

Frequently Asked Questions – Link & Learn Taxes Volunteer Certification Test

for SPEC Partners and Employees

This publication provides information about the volunteer courses and certification tests on Link & Learn Taxes.

Background

Link & Learn Taxes provides online workout lessons and certification tests for individuals interested in volunteering for the Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs. All volunteers are required to register and certify via Link & Learn Taxes. Online testing is fast and efficient; it provides test results immediately. Volunteers who do not pass the test the first time may review the course material and try again. The certification test can be completed on paper utilizing Form 6744, VITA/TCE Volunteer Assistor's Test or Retest. Volunteers choosing this method must transcribe their answers to the test in Link & Learn Taxes to meet the requirement for all volunteers to register and certify through Link & Learn Taxes.

Questions and Answers

1. Q: How do I access the online test?

A: You can either log in directly at <https://linklearncertification.com/> or you can select VITA/TCE Central from the **Link & Learn Taxes** page.

If you have an existing account, you must reset your password using the Forgot Password link. If not, create a new account. You can self-register at: <https://linklearncertification.com/>. After logging in, select your preferred certification level from the icon list. You must first complete the Volunteer Standards of Conduct and the Intake/Interview and Quality Review test. When you are ready to complete any subsequent exams, click on the exam link and **Start**.

2. Q: What is the passing score for certification?

A: The passing score is 80% or higher.

3. Q: What if I do not pass a test on my first attempt?

A: If you are taking the paper test, Form 6744, VITA/TCE Volunteer Assistor's Test/Retest, there is a retest following each test. The retest asks different questions for the same scenarios used in the original test. The online test allows a total of 2 attempts at certification for each test. The questions for the test and retest will be in order. Note: A maximum of two attempts are allowed to certify for each test.

4. Q: What if I am unable to complete an online test in one session?

A: The online system will bookmark where you stop in an online test. When you log back in, the system will show "Continue" for the test you were taking. Just click on that link to continue with the test.

5. Q: What if I need to change an answer on the online test?

A: In the online test, you can use the "Back" button to change your answer to a question. Once you hit the "Submit" key, you cannot change your answers.

6. Q: Are there any helpful hints for taking the online test?

A: When entering a fill-in answer, use only numbers. Do not use symbols such as dollar signs, commas, or decimal points or the answers will be incorrect. It is also important to review **Volunteer Tax Alerts (VTAs)** prior to taking the online certifications.

7. Q: What documentation can I obtain if I certify through the online test with Link & Learn Taxes?

A: Once you successfully complete a test, you can print a course certificate. You can also print or save a copy of the Form 13615, Volunteer Standards of Conduct Agreement. Volunteers can sign Form 13615 electronically.

8. Q: What if I forget my password for the online test?

A: Use the "Forgot Password" reset tool at <https://linklearncertification.com/> and enter the e-mail address associated with the account to regain access. Be sure to enter your email address correctly during the registration process so you will receive e-mail notifications about your login name or password. If you are still not able to reset your password, you can contact the help desk at: linklearnsupport@Archsystemsinc.com.

9. Q: What if I do not receive the e-mail after using the "Forgot Password" reset tool?

A: First, check to see if the e-mail is in your junk or spam mail folder. If not, our team can reset your password manually, but to do so we'll need:

- the mailing/home address associated with your account
- email address associated with your account
- Send this information to: linklearnsupport@Archsystemsinc.com. ***E-mails received after hours or on the weekend will be answered the next business day.***

10. Q: Can I use references to complete the test?

A: The test is an open book test. You can use forms, instructions, and other reference material to take the test. You should complete the test on your own.

11. Q: Who should I contact if I have issues accessing the Practice Lab?

A: The VITA/TCE Certification Test Site account is separate from the TaxSlayer or Practice Lab account. You can access the TaxSlayer Practice Lab at <https://vita.taxslayerpro.com/IRSTraining>. The Practice Lab provides a simulated VITA/TCE learning environment in the TaxSlayer Pro Online software and includes learning tools and TaxSlayer support. For password or login help with Practice Lab or additional information, go to: <https://vita.taxslayerpro.com> or email support@vita.taxslayerpro.com.

Note: Please use the generic password “TRAINPROWEB” to access the Practice Lab.

12. Q: What tax year does the test use for answers to the questions?

A: The answers are based on 2025 tax rates, adjustments, and deductions. Tax year 2025 VITA/TCE training materials, tax forms, instructions and publications are available on www.irs.gov. Draft tax forms may be available to review if the 2025 versions have not been completed.

13. Q: Do I have to take the Basic course before taking any of the other courses?

A: Review course material in Publication 4491, VITA/TCE Training Guide. Then review the lessons online at Link & Learn Taxes by taking the interactive quizzes and workout exercises. The instructions for reviewing the lessons on Link & Learn Taxes and the instructions for certification on the online test site are different.

- Instructions for reviewing the lesson information online: The Basic tab includes just the Basic course. The Advanced tab includes all Basic and Advanced information. The optional courses contain the information for that subject. If you received training in a classroom setting, virtual learning session or by using the Publication 4491, you may continue directly to the online test without reviewing the Link & Learn Taxes workout exercises.
- Instructions for certification online: For certification testing, you must first pass the Volunteer Standards of Conduct and the Intake/Interview and Quality Review tests. You can then choose either the Basic, Advanced, or Foreign Students and Scholars test.

Note: You do not need to complete the Basic test before taking the Advanced, or a specialty test.

14. Q: Where is the Site Coordinator test?

A: The Site Coordinator test is in the list of certifications. Volunteers registered as Site Coordinators are also required to complete the Site Coordinator training course. If you did not select the Site Coordinator training course when you registered, you can change your selection in your profile.

15. Q: Do all volunteers who use OPI need to complete the SPEC OPI certification test or only the site coordinators?

A: The site coordinator will determine whether to require volunteers to take the OPI certification or if they will provide the training directly. All volunteers can access the training as part of their 2024 tax year certification on Link and Learn Taxes (and will need to provide the SIDN). The OPI certification is optional with a prerequisite to the Volunteer Standards of Conduct.
