
Section G Contract Administration Data

G.1 Accounting and Appropriation Data

Accounting and appropriation data for obligations under the contract will be set forth on individual task orders.

G.2 Contracting Officer (CO)

- a) The CO has the overall responsibility for the administration of this contract. He/she alone, without right of delegation, is authorized to take actions on behalf of the Government to amend, modify, or deviate from the contract terms, conditions, requirements, specifications, details and/or delivery schedules. However, the CO may delegate certain other responsibilities to his/her authorized representatives, the Lead COTR and the COTR.
- b) The CO's authorized representative hereinafter referred to as the COTR for this contract will be identified for the contractor. The COTR will be identified by the CO's written designation.

G.3 Lead Contracting Officer's Technical Representative (Lead COTR)

- a) The Lead COTR provides technical and procedural support to TIPSS-3 customers. The Lead COTR is also responsible for oversight of the TIPSS-3 contracts and reporting to IRS management on the progress of task orders.
- b) The Lead COTR is the individual within the IRS TIPSS-3 office who has overall responsibility for all task orders under the contract. The Lead COTR supports the COTR and the CO in contract administration by:
 - 1) Making final decisions regarding any recommended rejection of deliverables;
 - 2) Providing technical clarification relative to overall contractual workload matters;
 - 3) Assisting the COTR in reviewing all data supporting costs requested for reimbursement by the contractor;
 - 4) Facilitating communication between the COTR, CO and the contractor by initiating regular status meetings to identify issues and to work toward their resolution;
 - 5) Assisting the CO and COTR in identifying the need for task order modifications to make the task orders comply with new Department of the Treasury and IRS requirements;

- 6) Assisting the COTR with developing requests for task order modifications;
 - 7) Providing training to the COTR in the proper monitoring of task orders;
 - 8) Providing guidance to the COTR on technical and procedural issues and assisting the COTR in finding the correct resources to resolve other issues;
 - 9) Assisting the CO and contractor in prioritizing work to meet the requirements of the COTRs;
 - 10) Identifying trends among task orders that require attention by the contractor or CO; and
 - 11) Reporting to IRS management on the status of task orders.
- c) The Lead COTR , in providing technical clarification to the contractor, shall not engage in any activity which:
- 1) Constitutes an assignment of work outside the general scope of the contractor task order(s);
 - 2) Constitutes a change as defined in the “Changes” clause of this contract;
 - 3) In any way causes an increase or decrease in the total estimated contract cost or the time required for task order or contract performance;
 - 4) Changes any of the expressed terms, conditions, or specifications of the contract or task order(s); or
 - 5) Suspends or terminates any task order issued thereunder, settles any claim or dispute arising under the contract, or issues any unilateral directive whatsoever.

G.4 Contracting Officer’s Technical Representative (COTR)

- a) The COTR is responsible for monitoring the cost and schedule for a task order, reviewing and approving task order deliverables or work products, and providing technical information to the contractor.
- b) Performance of the work under a task order is subject to the technical direction of the COTR. The term technical direction is defined to include the following:
 - 1) Technical direction to the contractor which shifts work emphasis between areas of work or tasks, fills in details, or otherwise serves to accomplish the purposes of the contract and task orders;
 - 2) Provide advice and guidance to the contractor in the preparation of deliverable products and services; and
 - 3) Provide acceptance of deliverable products to assure task order compliance.

