

This information is being posted to inform the public that due to the newly redesigned 2018 IRS Form 1040, U.S. Individual Income Tax Return, posted on [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) on June 29, 2018, the IRS is not developing Forms 1040A and 1040EZ for the 2018 tax year. All filers will use the new Form 1040. You may comment to the IRS about this change (see below).

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms), and may remain there even after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). Note that you cannot navigate to the draft forms page from [IRS.gov](https://www.irs.gov) and the draft page content is excluded from search results made on [IRS.gov](https://www.irs.gov). All information about forms, instructions, and publications is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Also, note that almost every form and publication also has its own page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Form 1040A page is at [IRS.gov/Form1040A](https://www.irs.gov/Form1040A); the Form 1040EZ page is at [IRS.gov/Form1040EZ](https://www.irs.gov/Form1040EZ); a Form W-8BEN-E page is at [IRS.gov/W8BENE](https://www.irs.gov/W8BENE); the Publication 17 page is at [IRS.gov/Pub17](https://www.irs.gov/Pub17); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link instead of clicking on it, be sure to type the link into the address bar of your browser, not in a Search box. Note that these are friendly shortcut links that will automatically redirect to the actual link for the page.

If you wish, you can submit comments about the draft Form 1040 and its impact on Form 1040A or Form 1040EZ to [WI.1040.Comments@IRS.gov](mailto:WI.1040.Comments@IRS.gov). We cannot respond to all comments due to the high volume we receive. Please note that we may not be able to consider some suggestions until the subsequent revision due to lead time requirements necessary to implement certain changes.
