

MeF Excise 720 Stakeholders:

The following updated Schemas and Business Rules have posted to irs.gov:

Schema Changes:

2013Q1v2.2; and

The above schemas include all tax forms for Form 720, Quarterly Federal Excise Tax Return and are posted to the Production and Assurance Testing System (ATS) charts on the irs.gov website.

This is a minor version update to the schemas and business rules.

All changes to the schemas can be found in the "Diff" files.

Business Rule Changes:

2013Q1v2.2; and
2013Q2v2.2

Business Rules are posted in two different formats that contain identical information; Adobe (.pdf), and Comma Separated File (.csv). A column within the file identifies changes made from the previous version to help clarify what changes were made.
