General Instructions

This schedule must be attached to Form 5500, 5500-C, 5500-K or 5500-R for every defined benefit, defined contribution and welfare benefit plan where any benefits under the plan are provided by an insurance company, insurance service or other similar organization.

Exception. Schedule A (Form 5500) is not needed if the plan covers only (1) an individual (or an individual and spouse) who wholly owns a trade or business, whether incorporated or unincorporated, or (2) a partner in a partnership or a partner and spouse.

Plans Participating in Master Trust(s).—For insurance or annuity contracts that are held in a master trust and owned jointly by two or more plans participating in a master trust, a single Schedule A for each contract must be included in the information relating to the master trust which is filed with DOL. The individual plans need not file the Schedule A but must treat unallocated funds or any interest in a separate account held in a master trust as part of an investment account for purposes of their annual report. (See the return/report master trust filing instructions.)

Specific Instructions

(References are to the line items on the form.)

Include only contracts with policy or contract years ending with or within the plan year. Data on Schedule A should be reported only for such policy or contract years. Exception: If the insurance company maintains records on the basis of a plan year rather than policy or contract year, data on Schedule A (Form 5500) may be reported for the plan year.

Include only the contracts issued to the plan for which this return/report is being filed.

2(c).—Since the plan coverage may fluctuate during the year, the number of persons entered should be that which the administrator determines will most reasonably reflect the number covered by the plan at the end of the policy or contract year.

Where contracts covering individual employees are grouped, entries should be determined as of the end of the plan year.

2(d) and (e).—Enter the beginning and ending dates of the policy year for each contract listed under column (b). Where separate contracts covering individual employees are grouped, enter "N/A" in column (d).

3.—All sales commissions are to be reported in column (c) regardless of the iden-

tity of the recipient. Override commissions, salaries, bonuses, etc., paid to a general agent or manager for managing an agency, or for performing other administrative functions, are not to be reported. Fees to be reported in column (d) represent payments by insurance carriers to agents and brokers for items other than commissions (e.g., service fees, consulting fees and finders fees). Fees paid by insurance carriers to persons other than agents and brokers should be reported in Parts II and III on Schedule A (Form 5500) as acquisition costs, administrative charges, etc., as appropriate. For plans with 100 or more participants, fees paid by employee benefit plans to agents, brokers and other persons are to be reported in item 12, Form 5500.

5(a).—The rate information called for here may be furnished by attachment of appropriate schedules of current rates filed with appropriate state insurance departments or by a statement as to the basis of the rates.

6.—Show deposit fund amounts rather than experience credit records when both are maintained.

8(d).—The rate information called for here may be furnished by attachment of appropriate schedules of current rates or by a statement as to the basis of the rates.
