## Call us to request your refund check

We previously sent you a refund check for \$999.99. You didn't cash this check, so it expired on October 9, 2007.

We need you to call us before we can send you a replacement check.

### Next Steps

### What you need to do

- If you still have the expired check, please destroy it.
- Call us at [REDACTED] to request your replacement check.

- After you call us, we'll mail you a new check
- If you owe other tax or debts we're required to collect, we may apply all or part of your \$999.99 overpayment to the amount you owe. You'll receive a notice explaining how we applied the money and a check for the remaining balance, if there is one.
