

Caution: *DRAFT—NOT FOR FILING*

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information as a courtesy. **Do not file draft forms.** Also, do **not** rely on draft forms, instructions, and publications for filing. We generally do not release drafts of forms until we believe we have incorporated all changes. However, unexpected issues sometimes arise, or legislation is passed, necessitating a change to a draft form. In addition, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have at least some changes before being officially released.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms), and may remain there even after the final release is posted at [IRS.gov/DownloadForms](https://www.irs.gov/DownloadForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication also has its own page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Publication 17 page is at [IRS.gov/Pub17](https://www.irs.gov/Pub17); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not in a Search box. Note that these are friendly shortcut links that will automatically go to the actual link for the page.

If you wish, you can submit comments about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

Purpose of Form

Eligible small businesses use Form 8826 to claim the disabled access credit. This credit is part of the general business credit.

Taxpayers, other than partnerships or S corporations, whose only source of this credit is from those pass-through entities, are not required to complete or file this form. Instead, they can report this credit directly on Form 3800.

Definitions

Eligible Small Business

For purposes of the credit, an eligible small business is any business or person that:

- Had gross receipts (including that of any predecessor) for the preceding tax year that did not exceed \$1 million **or** had no more than 30 full-time employees during the preceding tax year, and
- Elects (by filing Form 8826) to claim the disabled access credit for the tax year.

For purposes of the definition:

- Gross receipts are reduced by returns and allowances made during the tax year,
- An employee is considered full time if employed at least 30 hours per week for 20 or more calendar weeks in the tax year, and
- All members of the same controlled group and all persons under common control generally are considered to be one person—see section 44(d)(2).

Eligible Access Expenditures

For purposes of the credit, these expenditures are amounts paid or incurred by the eligible small business to comply with applicable requirements under the Americans With Disabilities Act of 1990 (Public Law 101-336) as in effect on November 5, 1990.

Eligible access expenditures include amounts paid or incurred:

1. To remove barriers that prevent a business from being accessible to or usable by individuals with disabilities;
2. To provide qualified interpreters or other methods of making audio materials available to hearing-impaired individuals;
3. To provide qualified readers, taped texts, and other methods of making visual materials available to individuals with visual impairments; or
4. To acquire or modify equipment or devices for individuals with disabilities.

The expenditures must be reasonable and necessary to accomplish the above purposes.

Eligible expenditures do not include expenditures in 1 above that are paid or incurred in connection with any facility first placed in service after November 5, 1990.

Eligible access expenditures must meet those standards issued by the Secretary of the Treasury as agreed to by the Architectural and Transportation Barriers Compliance Board and set forth in regulations. See section 44(c) for other details.

Disability. For an individual, this means:

- A physical or mental impairment that substantially limits one or more major life activities,
- A record of such an impairment, or
- Being regarded as having such an impairment.

Member of Controlled Group or Business Under Common Control

For purposes of figuring the credit, all members of a controlled group of corporations (as defined in section 52(a)) and all members of a group of businesses under common control (as defined in section 52(b)), are treated as a single taxpayer. As a member, compute your credit based on your proportionate share of eligible access expenditures giving rise to the group's disabled access credit. Enter your share of the credit on line 6. Attach a statement showing how your share of the credit was figured, and write "See attached" next to the entry space for line 6.

Specific Instructions

Line 1

Enter total eligible access expenditures paid or incurred during the tax year. See *Eligible Access Expenditures*, earlier.

Line 6

Denial of double benefit. To the extent of the credit shown on line 6, the eligible access expenditures may not be claimed as a deduction in figuring taxable income, capitalized, or used in figuring any other credit.
