

Sample article for organizations to use to reach customers

Post the following article on your websites and/or use in other communication vehicles with information on the IRS Video Portal.

Introducing the IRS Video Portal

The [IRS Video Portal](#) is a new Web page featuring video and audio presentations. Use it to get up-to-date information on many tax topics. It's free! And you can view or listen anytime that's convenient for you.

Whether you are a tax professional, business owner or individual taxpayer, there is something there for you, and the products are catalogued for easy identification and quick access.

Getting ready to prepare your taxes? Visit the [Filing and Paying Taxes](#) video library and browse from a list of topics, including choosing a tax preparer, reporting tips and avoiding interest charges. You can also learn what to do if you become a [victim of identity theft or online fraud](#). These are just a few topics available to help answer your tax-related questions.

With technology improvements coming faster and faster and the IRS offering more and more educational tools such as webinars, webcasts and podcasts, learning about taxes gets easier all the time.

Can't attend an event on the date it occurs? Videos and audio products now are stored and ready when you are, on the IRS Video Portal. Problem solved!

See what you can learn today – or if today is not good for you, then tomorrow – and take advantage of the [IRS Video Portal](#).
