Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms.** We incorporate all significant changes to forms posted with this coversheet. However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions are subject to OMB approval before they can be officially released, so we post drafts of them until they are approved. Drafts of instructions and pubs usually have some additional changes before their final release. Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). Also see [IRS.gov/Forms](https://www.irs.gov/Forms).

Most forms and publications have a page on IRS.gov: [IRS.gov/Form1040](https://www.irs.gov/Form1040) for Form 1040; [IRS.gov/Pub501](https://www.irs.gov/Pub501) for Pub. 501; [IRS.gov/W4](https://www.irs.gov/W4) for Form W-4; and [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA) for Schedule A (Form 1040), for example, and similarly for other forms, pubs, and schedules for Form 1040. When typing in a link, type it into the address bar of your browser, not a Search box on IRS.gov.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or pubs at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). Include “NTF” followed by the form or pub number (for example, “NTF1040”, “NTFW4”, “NTF501”, etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each “NTF” message. If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Purpose of Form

State housing credit agencies use Schedule A (Form 8610) to report carryover allocations. Only one Schedule A (Form 8610) should be filed for each project that receives a carryover allocation in the same calendar year.

Major Disaster Declarations

If a housing credit agency has granted any project relief for carryover allocations discussed in section 6 of Rev. Proc. 2014-49, 2014-37 I.R.B. 535, the agency must attach to Form 8610 a copy of the Schedule A (Form 8610) for the projects for which it has approved relief. These attached copies of Schedule A (Form 8610) must have the box checked that indicates the housing credit agency granted carryover allocation relief under Rev. Proc. 2014-49. The amended carryover allocation box should not be checked when submitting a Schedule A (Form 8610) for relief under Rev. Proc. 2014-49. The housing credit agency should only include Schedules A (Form 8610) for projects receiving approval of the carryover allocation relief since the agency last filed Form 8610. The information from these particular Schedules A (Form 8610) is not included on any line in Part I or Part II of Form 8610.

Specific Instructions

Line 4

Enter the date of allocation. This is the date the authorized official of the state housing agency signs and dates the carryover allocation document. The date of allocation should correspond to the year of the Form 8610.

Line 5

Enter the amount of carryover allocation. If you checked the "building based" box on line 3a, enter the amount of credit allocated to the building under section 42(h)(1)(E). If you checked the "project based" box on line 3a, enter the amount of credit allocated to all the buildings in the project under section 42(h)(1)(F).

Lines 6a, 6b, and 6c

Complete these lines only if both of the following apply.

- There is a binding agreement between the housing credit agency and the building owner for a specific housing credit dollar amount.
- An election is made to use an applicable percentage for a month other than the month in which the property is placed in service.

See Regulations sections 1.42-6 and 1.42-8 for requirements that must be met.

The applicable percentage cannot be less than 9% for any building that (1) is not federally subsidized, and (2) is placed in service after July 30, 2008. See section 42(b)(2) and Notice 2008-106, 2008-49 I.R.B. 1239.

The applicable percentage cannot be less than 4% for any new or existing federally subsidized building that is placed in service by the taxpayer after December 31, 2020. For the minimum 4% rate to apply, a building must also receive an allocation of housing credit dollar amount after December 31, 2020, or have a portion of the building financed with an obligation described in section 42(h)(4)(A) that is issued after December 31, 2020. See section 42(b)(3) and section 201(b) of the Taxpayer Certainty and Disaster Tax Relief Act of 2020 (Division EE of P.L. 116-260), and also Rev. Rul. 2021-20, 2021-51 I.R.B. 875, and Rev. Proc. 2021-43, 2021-51 I.R.B. 882.
