Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Specific Instructions

Who Must File

The appropriate official of a government or governmental entity (including a nongovernmental entity treated as a governmental entity) must file Form 1098-F, Fines, Penalties, and Other Amounts. The Form 1098-F reports the amount required to be paid pursuant to a suit, court

order (order), or agreement with respect to any violation of a law or the investigation or inquiry into the potential violation of a law, if the aggregate amount involved in all suits, orders, or agreements equals or exceeds an amount determined by the Secretary ("threshold amount"). The amount required to be paid includes costs to provide services or to provide property. A separate Form 1098-F must be filed with respect to each payer that is a party to the suit, order, or agreement.

Statements to be furnished to payers. If you are required to file Form 1098-F, you must provide a statement to the payer. For more information about the requirement to furnish a statement to the payer, see part M in the current General Instructions for Certain Information Returns.

Truncating payer's TIN on statements to payers.

Pursuant to Regulations section 301.6109-4, all filers of this form may truncate a payer's TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)) on statements to payers. Truncation is not allowed on any documents the filer files with the IRS. A filer's TIN may not be truncated on any form. See part J in the current General Instructions for Certain Information Returns.

Box 1. Total Amount To Be Paid Pursuant to the Suit, Order, or Agreement

If the aggregate amount required to be paid pursuant to a suit, order, or agreement to, or at the direction of, a government or governmental entity for the violation of a law, or for the investigation or inquiry into the potential violation of a law, equals or exceeds \$50,000, enter the total amount required to be paid pursuant to the suit, order, or agreement. This rule applies regardless of whether any separate amount required to be paid pursuant to a suit, order, or agreement is less than the threshold amount. This rule also applies if the aggregate amount of all suits, orders, or agreements relating to the same violation, investigation, or inquiry equals or exceeds the threshold amount.

Payment amount not identified. If the suit, order, or agreement does not identify some or all of the total amount to be paid for the violation of a law or the investigation, or inquiry into the potential violation of a law, and the government or governmental entity reasonably expects the aggregate amount of the payment pursuant to

the suit, order, or agreement to equal or exceed \$50,000, enter \$50,000. Enter code E in box 9.

Multiple payers. If, under the suit, order, or agreement, the aggregate amount to be paid by multiple payers for the violation of a law or the investigation or inquiry into the potential violation of a law equals or exceeds \$50,000, enter this payer's individual and joint and several payment liability. If some or all of the amount to be paid as restitution or remediation is not identified, leave box 3 blank and enter code E in box 9.

Box 4. Compliance Amount

Enter the amount required to be paid (or costs to provide property or to provide services), as a result of the suit, order, or agreement, for the purpose of coming into compliance with a law. Box 8. Case Name or Names of Parties to Suit, Order, or Agreement

Enter the case name or names of parties to suit, order, or agreement.

Box 9. Code

Enter one or more of the following codes. Read the code descriptions carefully to ensure you choose the correct one(s).

A—Multiple payments. Use code A if the payer has made or is obligated to make multiple payments to satisfy the total payment required by the suit, order, or agreement.

B—Multiple payers. Use code B if multiple payers have a payment obligation pursuant to the suit, order, or agreement.

C—Multiple payees. Use code C if there are multiple payees pursuant to the suit, order, or agreement.

D—Provision of services or provision of property required. Use code D if the suit, order, or agreement requires the payer to provide services or to provide property.

E—Payment amount not identified. Use code E if the suit, order, or agreement does not identify some or all of the amount required to be paid for the violation, investigation, or inquiry, or if it identifies a payment as restitution, remediation, or an amount paid to come into compliance with a law but does not identify some or all of the aggregate amount the payer must pay. In addition, use code E if the suit, order, or agreement does not identify some or all of the amount to be paid to provide property or to provide services.
