

IRM PROCEDURAL UPDATE

DATE: 03/26/2024

NUMBER: wi-03-0324-0447

SUBJECT: Disaster Extension Due Date and Correction of Received Date Information

AFFECTED IRM(s)/SUBSECTION(s): 3.12.212

CHANGE(s):

IRM 3.12.212.4 Deleted incorrect statement and added updated received date information.

(1) Caution should be taken to determine when an extension was filed. The received date is the date the extension was received by the IRS. Receipt and Control will stamp a received date on all extensions and attach the envelope. If more than one extension request was included in an envelope, the postmark date will be stamped on each additional extension.

- a. An extension is timely filed if the received date is # [REDACTED] # or if it has a postmark date on or before the due date. # [REDACTED] # # [REDACTED] #
- b. If the due date falls on a Saturday, Sunday, or legal holiday, the extension is timely if it is postmarked by the following day that is not a Saturday, Sunday, or legal holiday. For 2024, April 15 is a Monday, but in Maine and Massachusetts it is Patriots' Day, and April 16 is Emancipation Day in Washington, D.C. So in Maine and Massachusetts, if the due date is 04/15/2024, the extension request is timely if postmarked by 04/17/2024.

Note: # [REDACTED] #

- c. Under the timely mailing treated as timely filing rules of IRC 7502, the filing date is the postmark date if the postmark date is on or before the due date of the extension and the extension is received after the due date.

Note: An extension with a timely foreign postmark would be timely filed based on Rev. Rule 2002-23.

- d. **Rejected electronically filed IMF extension request:** If the taxpayer attempted to timely file Form 4868 or Form 2350 electronically and it was rejected, the paper request must be filed by the later of the regular due date

Any line marked with a # is for Official Use Only

or 10 calendar days after the date of the notification the electronic submission was rejected.

- e. **Rejected electronically filed BMF extension request:** If the taxpayer attempted to timely file Form 7004 electronically and it was rejected, the paper request must be filed by the later of the due date or 5 calendar days after the date of the notification of the rejection.
- f. **Officially declared disasters:** If the address on the extension is in a state covered by an officially declared disaster, or a FEMA number or disaster designation is notated, and the extension is postmarked on or before the disaster end date granted by the Commissioner in the Federal Emergency Management Agency disaster memo, the extension is timely filed. See Exhibit 3.12.212-17.

(2) If more than one extension request is included in a single envelope, Receipt and Control will stamp the postmark date on the face of each additional extension document.

(3) **Exceptions to normal due date:** Some taxpayers are allowed more time to file their extension request. If any of the following criteria are found, the extension is timely filed if received or postmarked by the 15th day of the 6th month after the end of the tax period, adjusted for weekends and holidays (e.g., if postmarked by 06/17/2024 for tax period 202312.) # [REDACTED] # .

- a. Form 7004: The taxpayer indicates 26 Code of Federal Regulations (CFR) section 1.6081-5 or checks the box on line 4.

Note: If the box on line 4 of Form 7004 is checked, partnerships and Form 1120-S filers receive an additional 3-month extension, and C corporation filers receive an additional 4-month extension. See Exhibit 3.12.212-13.

- b. Form 7004: The taxpayer checks the box on line 2; it's not necessary for the extension to show a foreign address.
- c. Form 4868: The box on line 8 is checked, or the taxpayer indicates on the extension form or attachments that the taxpayer is "out of the country" or "taxpayer abroad," or the taxpayer is in military service stationed abroad.
- d. Form 4868: The box on line 9 is checked, the taxpayer indicates "1040-NR no withholding," or "no withholding."
- e. Form 2350: Taxpayers are generally considered to be "out of the country"; so, they would qualify for the 06/15/YYYY due date.

(4) There is no reasonable cause for late filed extensions, unless the Commissioner has extended the due date for filing due to a situation contained in Policy Statement 3-12. Policy Statement 3-12 states, "Late filed applications for extensions of time to file returns will not be approved. The Service will neither consider nor approve on a case-by-case basis late filed applications for extensions of time to file returns. The Commissioner may extend the due date for filing returns for broad classes or groups

of taxpayers, but only in cases of natural disaster, catastrophe or other extraordinary situations."

(5) If the received date is invalid, such as an incorrect year was used when the date was stamped, and other information (Julian date, postmark date, and/or signature date) indicates the received date should be the current year, change the received date year to the current year.

Example: Form 7004 has a stamped received date of 20230615. The tax period is 202312. The postmark date is 06/15/2024. The postmark date indicates 2024 is the correct year of the received date. Change Field 01RCD to 20240615.

(6) Determine received dates using the following priority:

a. IRS date stamp.

Note: Earliest date stamp by Campus, Area Office, US Consulate, or Revenue Officer.

b. The earliest legible postmark date (U. S. Postal Service, Foreign Postmark, or Private Delivery Service) on the envelope or stamped on the face of the document.

c. Service Center Automated Mail Processing System (SCAMPS) date.

d. Revenue Officer's signature date.

e. Signature date (Form 2350 only).

f. Julian date minus 10 days.

g. Current date minus 10 days.

(7) Use the due date charts for the specific forms in the following exhibits:

- Exhibit 3.12.212-7, Form 7004 Due Dates - Form 706-GS(D), Form 706-GS(T), Form 1042, and Non-Master File returns

- Exhibit 3.12.212-11, Form 7004 Due Dates - Form 1120-C
- Exhibit 3.12.212-12, Form 7004 Due Dates - Form 1120-POL
- Exhibit 3.12.212-13, Form 7004 Due Dates - Line 4 box is checked
- Exhibit 3.12.212-14, Form 4868 Due Dates

Follow normal timely extension procedures for processing.
