

MANUAL TRANSMITTAL

Department of the Treasury
Internal Revenue Service

1.35.9

AUGUST 27, 2020

EFFECTIVE DATE

(08-27-2020)

PURPOSE

- (1) This transmits obsolete IRM 1.35.9, Financial Accounting, Integrated Financial System Payroll.

MATERIAL CHANGES

- (1) This IRM is obsolete as the IRM content is contained in standard operating procedures (SOP) on the following site (S:\IFM\OFMS\Office of Financial Management Systems\Ancillary Systems\Ancillary Systems Procedures\Payroll AINFC). The content consists of information for the CFO Ancillary Systems team on how to process payroll data into Integrated Financial System (IFS). The content does not give any guidance or procedures for general IRS employees or IFS users and is contained in the following standard operating procedures:
 - a. Payroll Accrual Reversals – This SOP provides instructions to reverse the monthly payroll accruals.
 - b. Mainframe Dataset Copy - This SOP provides instructions to copy test files into production.
 - c. Create the orga.load File – This SOP provides instructions for the creation of the pipe delimited orga.load file for upload to the Totally Automated Personnel System (TAPS) database.

EFFECT ON OTHER DOCUMENTS

IRM 1.35.9, dated September 27, 2019, is superseded.
