Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

2021 Form 1040-V

Department of the Treasury
Internal Revenue Service

What Is Form 1040-V?

It's a statement you send with your check or money order for any balance due on the "Amount you owe" line of your 2021 Form 1040, 1040-SR, or 1040-NR.

Consider Making Your Tax Payment Electronically—It's Easy

You can make electronic payments online, by phone, or from a mobile device. Paying electronically is safe and secure. When you schedule your payment, you will receive immediate confirmation from the IRS. Go to www.irs.gov/Payments to see all your electronic payment options.

How To Fill in Form 1040-V

Line 1. Enter your social security number (SSN).

If you are filing a joint return, enter the SSN shown first on your return.

Line 2. If you are filing a joint return, enter the SSN shown second on your return.

Line 3. Enter the amount you are paying by check or money order. If paying online at www.irs.gov/Payments, don't complete this form.

Line 4. Enter your name(s) and address exactly as shown on your return. Please print clearly.

How To Prepare Your Payment

- Make your check or money order payable to "United States Treasury." Don't send cash. If you want to pay in cash, in person, see *Pay by cash*, later.
- Make sure your name and address appear on your check or money order.
- Enter your daytime phone number and your SSN on your check or money order. If you have an Individual Taxpayer Identification Number (ITIN), enter it wherever your SSN is requested. If you are filing a joint return, enter the SSN shown first on your return. Also, enter "2021 Form 1040," "2021 Form 1040-SR," or "2021 Form 1040-NR," whichever is appropriate.
- To help us process your payment, enter the amount on the right side of your check like this: \$ XXX.XX. Don't use dashes or lines (for example, don't enter "\$ XXX—" or "\$ XXX^{xx/100}").

Notice to taxpayers presenting checks. When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your account as soon as the same day we receive your payment, and you will not receive your check back from your financial institution.

No checks of \$100 million or more accepted. The IRS can't accept a single check (including a cashier's check) for amounts of \$100,000,000 (\$100 million) or more. If you are sending \$100 million or more by check, you will need to spread the payments over two or more checks, with each check made out for an amount less than \$100 million.

Pay by cash. This is an in-person payment option for individuals provided through retail partners with a maximum of \$1,000 per day per transaction. To make a cash payment, you must first be registered online at www.officialpayments.com/fed, our Official Payment provider.

How To Send in Your 2021 Tax Return, Payment, and Form 1040-V

- Don't staple or otherwise attach your payment or Form 1040-V to your return or to each other. Instead, just put them loose in the envelope.
- Mail your 2021 tax return, payment, and Form 1040-V to the address shown on the back that applies to you.
