

VITA/TCE Volunteer Tax Alert (VTA)

Thank you for volunteering and for your dedication to top **QUALITY** service!

VTA Number	VTA-2015-07
Date Issued	January 29, 2015
Tax Law Topic	Affordable Care Act – Premium Tax Credit (PTC) & Special Circumstances (Form 8962 Parts 4 & 5)
Explanation	<p>The Premium Tax Credit (PTC) is a refundable tax credit for certain people who enrolled, or whose family member enrolled, in a qualified health plan offered through a Marketplace during the tax year. This tax credit can help make purchasing health insurance coverage more affordable for people with moderate incomes. During enrollment, the taxpayer may choose to have advance credit payments sent directly to their insurer to help pay insurance premiums. Taxpayers must file Form 8962 to compute the PTC and reconcile any advance payments on their tax return.</p> <p>Alert: The Internal Revenue Service will be publishing additional guidance in February for taxpayers claiming the PTC with special circumstances, including those with shared policy allocations (Form 8962 Part 4) or those eligible for the alternative calculation for year of marriage (Form 8962 Part 5). <u>Volunteers should not prepare returns impacted by Form 8962, Parts 4 and 5, until Publication 974 is finalized. These two parts are temporarily out of scope until SPEC can provide more guidance.</u> This alert provides links to VITA/TCE training materials and additional instructions on correctly claiming and reconciling the PTC.</p>
Intake & Interview Process	<p>To determine if a taxpayer is eligible for, and claim the PTC, review the taxpayer's Form 13614-C, Part VI:</p> <ul style="list-style-type: none">• If the taxpayer answers "yes" to question 2, or if you determine that the taxpayer purchased Marketplace insurance, the taxpayer must provide Form 1095-A, Health Insurance Marketplace Statement, to complete Form 8962. Volunteers cannot prepare a return without this information. <p>Note: The Marketplace is required to provide or send Form 1095-A to the tax filer(s) identified in the enrollment application by January 31, 2015. If Form 1095-A is not received by early February, the taxpayer must contact the Marketplace. These forms can be downloaded by the taxpayer through their Marketplace account (see link below).</p> <p>Volunteers will also need to ask a few questions which are not on Form 13614-C, including:</p> <ul style="list-style-type: none">• Did the taxpayer purchase their insurance from the Marketplace?• Did the taxpayer get married, divorced, or legally separated after purchasing insurance through the Marketplace in 2014? Note: If the taxpayer answers "Yes" to this question, please see the section "PTC-Special Circumstances" below for processing instructions.
Eligibility for PTC	In general, taxpayers are allowed a premium tax credit if they purchased Marketplace insurance and meet the applicable taxpayer eligibility criteria (see definition in Publication 5157 or Form 8962 Instructions).
PTC – Special Circumstances	<p>The Internal Revenue Service will be publishing additional guidance in February for taxpayers claiming the PTC with special circumstances, including those with shared policy allocations (Form 8962 Part 4) or those eligible for the alternative calculation for year of marriage (Form 8962 Part 5). <u>Volunteers should not prepare returns impacted by Form 8962, Parts 4 and 5, until Publication 974 is finalized. These two parts are temporarily out of scope until SPEC can provide more guidance.</u></p> <p>Taxpayers with one of the circumstances in the shared policy allocation column, or with all of the elements in the alternative calculation for year of marriage column could be affected:</p>
