

Caution: *DRAFT—NOT FOR FILING*

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information as a courtesy. **Do not file draft forms.** Also, do **not** rely on draft forms, instructions, and publications for filing. We generally do not release drafts of forms until we believe we have incorporated all changes. However, unexpected issues sometimes arise, or legislation is passed, necessitating a change to a draft form. In addition, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have at least some changes before being officially released.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms), and may remain there even after the final release is posted at [IRS.gov/DownloadForms](https://www.irs.gov/DownloadForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication also has its own page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Publication 17 page is at [IRS.gov/Pub17](https://www.irs.gov/Pub17); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not in a Search box. Note that these are friendly shortcut links that will automatically go to the actual link for the page.

If you wish, you can submit comments about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

Instructions for Student

You, or the person who can claim you as a dependent, may be able to claim an education credit on Form 1040. This statement has been furnished to you by an eligible educational institution in which you are enrolled, or by an insurer who makes reimbursements or refunds of qualified tuition and related expenses to you. This statement is required to support any claim for an education credit. Retain this statement for your records. To see if you qualify for a credit, and for help in calculating the amount of your credit, see Pub. 970, Form 8863, and the Form 1040 instructions.

Your institution must include its name, address, and information contact telephone number on this statement. It may also include contact information for a service provider. Although the filer or the service provider may be able to answer certain questions about the statement, do not contact the filer or the service provider for explanations of the requirements for (and how to figure) any education credit that you may claim.

Student's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, or EIN). However, the issuer has reported your complete TIN to the IRS. **Caution:** If your TIN is not shown in this box, your school was not able to provide it. Contact your school if you have questions.

Account number. May show an account or other unique number the filer assigned to distinguish your account.

Box 1. Shows the total payments received by an eligible educational institution in 2019 from any source for qualified tuition and related expenses less any reimbursements or refunds made during 2019 that relate to those payments received during 2019.

Box 2. Reserved.

Box 3. Reserved.

Box 4. Shows any adjustment made by an eligible educational institution for a prior year for qualified tuition and related expenses that were reported on a prior year Form 1098-T. This amount may reduce any allowable education credit that you claimed for the prior year (may result in an increase in tax liability for the year of the refund). See "recapture" in the index to Pub. 970 to report a reduction in your education credit or tuition and fees deduction.

Box 5. Shows the total of all scholarships or grants administered and processed by the eligible educational institution. The amount of scholarships or grants for the calendar year (including those not reported by the institution) may reduce the amount of the education credit you claim for the year.

TIP: You may be able to increase the combined value of an education credit and certain educational assistance (including Pell Grants) if the student includes some or all of the educational assistance in income in the year it is received. For details, see Pub. 970.

Box 6. Shows adjustments to scholarships or grants for a prior year. This amount may affect the amount of any allowable tuition and fees deduction or education credit that you claimed for the prior year. You may have to file an amended income tax return (Form 1040X) for the prior year.

Box 7. Shows whether the amount in box 1 includes amounts for an academic period beginning January–March 2020. See Pub. 970 for how to report these amounts.

Box 8. Shows whether you are considered to be carrying at least one-half the normal full-time workload for your course of study at the reporting institution.

Box 9. Shows whether you are considered to be enrolled in a program leading to a graduate degree, graduate-level certificate, or other recognized graduate-level educational credential.

Box 10. Shows the total amount of reimbursements or refunds of qualified tuition and related expenses made by an insurer. The amount of reimbursements or refunds for the calendar year may reduce the amount of any education credit you can claim for the year (may result in an increase in tax liability for the year of the refund).
