (1) granted the government's summary judgment motion or (2) conducted an evidentiary hearing upon OPR's complaint alleging violation of the regulations. After 30 days from the issuance of the decision, in the absence of an appeal,

the ALJ's decision becomes the final agency decision.

Disbarred by default decision, Suspended by default decision, Censured by default decision, Monetary penalty imposed by default decision, and Disqualified by default decision—An ALJ, after finding that no answer to OPR's complaint was filed, granted OPR's motion for a default judgment and issued a decision imposing one of these sanctions.

Disbarment by decision on appeal, Suspended by decision on appeal, Censured by decision on appeal, Monetary penalty imposed by decision on appeal, and Disqualified by decision on appeal—The decision of the ALJ was appealed to the agency appeal authority, acting as the delegate of the Secretary of the Treasury, and the appeal authority issued a decision imposing one of these sanctions.

Disbarred by consent, Suspended by consent, Censured by consent, Monetary penalty imposed by consent, and **Disqualified by consent**—In lieu of a disciplinary proceeding being instituted or continued, an individual offered a consent to one of these sanctions and OPR accepted the offer. Typically, an offer of consent will provide for: suspension for an indefinite term; conditions that the individual must observe during the suspension; and the individual's opportunity, after a stated number of months, to file with OPR a petition for reinstatement affirming compliance with the terms of the consent and affirming current fitness and eligibility to practice (i.e., an active professional license or active enrollment status, with no intervening violations of the regulations).

Suspended indefinitely by decision in expedited proceeding, Suspended indefinitely by default decision in expedited proceeding, Suspended by consent in expedited proceeding—OPR instituted an expedited proceeding for suspension (based on certain limited grounds, including loss of a professional license for cause, and criminal convictions).

Determined ineligible for limited practice—There has been a final determination that an unenrolled/unlicensed

return preparer is not eligible for limited representation of any taxpayer because the preparer violated standards of conduct or failed to comply with any of the requirements to act as a representative.

A practitioner who has been disbarred or suspended under 31 C.F.R. § 10.60, or suspended under § 10.82, or a disqualified appraiser may petition for reinstatement before the IRS after the expiration of 5 years following such disbarment, suspension, or disqualification (or immediately following the expiration of the suspension or disqualification period if shorter than 5 years). Reinstatement will not be granted unless the IRS is satisfied that the petitioner is not likely to engage thereafter in conduct contrary to Circular 230, and that granting such reinstatement would not be contrary to the public interest.

Reinstatement decisions are published at the individual's request, and described in these terms:

Reinstated to practice before the IRS—The individual's petition for reinstatement has been granted. The agent, and eligible to practice before the IRS, or in the case of an appraiser, the individual is no longer disqualified.

Reinstated to engage in limited practice before the IRS—The individual's petition for reinstatement has been granted. The individual is an unenrolled/unlicensed return preparer and eligible to engage in limited practice before the IRS, subject to requirements the IRS has prescribed for limited practice by tax return preparers.

OPR has authority to disclose the grounds for disciplinary sanctions in these situations: (1) an ALJ or the Secretary's delegate on appeal has issued a final deci-

sion; (2) the individual has settled a disciplinary case by signing OPR's "consent to sanction" agreement admitting to one or more violations of the regulations and consenting to the disclosure of the admitted violations (for example, failure to file Federal income tax returns, lack of due diligence, conflict of interest, etc.); (3) OPR has issued a decision in an expedited proceeding for indefinite suspension; or (4) OPR has made a final determination (including any decision on appeal) that an unenrolled/unlicensed return preparer is ineligible to represent any taxpayer before the IRS.

Announcements of disciplinary sanctions appear in the Internal Revenue Bulletin at the earliest practicable date. The sanctions announced below are alphabetized first by state and second by the last names of the sanctioned individuals.

Definition of Terms

Revenue rulings and revenue procedures (hereinafter referred to as "rulings") that have an effect on previous rulings use the following defined terms to describe the effect:

Amplified describes a situation where no change is being made in a prior published position, but the prior position is being extended to apply to a variation of the fact situation set forth therein. Thus, if an earlier ruling held that a principle applied to A, and the new ruling holds that the same principle also applies to B, the earlier ruling is amplified. (Compare with modified, below).

Clarified is used in those instances where the language in a prior ruling is being made clear because the language has caused, or may cause, some confusion. It is not used where a position in a prior ruling is being changed.

Distinguished describes a situation where a ruling mentions a previously published ruling and points out an essential difference between them.

Modified is used where the substance of a previously published position is being changed. Thus, if a prior ruling held that a principle applied to A but not to B, and the new ruling holds that it applies to both A and B, the prior ruling is modified because it corrects a published position. (Compare with *amplified* and *clarified*, above).

Obsoleted describes a previously published ruling that is not considered determinative with respect to future transactions. This term is most commonly used in a ruling that lists previously published rulings that are obsoleted because of changes in laws or regulations. A ruling may also be obsoleted because the substance has been included in regulations subsequently adopted.

Revoked describes situations where the position in the previously published ruling is not correct and the correct position is being stated in a new ruling.

Superseded describes a situation where the new ruling does nothing more than restate the substance and situation of a previously published ruling (or rulings). Thus, the term is used to republish under the 1986 Code and regulations the same position published under the 1939 Code and regulations. The term is also used when it is desired to republish in a single ruling a series of situations, names, etc., that were previously published over a period of time in separate rulings. If the

new ruling does more than restate the substance of a prior ruling, a combination of terms is used. For example, modified and superseded describes a situation where the substance of a previously published ruling is being changed in part and is continued without change in part and it is desired to restate the valid portion of the previously published ruling in a new ruling that is self contained. In this case, the previously published ruling is first modified and then, as modified, is superseded.

Supplemented is used in situations in which a list, such as a list of the names of countries, is published in a ruling and that list is expanded by adding further names in subsequent rulings. After the original ruling has been supplemented several times, a new ruling may be published that includes the list in the original ruling and the additions, and supersedes all prior rulings in the series.

Suspended is used in rare situations to show that the previous published rulings will not be applied pending some future action such as the issuance of new or amended regulations, the outcome of cases in litigation, or the outcome of a Service study.
