Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Schedule LEP (Form 1040) (12-2020)

Future Developments

For the latest developments related to Schedule LEP, see www.irs.gov/ScheduleLEP.

Purpose of Form

The IRS is committed to providing taxpayers with limited-English proficiency meaningful access to information regarding their taxpayer rights and responsibilities. Use Schedule LEP to state a preference to receive written communications from the IRS in an alternative language, when communications in the language are available. Once processed, the IRS will be able to determine your translation needs and will provide you translations when available.

Written communications. Different forms of written communications are issued by the IRS, such as correspondence and other printed material. These may include notifications sent to an individual taxpayer, including formal letters and notices, as well as general correspondence, tax forms, instructions, or publications. Generally, any attachments enclosed with the written communication will also be provided in the requested language, if available in that language.

You may not receive written communications in the requested language immediately. Materials will be translated into the selected languages based on demand.

Who Can File

Schedule LEP is not mandatory but can be filed with a tax return by taxpayers with limited-English proficiency to indicate their language of preference for IRS-issued written communications or change their language of preference.

How To File

File Schedule LEP with your income tax return. You can state this preference only by filing Schedule LEP with your income tax return. If you e-file your tax return, you don't need to file the paper version of this form. See www.irs.gov/efile. Schedule LEP can be attached to your 2020 tax return and subsequent year returns. Do not attach Schedule LEP to any return prior to the 2020 tax return.

Name

Enter the name exactly as it appears on your tax return.

Joint Return

If you and your spouse are filing a joint return, file a Schedule LEP with your tax return for each spouse who prefers an alternative language. If both spouses would prefer to receive written communications in an alternative language other than English, file a separate form for each spouse, even if both spouses prefer the same alternative language.

Social Security Number (SSN)

The SSN entered on this form should match the SSN listed on your tax return. If you're married and file a joint return, enter the SSN only of the spouse making the request. If you're a nonresident or resident alien and you don't have and aren't eligible to get an SSN, you must apply for an individual taxpayer identification number (ITIN). To obtain an ITIN, you must complete Form W-7, Application for IRS Individual Taxpayer Identification Number. If you already have an ITIN, enter it wherever your SSN is requested. See www.irs.gov/ITIN.

Line 1

Select one of the listed languages if you would prefer to receive future written communications in that language. Select only one of the listed options by checking the appropriate box. If you would like to cancel a previous election, select English. Your selection will be effective for future written communications, including correspondence with respect to other tax years, until the selection is changed or cancelled.

Special assistance is available for persons with limited-English proficiency. If you're unable to complete your tax return, you may be able to obtain assistance from the Volunteer Income Tax Assistance or Tax Counseling for the Elderly programs sponsored by the IRS. See www.irs.gov/VITA.

Nondiscrimination Notice

The IRS does not tolerate discrimination by its employees against anyone because of age, color, disability, race, reprisal, national origin, English proficiency, religion, sex, sexual orientation, or status as a parent. This no-tolerance stance also applies to anyone who volunteers or works with taxpayers as part of any federally assisted program or any federally conducted program. If requested by a taxpayer, IRS employees and staff/volunteers at one of the assisted program sites will provide reasonable accommodation or language assistance.
