Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and pubs for filing. We incorporate all significant changes to forms posted with this coversheet. However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions are subject to OMB approval before they can be officially released, so we post drafts of them until they are approved. Drafts of instructions and pubs usually have some additional changes before their final release. Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). Also see [IRS.gov/Forms](https://www.irs.gov/Forms).

Most forms and publications have a page on IRS.gov: [IRS.gov/Form1040](https://www.irs.gov/Form1040) for Form 1040; [IRS.gov/Pub501](https://www.irs.gov/Pub501) for Pub. 501; [IRS.gov/W4](https://www.irs.gov/W4) for Form W-4; and [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA) for Schedule A (Form 1040), for example, and similarly for other forms, pubs, and schedules for Form 1040. When typing in a link, type it into the address bar of your browser, not a Search box on IRS.gov.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or pubs at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). Include “NTF” followed by the form or pub number (for example, “NTF1040”, “NTFW4”, “NTF501, etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each “NTF” message. If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Future developments. For the latest information about developments related to Form 8596 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/form8596.

Purpose of form. Section 6050M and Regulations section 1.6050M-1 require certain Federal executive agencies to file a return to report information about persons with whom they have entered into contracts. If you are not filing electronically and you have not made the Federal Procurement Data Center (FPDC) election, explained later, use **Forms 8596 and 8596-A**, Quarterly Transmittal of Information Returns for Federal Contracts, to furnish the required information.

How to file. You may be required to electronically file (e-file) reportable contracts for each quarter of each 1-year period. For information on filing electronically, see Pub. 1516, Specifications for Filing Form 8596, Information Return for Federal Contracts, Electronically. Go to www.irs.gov/inforeturn for e-file options. Also, see part F in the current General Instructions for Certain Information Returns. You may file paper Forms 8596 and 8596-A for fewer than 10 reportable contracts.

The IRS encourages you to file electronically.

When to file. You must file Forms 8596 quarterly. The due dates for each quarter are shown below. Do not file before the end of the quarter.

Quarter	Due Date
January, February, March	April 30
April, May, June	July 31
July, August, September	October 31
October, November, December	January 31

If the regular due date falls on a Saturday, Sunday, or legal holiday, file by the next business day.

Where to file. File Forms 8596 and 8596-A with:

Internal Revenue Service
 ATTN: 8596
 Enterprise Computing Center at Martinsburg (IRS/ECC-MTB)
 230 Murall Drive, PO Box 1359
 Kearneysville, WV 25430

Who must file. The head of every Federal executive agency or his or her delegate must file Forms 8596 and 8596-A to report federal contracts.

Federal executive agency. A Federal executive agency is (a) any executive agency, as defined in 5 U.S.C. 105, other than the Government Accountability Office, (b) any military department, as defined in 5 U.S.C. 102, and (c) the United States Postal Service and the Postal Rate Commission.

Special rules. If a subcontract is entered into by the Small Business Administration (SBA) under a prime contract between the SBA and a procuring agency under section 8(a) of the Small Business Act, the procuring agency, not the SBA, must file Forms 8596 and 8596-A.

A Federal Supply Schedule Contract or an Automated Data Processing Schedule Contract entered into by the General Services Administration (GSA), or a schedule contract entered into by the Department of Veterans Affairs (VA) on behalf of one or more Federal executive agencies, is not to be reported by the GSA or the VA at the time of execution. Rather, when a Federal executive agency, including the GSA or the VA, places an order under a schedule contract, then the Federal executive agency must file Forms 8596 and 8596-A.

FPDC election. In complying with the requirements of the Federal Procurement Data System, if you are required to submit to the FPDC the same contract information that is required by Forms 8596 and 8596-A, you may elect to have the FPDC file Forms 8596 and 8596-A on your behalf for contracts required to be reported to the FPDC. If you make the election, your agency must not file directly with the IRS to report those contracts required to be submitted to the FPDC. However, you must file with the IRS for any contracts that are required to be reported to the IRS but are not required to be submitted to the FPDC.

