## **Caution: DRAFT—NOT FOR FILING**

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). Include “NTF” followed by the form number (for example, “NTF1040” or “NTFW4”, etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each routed message.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

## What's New

**Activity letter SA.** The Inflation Reduction Act of 2022 enacted the section 40B sustainable aviation fuel credit for certain fuel mixtures containing sustainable aviation fuel sold or used after December 31, 2022. The IRS designated SA as the activity letter related to this credit. See Notice 2023-06.

## Reminder

**Reinstatement of activity letter G.** The Infrastructure Investment and Jobs Act reinstates the excise taxes imposed on certain chemical substances by sections 4661 and 4671, effective July 1, 2022. See Notice 2021-66, 2021-52 I.R.B. 901, available at [www.irs.gov/irb/2021-52\\_IRB#NOT-2021-66](http://www.irs.gov/irb/2021-52_IRB#NOT-2021-66).

## General Instructions

### Purpose of Form

Use Form 637 to apply for excise tax registration for activities under sections 4101, 4222, 4662, and 4682. See the chart on pages 2–5 for the list of activities. Each business unit that has, or is required to have, a separate EIN is treated as a separate person.

The following persons **must** be registered.

- Pipeline operator or vessel operator: activity letter **X**.
- Enterers, position holders, refiners, and terminal operators: activity letter **S**.
- Blenders: activity letter **M**.
- Producers or importers of alcohol, agri-biodiesel, and biodiesel (including renewable diesel): activity letters **AF**, **AB**, and **NB**, respectively.
- Producers or importers of sustainable aviation fuel: activity letter **SA**.
- Producers of second generation biofuel: activity letter **SB**. Current **CB** registrants will not need to reapply for new **SB** registrations.

Pub. 510, Excise Taxes, has more information regarding registrations.

## Penalty

The penalty for failure to register, if you're required to register, is \$10,000 for the initial failure, and \$1,000 for each day following that you fail to register. The penalty applies unless the failure to register is due to reasonable cause.

## How To Apply

Complete Form 637 and submit it with the required additional information described on the chart on pages 2–5. You may use additional sheets for your explanations. Write your name and EIN on each sheet you attach. You must send all of the required information or the processing of your application will be delayed. The IRS will ask you for additional information if needed, or you may provide additional information at any time.

The application must be reviewed and approved before you're registered for any activity, and bond may be required. The review may include inspection of your premises during normal business hours without advance notice. If your application is approved, the IRS will issue a Letter of Registration. The letter will include the activities you're registered for, the effective date of the registration, and your registration number. A copy of Form 637 isn't a Letter of Registration. If your application is denied, you will be notified by the IRS in writing, including the reason for the denial.

## Employer Identification Number (EIN)

Enter your EIN. If you don't have an EIN, you may apply for one online by visiting [www.irs.gov/EIN](http://www.irs.gov/EIN). You may also apply for an EIN by faxing or mailing Form SS-4, Application for Employer Identification Number, to the IRS.

## P.O. Box

If the post office doesn't deliver mail to your street address and you have a P.O. box, show the box number instead of the street address.

## Signature

Form 637 must be signed by a person with authority to bind the applicant.

The authority to bind means the ability to execute agreements that are binding and legally enforceable against the applicant under state law. Form 637 submitted by:

- **An individual or sole proprietorship**—must be signed by that individual;
- **A partnership**—must be signed by any one of the general partners;

- **A limited liability company (LLC)**—must be signed by a person that complies with the federal tax treatment of the LLC; if the LLC is taxed as a partnership, then Form 637 must be signed by a member manager of the LLC; if the LLC is taxed as a corporation, then the rules for corporations must be followed;
- **A corporation**—must be signed by the president, vice-president, treasurer, assistant treasurer, chief accounting officer, or any other officer duly authorized to act for the corporation;
- **A government agency**—must be signed by any person legally authorized to act for the agency;
- **A tax-exempt organization**—must be signed by any person legally authorized to act for the organization; if the organization is a corporation, the rules for corporations must be followed; if the entity is a trust or other type of entity, those rules must be followed; or
- **An estate or trust**—must be signed by a fiduciary or authorized representative.

## Changes in Registration

If an IRS office has issued you a Certificate of Registry or a Letter of Registration that is still in effect for an activity, you don't have to reapply for registration for that activity unless notified to do so. However, see *Reregistration for fuel activities under section 4101*, later. To confirm the status of a registration, visit <https://apps.irs.gov/app/exciseTax/>. To apply for another activity or to cancel a registration, you must contact the IRS office in which you're registered.

Notify the IRS office within 10 days if any information submitted with an application changes. This includes, but isn't limited to, address changes or changes in business activities. A registrant may not sell, lease, or otherwise allow another person to use its registration.

**Reregistration for fuel activities under section 4101.** You must reregister with the IRS if there's a change of more than 50% of the ownership of a registrant. In this instance, a change in ownership means that after a transaction (or series of transactions), more than 50% of the ownership interests in, or assets of, a registrant are held by persons other than persons (or persons related thereto) who held more than 50% of such interests or assets before the transaction (or series of transactions). Reregistration doesn't apply to companies whose stock is regularly traded on an established securities market. If you fail to reregister as required, see *Penalty*, earlier.

To reregister, send a newly completed Form 637 to the address under *Where To Apply*, earlier. On line 1d, enter your current registration number. The IRS will revoke the current registration number and issue a new registration to the new ownership (registrant).

## Additional Registration Information

For registration relating to:

- Taxable fuel, see Regulations section 48.4101-1.
- Taxable chemicals, see sections 4662(c)(2) and 4662(b)(10).
- Exports of ozone-depleting chemicals, see Regulations section 52.4682-5.
- All other articles, see Regulations section 48.4222(a)-1.

See the Instructions for Form 720 for a list of notices providing additional guidance.

**Privacy Act and Paperwork Reduction Act Notice.** We ask for the information on Form 637 to carry out the Internal Revenue laws of the United States. We need it to figure and collect the right amount of tax. Subtitle D of the Internal Revenue Code, Miscellaneous Excise Taxes, imposes certain excise taxes.

Section 4101 requires certain persons to register for excise taxes on fuel, as imposed by sections 4041 and 4081. Sections 4101, 4222, 4662, and 4682 allow certain other manufacturers, sellers, or purchasers to register to be eligible for credits or to be exempt from the excise tax on taxable articles. If you're required to register under section 4101 or if you elect to register for credits and/or exemption, you're required to provide the information requested on this form. Failure to provide this information may subject persons required to register to penalties, and may delay or prevent the processing of a voluntary registration for credits or exemption; providing false information may subject you to penalties. Section 6109 requires you to provide the requested identification numbers.

You're not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law.

Generally, tax returns and return information are confidential, as required by section 6103. However, section 6103 allows or requires the IRS to disclose or give such information to the Department of Justice for civil and criminal litigation; to cities, states, the District of Columbia, and U.S. commonwealths and possessions to administer their tax laws; and to other countries under a tax treaty. We may also disclose this information to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.
