

No Cost Filing Options

Here are some tax preparation options for filing your federal tax return at no cost.

Need help to prepare your return?

- » Visit a volunteer tax return preparation site.
- » Ask a site volunteer for the best time to come.
- » Ask the site volunteer if an appointment can be made.

Have Internet Access?

Try Free File on IRS.gov. There are now two ways to prepare and e-file your federal income tax return for free:

- » **Free File Tax Software** – Choose from many tax software options – Free for taxpayers with an adjusted gross income of \$58,000 or less.
- » **Free File Fillable Forms** – Fill in the tax forms and file them online without tax software – Free online tool with no income limitations.

For more information on Free File, go to the Free File Website at IRS.gov.
