

Solicitation No: D2D71EPRJ00 – Physical Security Equipment

The Internal Revenue Service (IRS) is seeking concerns having the ability to provide and install physical security equipment at the Internal Revenue Office located at 700 W. Capitol, Little Rock, AR 72201. This Request for Quotes (RFQ) will be conducted as full and open competition on an unrestricted basis.

The IRS intends to award a single-award firm-fixed priced order to the responsible offeror, whose offer conforming to the solicitation will be most advantageous to the Government, price and past performance considered (in descending order of importance).

The solicitation is available on the General Services Administration's Federal Business Opportunities web site at www.fbo.gov. Hard copies of the solicitation document will not be available. (The Federal Business Opportunities web site provides downloading instructions.) All future information about this acquisition, including solicitation amendments, will also be distributed solely through the Federal Business Opportunities web site. Interested parties are responsible for monitoring this site to ensure that they have the most up-to-date information about this acquisition. The closing date of the solicitation is January 20, 2012. All responsible sources may submit a quote which will be considered. No collect calls will be accepted. No telephone requests or written requests for the solicitation will be accepted.

Vendors doing business with the Government are required to be registered in the Central Contractor Registration (CCR) database. No award can be made unless the vendor is registered in the CCR database. For additional information and to register in CCR, please access the CCR web site at www.bpn.gov/ccr/.

Classification Code: 63 – Alarm and Signal, and Security Detection Systems

NAICS Code: 561621—Security System Services (except Locksmiths)