- c) Technical direction will be within the scope of the SOW for the task order. The COTR does not have the authority to and may not issue any technical direction which:
 - 1) Constitutes assignment of work outside the general scope of the contract or task order;
 - 2) Constitutes a change as defined in the “Changes” clause of the contract;
 - 3) In any way causes an increase or decrease in total estimated cost or the time required for task order performance;
 - 4) Changes any of the expressed terms, conditions, or other requirements of the contract or task order; or
 - 5) Suspends or terminates the contract or any task order issued there under, settles any claim or dispute arising under the contract, or issues any unilateral directive whatsoever.
- d) All technical direction will be issued in writing by the COTR. A copy of the written direction will be furnished to the CO and to the contractor.
- e) The contractor shall proceed promptly with the performance of technical directions duly issued by the COTR in the manner prescribed by this clause and within the COTR's authority under the provisions of this clause.
- f) If, in the opinion of the contractor, any instruction or direction issued by the COTR is not within one of the categories as defined in paragraph (c) of this section, the contractor shall not proceed but shall notify the CO in writing within 24 hours after receipt of any instruction or direction. The CO will issue an appropriate contract modification or advise the contractor in writing that, in the CO's opinion, the technical direction is within the scope of this article and does not constitute a change under the “Changes” clause.
- g) Any unauthorized commitment or technical direction issued by the COTR may result in an unnecessary delay in the contractor's performance and may even result in the contractor expending funds for unallowable costs under the contract.
- h) A failure of the parties to agree upon the nature of the instruction of technical direction or upon the contract action to be taken with respect thereto is subject to [FAR 52.233-1](#), Disputes.
- i) In addition to providing technical direction as defined in paragraph (b) of the section, the COTR will:
 - 1) Monitor the contractor's technical progress, including surveillance and assessment of performance, and recommend to the CO changes in requirements;
 - 2) Assist the contractor in the resolution of technical problems encountered during performance;
 - 3) Review all costs requested for reimbursement by the contractor and submit to the CO recommendations for approval, disapproval, or

- suspension of payment for supplies and services required under this contract;
- 4) Perform inspection and acceptance or recommendation for rejection of contractor deliverables, identifying deficiencies in delivered items or services, and providing supporting documentation to the Lead COTR. (NOTE: This does not replace any other quality assurance inspection requirements that are specified elsewhere in the contract/task order.)

G.5 Remittance Address

Contractor shall indicate in the space provided below the address which payment should be mailed if different from the contractor's address: (To be completed at time of contract award.)

G.6 Method of Payment

- a) All payments by IRS under this contract shall be made by EFT through either the Automated Clearing House network, subject to the rules of the [National Automated Clearing House Association](#), or the Fedwire Transfer System using the EFT information contained in the [Central Contractor Registration \(CCR\)](#) database. In the event that EFT information changes, the contractor shall be responsible for providing the updated information to the CCR database in accordance with the requirements of [FAR 52.232-33](#), "Payment by Electronic Funds Transfer – Central Contractor Registration." The contractor shall complete and submit an SF 3881, ACH Vendor/Miscellaneous Payment Enrollment Form," subject to [31 CFR Part 210](#), to the address identified at contract award.
- b) The date of payment by EFT shall be hereby considered the date that payment is made.

G.7 Voucher/Payment

For purposes of reference, the SF 1034/1035, "Public Voucher for Purchases and Services Other Than Personal" as required below shall be considered the contractor's voucher for the period, and shall be accompanied by detailed cost data sufficient to support all costs claimed. Submittal of 1034/1035 with proper detailed supporting documentation as described herein will be considered an adequate basis for the CO to judge whether or not the costs invoiced are

allowable, allocable, and reasonable. However, the CO may request, and the contractor shall furnish any other supporting documentation deemed necessary by the CO to complete processing of any vouchers. In addition, the contractor may, at its option, and consistent with its own billing practices, submit a voucher on its own letterhead as a supplement to the 1034/1035 and supporting documentation.

The term “billing” will henceforth be generically used to represent the total monthly claim for reimbursement, inclusive of the 1034/1035, supporting documentation, and contractor voucher, if submitted.

Though IRS will function as the executive agency for this contract, payments under task orders fulfilling needs of organizations outside of IRS will be made by the agency receiving the services. Each task order will specify the address to which billings shall be sent.

The contractor shall submit billings no more frequently than once monthly. Payment for actual work and services rendered under a given task order will be made on a monthly and provisional basis in accordance with [FAR 52.216-7](#), “Allowable Cost and Payment”, (Dec 2002). As part of its monthly billings, the contractor shall render separate vouchers for each task order under which it claims reimbursement during the applicable billing period.

In addition, a monthly contract-level summary consolidating the separate task order level vouchers, as directly submitted to each payment office, shall be furnished on contractor letterhead concurrently to the CO. All contract-level summaries shall be stamped “For Information Purposes Only-Not for Payment.”

