Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Instructions for Recipient

Recipient's taxpayer identification number (TIN). For your protection, this form may show only the last four digits of your TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)). However, the issuer has reported your complete TIN to the IRS.

Account number. May show an account or other unique number the payer has assigned to distinguish your account.

Box 1. Shows the total unemployment compensation paid to you this year. Combine the box 1 amounts from all Forms 1099-G and report the total as income on the unemployment compensation line of your tax return. Except as explained below, this is your taxable amount. If you are married filing jointly, each spouse must figure his or her taxable amount separately. If you expect to receive these benefits in the future, you can ask the payer to withhold federal income tax from each payment. Or you can make estimated tax payments. For details, see Form 1040-ES. If you made contributions to a governmental unemployment compensation program or to a governmental paid family leave program and received a payment from that program, the payer must issue a separate Form 1099-G to report this amount to you. If you itemize deductions, you may deduct your contributions on Schedule A (Form 1040) as taxes paid. If you do not itemize, you only need to include in income the amount that is in excess of your contributions.

Box 2. Shows refunds, credits, or offsets of state or local income tax you received. It may be taxable to you if you deducted the state or local income tax paid on Schedule A (Form 1040). Even if you did not receive the amount shown, for example, because (a) it was credited to your state or local estimated tax, (b) it was offset against federal or state debts, (c) it was offset against other offsets, or (d) you made a charitable contribution from your refund, it is still taxable if it was deducted. If you received interest on this amount, you may receive Form 1099-INT for the interest. However, the payer may include interest of less than \$600 in the blank box next to box 9 on Form 1099-G.

Regardless of whether the interest is reported to you, report it as interest income on your tax return. See your tax return instructions.

Box 3. Identifies the tax year for which the box 2 refunds, credits, or offsets shown were made. If there is no entry in this box, the refund is for 2020 taxes.

Box 4. Shows backup withholding or withholding you requested on unemployment compensation, Commodity Credit Corporation (CCC) loans, or certain crop disaster payments. Generally, a payer must backup withhold on certain payments if you did not give your TIN to the payer. See Form W-9 for information on backup withholding. Include this amount on your income tax return as tax withheld.

Box 5. Shows reemployment trade adjustment assistance (RTAA) payments you received. Include on the "Other income" line of Schedule 1 (Form 1040).

Box 6. Shows taxable grants you received from a federal, state, or local government.

Box 7. Shows your taxable Department of Agriculture payments. If the payer shown is anyone other than the Department of Agriculture, it means the payer has received a payment, as a nominee, that is taxable to you. This may represent the entire agricultural subsidy payment received on your behalf by the nominee, or it may be your pro rata share of the original payment. See Pub. 225 and the Schedule F (Form 1040) instructions for information about where to report this income. Partnerships, see Form 8825 for how to report.

Box 8. If this box is checked, the amount in box 2 is attributable to an income tax that applies exclusively to income from a trade or business and is not a tax of general application. If taxable, report the amount in box 2 on Schedule C or F (Form 1040), as appropriate.

Box 9. Shows market gain on CCC loans whether repaid using cash or CCC certificates. See the Schedule F (Form 1040) instructions.

Boxes 10a–11. State income tax withheld reporting boxes.