To make this election, attach to your FPDC submission for the quarter a signed statement that (a) the Director of the FPDC (or his or her delegate) is authorized, in accordance with an election made under 26 CFR 1.6050M-1(d)(5), on the agency's behalf, to make the required returns for that quarter and (b) under penalties of perjury, you have examined the information to be submitted by your agency to the FPDC for use in making those returns and it is certified to be, to the best of your knowledge and belief, a compilation of agency records maintained in the normal course of business for the purpose of providing the information necessary for making true, correct, and complete returns as required by section 6050M.

Contract. A contract is an obligation of a Federal executive agency to pay money or other property to a person in return for the sale of property, the rendering of services, or other consideration. A contract includes a written agreement between the agency and the contractor, an award or notice of award, a job order or task letter issued under a basic ordering agreement, a letter contract, an order that is effective only on written acceptance or performance, or certain increases in the amount obligated.

Increases in contracts. If the amount obligated under a contract is increased by more than \$25,000 in one contract action through the exercise of an option contained in the original contract or under any other contract law rule, then that action is treated as a new contract and must be reported on Form 8596 for the quarter in which the increase occurs.

Exceptions. You need not file Forms 8596 and 8596-A for any:

1. Contract for \$25,000 or less.
2. Contract that provides for all payments to be made within 120 days following the date of the contract action if it is reasonable to expect that all amounts will be paid.
3. License granted by a Federal executive agency.
4. Obligation of a contractor (other than a Federal executive agency) to a subcontractor.
5. Debt instrument of the U.S. Government or a Federal agency, such as a Treasury note, Treasury bond, Treasury bill, U.S. Savings Bond, or similar instrument.
6. Obligation of a Federal executive agency to lend money, lease property to someone, or sell property.
7. Blanket purchase agreement. However, when an order is placed under a blanket purchase agreement, then a contract exists and Forms 8596 and 8596-A must be filed.
8. Contract with a contractor who, in making the agreement, is acting in his or her capacity as an employee of a Federal executive agency; for example, any employment contract under which the employee is paid wages subject to federal income tax withholding.
9. Contract between a Federal executive agency and another Federal Government unit, or any subsidiary agency.
10. Contract with a foreign government or agency or any subsidiary agency.
11. Contract with a state or local government or agency or any subsidiary agency.

12. Contract with a person who is not required to have a taxpayer identification number, such as a nonresident alien, foreign corporation, or foreign partnership any of which does not have income effectively connected with the conduct of a trade or business in the United States and does not have an office or place of business or a fiscal or paying agent in the United States.

13. Confidential or classified contracts that meet the requirements of section 6050M(e).

14. Contract that provides that all payments made after the 120th day after the date of the contract action will be made by someone other than a Federal executive agency or its agent; for example, a contract under which the contractor will collect amounts owed to a Federal executive agency from the agency's debtor and will remit to the agency the money collected minus an amount for the contractor's consideration under the contract.

15. Contract entered into using nonappropriated funds.

Specific Instructions

Box 1. Enter the full name and address of the contractor. If the contractor is a sole proprietor, enter the name of the sole proprietor first, then the business name (if any).

Box 2. Enter the contractor's taxpayer identification number (TIN). For an individual, including a sole proprietor, the TIN is the social security number. For all others, the TIN is the employer identification number (EIN).

Box 3. If the contractor is a member of an affiliated group of corporations that files its federal income tax returns on a consolidated basis, enter the name of the common parent of the affiliated group.

Box 4. If the name of the common parent is entered in box 3, enter the EIN of the common parent.

Boxes 5 and 6. Enter the name and EIN of the Federal executive agency that entered into the contract. If one central office is responsible for filing for the entire agency, use only one name and EIN when filing Forms 8596 and 8596-A.

Box 7. Enter the date of the contract action. If you are reporting an increase in the amount obligated under a contract, enter the date of such increase, not the original contract date.

Box 8. Enter the expected date of completion of the contract. To determine this date, use any reasonable method, such as the expected contract delivery date under the contract schedule.

Box 9. Enter the total amount obligated to the contractor under the terms of the contract.

If you are reporting an increase in the amount obligated under a contract, enter only the amount of the increase.

Boxes 10, 11, 12, and 13. Enter the contract number, agency code, contract office number, and contract modification number, if available. These numbers will help identify the contract if the IRS requests a levy.
