

REQUEST FOR ADDITIONAL EXTENSION OF TIME TO FILE FORM 8966  
FOR TAX YEAR 2014

Instructions

By submitting this request to the IRS at the address specified below, you are requesting an additional 90 days for filing Form 8966 for tax year 2014 (in addition to the automatic 90-day extension) because you are experiencing a hardship that will prevent you from filing Form 8966 by the first extended due date of June 29, 2015. Submit a separate request for each filer that is requesting an additional extension of time to file.

**Note:** Under the terms of their applicable IGAs, reporting Model 2 FFIs are not entitled to an extension of time for aggregate reporting on non-consenting U.S. accounts or non-consenting nonparticipating FFIs. Entities that are located in a Model 1 jurisdiction and reporting on behalf of themselves (or any entities that are reporting on behalf of another entity that is located in a Model 1 jurisdiction) may not request an additional extension of time to file Form 8966 from the IRS because they must report directly to the Model 1 jurisdiction's tax authority.

If you are requesting an additional extension of time to file Form 8966 on behalf of yourself, complete lines 1 through 11 and complete the request by signing, providing the requested information about the person signing, and dating the request on the lines provided at the bottom of the request. If you are a sponsoring entity that is requesting an additional extension of time to file Form 8966 with respect to reporting on behalf of sponsored entities, complete the same lines as indicated above and, additionally, enter the name and identifying information of your sponsored entity on lines 12 through 16. **Note:** If you are requesting an additional extension of time to file Form 8966 both on behalf of yourself and with respect to reporting on behalf of a sponsored entity, you must submit separate requests. Remember to enter on line 6 the GIIN applicable to the type of filer (for example, if you are making a request as a sponsoring entity, use your sponsoring entity GIIN).

**The deadline for submitting your request for an additional extension of time to file Form 8966 is the first extended due date for filing Form 8966, which is June 29, 2015.** An extension of time to file Form 8966 does not provide a waiver from the requirement to electronically file the form. If you are experiencing an undue hardship that will prevent you from filing Form 8966 electronically, you may request to file Form 8966 on paper by submitting a "Request for Waiver from Filing Form 8966 Electronically for Tax Year 2014" by the deadline for submitting that request. Both requests may be mailed together.
