Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Enter the calendar year of the return you're correcting:

(YYYY)

Enter the date you discovered errors:

(MM / DD / YYYY)

Read the separate instructions before completing this form. Use this form to correct errors made on Form CT-1, Employer's Annual Railroad Retirement Tax Return. Use a separate Form CT-1 X for each year that needs correction. Type or print within the boxes. You MUST complete all four pages. Don't attach this form to Form CT-1 unless you're reclassifying workers; see the instructions for line 34.

Part 1: Select ONLY one process. See page 5 for additional guidance.

- 1. Adjusted railroad retirement tax return.** Check this box if you underreported amounts. Also check this box if you overreported amounts and you would like to use the adjustment process to correct the errors. You must check this box if you're correcting both underreported and overreported amounts on this form. The amount shown on line 26, if less than zero, may only be applied as a credit to your Form CT-1 for the tax period in which you're filing this form.
- 2. Claim.** Check this box if you overreported amounts only and you would like to use the claim process to ask for a refund or abatement of the amount shown on line 26. Don't check this box if you're correcting ANY underreported amounts on this form.

Part 2: Complete the certifications.

- 3. I certify that I've filed or will file Forms W-2, Wage and Tax Statement, or Forms W-2c, Corrected Wage and Tax Statement, as required.**
- Note:** If you're correcting underreported amounts only, go to Part 3 on page 2 and skip lines 4 and 5. If you're correcting overreported amounts, for purposes of the certifications on lines 4 and 5, Employee Railroad Retirement Tax Act (RRTA) taxes consist of Tier 1 Employee tax, Tier 1 Employee Medicare tax, and Tier 2 Employee tax. Employer RRTA taxes consist of Tier 1 Employer tax, Tier 1 Employer Medicare tax, and Tier 2 Employer tax. Form CT-1 X can't be used to correct overreported amounts of Tier 1 Employee Additional Medicare Tax unless the amounts weren't withheld from employee compensation.
- 4. If you checked line 1 because you're adjusting overreported amounts, check all that apply.** You must check at least one box.
- I certify that:
- a.** I repaid or reimbursed each affected employee for the overcollected RRTA taxes for prior years. I have a written statement from each affected employee stating that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- b.** The adjustments are only for Employer RRTA taxes. I couldn't find the affected employees or each affected employee didn't give me a written statement that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- c.** The adjustment is for RRTA taxes and/or Tier 1 Employee Additional Medicare Tax that I didn't withhold from employee compensation.
- 5. If you checked line 2 because you're claiming a refund or abatement of overreported RRTA taxes, check all that apply.** You must check at least one box.
- I certify that:
- a.** I repaid or reimbursed each affected employee for the overcollected Employee RRTA taxes for prior years. I have a written statement from each affected employee stating that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.

I also have a written statement from each affected employee stating that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
- c.** The claim is for Employer RRTA taxes only. I couldn't find the affected employees; each affected employee didn't give me a written consent to file a claim for Employee RRTA taxes; or each affected employee didn't give me a written statement that he or she hasn't claimed (or the claim was rejected) and won't claim a refund or credit for the overcollection.
