This summer, we invite you to attend one of six Nationwide Tax Forums offered by the IRS. You'll get the most up-to-date information about federal and state tax issues from IRS leadership and experts. You will also have the opportunity to receive up to 18 continuing education credits through a variety of training seminars and workshops.

In addition to the seminars, the forums feature a two-day expo with representatives from the IRS as well as other tax, financial, and business communities offering their products, services and expertise.

This year's tax forums will be held in:

Atlanta	June 22 - 24
Chicago	July 13 - 15
Orlando	July 27 - 29
New York City	August 10 – 12
Las Vegas	August 24 - 26
San Diego	August 31 – September 2

In a survey of 2009 attendees, the forums received a 97 percent satisfaction rate. Attendees stated that their participation enabled them to offer greater technical expertise to meet taxpayers' needs. 2010 marks the 20th year that the IRS has hosted these forums to help educate tax professionals and volunteers.
