## **Caution: *DRAFT—NOT FOR FILING***

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We generally do not release draft forms until we believe we have incorporated all changes, but sometimes unexpected issues arise, or legislation is passed. Also, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and may remain there even after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication also has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

## Instructions for Recipient

Distributions from a health savings account (HSA), Archer medical savings account (MSA), or Medicare Advantage (MA) MSA are reported to you on Form 1099-SA. File Form 8853 or Form 8889 with your Form 1040 or 1040-SR to report a distribution from these accounts even if the distribution isn't taxable. The payer isn't required to compute the taxable amount of any distribution.

An HSA or Archer MSA distribution isn't taxable if you used it to pay qualified medical expenses of the account holder or eligible family member or you rolled it over. An HSA may be rolled over to another HSA; an Archer MSA may be rolled over to another Archer MSA or an HSA. An MA MSA isn't taxable if you used it to pay qualified medical expenses of the account holder only. If you didn't use the distribution from an HSA, Archer MSA, or MA MSA to pay for qualified medical expenses, or in the case of an HSA or Archer MSA, you didn't roll it over, you must include the distribution in your income (see Form 8853 or Form 8889). Also, you may owe a penalty.

You may repay a mistaken distribution from an HSA no later than April 15 following the first year you knew or should have known the distribution was a mistake, providing the trustee allows the repayment.

For more information, see the Instructions for Form 8853 and the Instructions for Form 8889. Also see Pub. 969.

**Recipient's taxpayer identification number (TIN).** For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, or EIN). However, the issuer has reported your complete identification number to the IRS.

**Spouse beneficiary.** If you inherited an Archer MSA or MA MSA because of the death of your spouse, special rules apply. See the Instructions for Form 8853. If you inherited an HSA because of the death of your spouse, see the Instructions for Form 8889.

**Estate beneficiary.** If the HSA, Archer MSA, or MA MSA account holder dies and the estate is the beneficiary, the fair market value (FMV) of the account on the date of death is includible in the account holder's gross income. Report the amount on the account holder's final income tax return.

**Nonspouse beneficiary.** If you inherited the HSA, Archer MSA, or MA MSA from someone who wasn't your spouse, you must report as income on your tax return the FMV of the account as of the date of death. Report the FMV on your tax return for the year the account owner died even if you received the distribution from the account in a later year. See the Instructions for Form 8853 or the Instructions for Form 8889. Any earnings on the account after the date of death (box 1 minus box 4 of Form 1099-SA) are taxable. Include the earnings on the "Other income" line of your tax return.

**Account number.** May show an account or other unique number the payer assigned to distinguish your account.

**Box 1.** Shows the amount received this year. The amount may have been a direct payment to the medical service provider or distributed to you.

**Box 2.** Shows the earnings on any excess contributions you withdrew from an HSA or Archer MSA by the due date of your income tax return. If you withdrew the excess, plus any earnings, by the due date of your income tax return, you must include the earnings in your income in the year you received the distribution even if you used it to pay qualified medical expenses. This amount is included in box 1. Include the earnings on the "Other income" line of your tax return. An excise tax of 6% for each tax year is imposed on you for excess individual and employer contributions that remain in the account. See Form 5329, Additional Taxes on Qualified Plans (Including IRAs) and Other Tax-Favored Accounts.

**Box 3.** These codes identify the distribution you received: 1—Normal distribution; 2—Excess contributions; 3—Disability; 4—Death distribution other than code 6; 5—Prohibited transaction; 6—Death distribution after year of death to a nonspouse beneficiary.

**Box 4.** If the account holder died, shows the FMV of the account on the date of death.

**Box 5.** Shows the type of account that is reported on this Form 1099-SA.

**Future developments.** For the latest information about developments related to Form 1099-SA and its instructions, such as legislation enacted after they were published, go to [www.irs.gov/Form1099SA](http://www.irs.gov/Form1099SA).
