Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and pubs for filing. We incorporate all significant changes to forms posted with this coversheet. However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions are subject to OMB approval before they can be officially released, so we post drafts of them until they are approved. Drafts of instructions and pubs usually have some additional changes before their final release. Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). Also see [IRS.gov/Forms](https://www.irs.gov/Forms).

Most forms and publications have a page on IRS.gov: [IRS.gov/Form1040](https://www.irs.gov/Form1040) for Form 1040; [IRS.gov/Pub501](https://www.irs.gov/Pub501) for Pub. 501; [IRS.gov/W4](https://www.irs.gov/W4) for Form W-4; and [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA) for Schedule A (Form 1040), for example, and similarly for other forms, pubs, and schedules for Form 1040. When typing in a link, type it into the address bar of your browser, not a Search box on IRS.gov.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or pubs at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). Include “NTF” followed by the form or pub number (for example, “NTF1040”, “NTFW4”, “NTF501, etc.) in the body of the message to route your message properly. We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product, but we will review each “NTF” message. If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Definitions

Mass submitter. As set forth in Rev. Proc. 2023-37, 2023-51 I.R.B. 1491, available at [IRS.gov/pub/irs-irbs/irb23-51.pdf](https://www.irs.gov/pub/irs-irbs/irb23-51.pdf), a mass submitter is any person that (1) has an established place of business in the United States where it is accessible during every business day, and (2) submits applications on behalf of at least 15 unaffiliated providers each of which is sponsoring, on a word-for-word identical basis, the same plan. A mass submitter is treated as a mass submitter with respect to all of its plans, provided the 15 unaffiliated provider requirement is met with respect to at least one plan.

Affiliation is determined under sections 414(b) and (c). Additionally, any law firm, accounting firm, consulting firm, etc., is considered to be affiliated with its partners, members, associates, etc.

For purposes of determining whether 15 unaffiliated providers sponsor on a word-for-word identical basis the same plan document, the mass submitter is treated as an unaffiliated provider if the mass submitter is also a provider.

Provider. A provider is any person (including a mass submitter, if applicable) that (1) has an established place of business in the United States where it is accessible during every business day, and (2) represents to the IRS that it has at least 15 employer-clients, each of which is reasonably expected to adopt one of the pre-approved plans of the provider.

A provider also includes any person that (1) has an established place of business in the United States where it is accessible during every business day and (2) offers a plan as a word-for-word identical adopter or minor modifier adopter of a plan of a mass submitter, regardless of the number of employers that are expected to adopt the plan.

Specific Instructions

Line 2a. Enter the name and address of the applicant. If the post office doesn't deliver mail to the street address and the applicant has a P.O. box number, show the box number instead of the street address.

Line 3a. The person to contact must be an employee or an authorized representative of the mass submitter. If the person to be contacted is other than an employee of the applicant, please enclose an authorized power of attorney. See *Disclosure requested by taxpayer*, earlier.

Line 4a. Enter the two-digit number you have assigned to your single document plan or basic plan document that accompanies the adoption agreement for which you are requesting approval. If multiple adoption agreements are linked to the same basic plan document, the same two-digit basic plan document number should be used for all applications.

Line 4b. Enter the three-digit number you have assigned to the adoption agreement, if applicable, for which this application is submitted. Each different adoption agreement designed to accompany a single basic plan document should be given a different three-digit number beginning with "001." For example, if the first basic plan document of a provider has four separate adoption agreements, they should be numbered "001" through "004" and the mass submitter should submit four separate Forms 4461-B. Adoption agreements submitted with the second or any subsequent basic plan documents (that aren't word-for-word identical to a previously submitted basic plan document) should be similarly numbered beginning with "001."

Line 5. In the case of a provider adopting a plan (including a flexible plan) that is word-for-word identical to a plan of the mass submitter, a copy of the plan doesn't have to be submitted. If the plan includes minor modifications to the mass submitter's plan, the mass submitter should submit Form 4461-B as a "placeholder." When the mass submitter receives notification from the IRS that the IRS has determined that the lead plan appears to be in full compliance with the applicable qualification requirements, it must submit a copy of the mass submitter's plan with minor modifications underlined in red, or otherwise highlighted, as well as a statement indicating the location and effect of each change. This must be filed within 21 days of the mass submitter's receipt of the notification regarding their lead plan.

Line 7. If this application is simultaneously filed with the mass submitter's application or filed before the information

under line 7 is available, enter on the "File folder number" line the basic plan document number and adoption agreement number or the single document plan number of the mass submitter's plan on which this plan is based. Don't complete the rest of line 7.