G.7.1 General Requirements

In addition to other contract requirements, the contractor shall submit SF 1034 or 1034(A) and 1035 or 1035(A) entitled “Public Voucher for Purchases and Services Other Than Personal” concurrently with the voucher and/or payment voucher, in the same number of copies as the voucher and/or payment voucher, to this accounting office listed below:

- h) Date of Delivery or Service: Show the beginning and ending period for which the service was performed or the Task or service was completed.
- i) Article or Services: Show a synopsis of the articles delivered and/or services completed. There is no need to go into detail on this form provided adequate supporting documentation as described below is provided.
- j) Amount: Show the total amount requested for this payment.
- k) The contractor must include their Employer Identification Number for other entities on each voucher submitted for payment under this contract. This information is required to comply with requirements to file IRS Information returns pursuant to the Internal Revenue Code. Vouchers received that do not include the required information will be returned to the contractor

without payment. (Note: This information should be entered in the address block on the voucher).

G.7.2 SF 1035 Requirements for Other than Fixed Price Task Orders

On SF 1035 or other appropriate format of the contractor's choosing, the following additional supporting documentation is required:

- a) Task Order Number and Title of Project: List the full title of the task order and the task order number performed under the contract.
- b) COTR: Include name and address of the COTR for task order including office code and phone number.
- c) Task Order Amount: Insert the total estimated cost of the contract or task order, as applicable, exclusive of fixed fee.
- d) Fixed Fee: Insert total fixed fee for the contract or task order, as applicable.
- e) Billing Period: Insert the beginning and ending dates of the period during which costs were incurred and for which reimbursement is claimed.
- f) Direct Costs: Insert the major cost elements as follows:
 - 1) Direct Labor. This consists of salaries and wages paid (or accrued) for direct performance of the contract itemized as follows (names of individuals being billed should be specified):

Labor Category	Name	Current Hours	Cumulative Hours	Unburdened Rate
----------------	------	---------------	------------------	-----------------

- 2) Fringe Benefits. This represents fringe benefits applicable to direct labor and billed as a direct cost. Where a rate is used, indicate the rate. Fringe benefits included in direct labor or in other indirect cost pools should not be identified here.
- 3) Hardware/Software/ODCs. List those items of equipment for which reimbursement is requested. A reference shall be made to the following (as applicable): (a) the item number for the specific piece of equipment listed in the property schedule of the contract; or (b) the CO's approval letter if the equipment is not covered by the property schedule;
- 4) Materials, Supplies, or Other Expendable Items. These are consumable materials, supplies, and equipment other than that described in (3) above.
- 5) Premium Pay. This is remuneration in excess of the basic hourly rate. (Requires written approval of the CO.)
- 6) Consultant's Fee. The supporting information must include the name, hourly or daily rate of the consultant, and reference the IRS approval (if not specifically approved in the original contract.)
- 7) Travel. Domestic travel is travel within the U.S., its territories,

possessions, and Canada. All costs associated with each trip must be shown in the following format:

Date of Travel	Traveler Name	Destination (From/To)	Purpose	Cost
----------------	---------------	-----------------------	---------	------

(Costs for travel should be broken up into public conveyance, per diem, other, with supporting documentation included.)

- 8) Subcontracts. Include separate detailed breakdown of all costs paid to approved subcontractors during the billing period. (If a cost type subcontract is executed, then the cost detail associated with that subcontract approximating that required herein for the prime contract must be submitted.)
- 9) Other. List all other direct costs by cost element and dollar amount separately.
- g) Indirect Costs - Overhead. Cite the formula (rate and base) in effect during the time the cost was incurred and for which reimbursement is claimed.
- h) Fixed Fee. If the contract provides for a fixed fee, it must be claimed as provided for by the contract. Cite the formula or method of computation. The contractor may bill for fixed fee only up to 85% of total fee.
- i) Amount Billed for Current Period. Insert the amount billed for the major cost elements, adjustments, and total amount for the period.
- j) Cumulative Amount from Inception to Date of Current Billing. Insert the cumulative amounts billed for the major cost elements and adjusted amounts claimed during this contract.
- k) Total Amounts Claimed. Insert the total amounts claimed for the current and cumulative periods.
- l) Adjustments. This includes cumulative amounts billed that have been suspended or disallowed.
- m) Grand Totals.

NOTE: The Government may require electronic submission of vouchers. This submission shall be made in an ASCII format with details to be determined at a later date.

G.8 Segregation of Cost by Task Order

For voucher preparation and billing purposes, the contractor agrees to segregate costs according to task orders in addition to requirements for segregation of cost by contract.
