Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Future Developments

For the latest information about developments related to Form 8906 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form8906.

Purpose of Form

Use Form 8906 to claim the distilled spirits credit. The credit is part of the general business credit.

Partnerships and S corporations must file this form to claim the credit. All other taxpayers are not required to complete or file this form if their only source for this credit is a partnership or S corporation. Instead, they can report this credit directly on line 1n in Part III of Form 3800, General Business Credit.

How To Figure the Credit

Generally, the credit for the tax year is figured by multiplying the number of cases of bottled distilled spirits purchased or stored during the tax year by the average tax-financing cost per case for the most recent calendar year ending before the beginning of the tax year. See the instructions for line 1 below.

Specific Instructions

Line 1

If you are an eligible wholesaler, enter the number of cases of distilled spirits that were bottled in the United States and purchased by you during the tax year directly from the bottler of the spirits. An eligible wholesaler is any person who holds a permit under the Federal Alcohol Administration Act as a wholesaler of distilled spirits and is not a state or political subdivision thereof, or an agency of either.

If you are not an eligible wholesaler, but you are subject to section 5005, enter the number of cases of bottled distilled spirits which are stored in a warehouse operated by, or on behalf of, a state or any political subdivision thereof, or an agency of either, and for which title has not passed on an unconditional sale basis.

For purposes of this line, a case consists of twelve 80-proof 750-milliliter bottles. For any lot of distilled spirits that does not consist of cases of 80-proof 750-milliliter bottles, figure the number of cases in the lot as follows.

1. Divide the number of liters in the lot by 9.
2. Multiply the result by a fraction, the numerator of which is the stated proof of the lot and the denominator of which is 80.
3. The result is the number of cases in the lot.

Example. You purchased a lot of ninety 500-milliliter bottles of 150-proof rum. The number of liters in the lot is 45 (0.5 liters x 90). Divide 45 by 9 and the result is 5. Multiply 5 by 150/80 (1.875). The result is 9.375, which is the number of cases in the lot.

Line 4

Enter total distilled spirits credits from:

- Schedule K-1 (Form 1065), Partner's Share of Income, Deductions, Credits, etc., box 15 (code P); and
- Schedule K-1 (Form 1120-S), Shareholder's Share of Income, Deductions, Credits, etc., box 13 (code P).

Partnerships and S corporations report the above credits on line 4. All other filers figuring a separate credit on earlier lines also report the above credits on line 4. All others not using earlier lines to figure a separate credit can report the above credits directly on Form 3800, Part III, line 1n.
