

Caution: This form, instructions, or publication is now obsolete.

This file is being posted to alert tax software companies and other tax professionals that this form, instruction, or publication will not be issued for this tax year or any subsequent years because we are making it obsolete. Prior revisions will remain available at www.irs.gov/AllForms.

We are currently discontinuing (making obsolete) the following:

1. Schedule 4 (Form 1040) (merged with Schedule 2)
2. Schedule 5 (Form 1040) (merged with Schedule 3)
3. Schedule 6 (Form 1040) (merged with Forms 1040 & 1040-SR)
4. Schedule C-EZ (Form 1040) (Schedule C will be used)
5. Form 2555-EZ (Form 2555 will be filed instead)
6. Instructions for Form 2555-EZ
7. Form 8965 (no longer applicable to tax years after 2018)
8. Instructions for Form 8965
9. Form 1099-H*
10. Instructions for Form 1099-H*

The last revision will be the 2018 revision (*2019 revision).

Early release drafts of other forms, instructions, and some publications are at IRS.gov/DraftForms, and may remain there even after the final release is posted where we make available the most recent revision of all tax forms, instructions, and publications at IRS.gov/LatestForms.

If you wish, you can submit comments about this to WI.1040.Comments@IRS.gov. We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider some suggestions until the subsequent revision.
