Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Online fillable form. Due to the very low volume of paper Forms 5498-ESA received and processed by the IRS each year, this form has been converted to an online fillable format. You may fill out the form, found online at [IRS.gov/Form5498ESA](https://www.irs.gov/Form5498ESA), and send Copy B to the recipient. For filing with the IRS, follow the applicable procedures if you are required to file electronically, or, **for this form only**, if you are qualified to file on paper, send in the black-and-white Copy A with Form 1096 that you print from the IRS website.

Specific Instructions

File Form 5498-ESA, Coverdell ESA Contribution Information, with the IRS for each person for whom you maintained any Coverdell education savings account (ESA) during 2021.

A Coverdell ESA is a trust or custodial account created or organized in the United States exclusively for the purpose of paying the qualified education expenses of an individual who is the designated beneficiary of the trust or custodial account. The account must be designated as a Coverdell ESA at the time it is created or organized in order to be treated as a Coverdell ESA for tax purposes. The governing instrument creating the trust must meet the requirements of section 530(b)(1).

Contributions. You must report contributions, including rollover contributions, to any Coverdell ESA on Form 5498-ESA. See the instructions under [Box 1](#) and [Box 2](#), later. If no reportable contributions were made for 2021, no return is required.

For contributions made between January 1, 2021, and April 18, 2022, trustees and issuers should obtain the participant's designation of the year for which the contributions are made.

Rollovers and transfers. Report on Form 5498-ESA all rollovers, including a direct trustee-to-trustee transfer from one Coverdell ESA to another Coverdell ESA. A rollover can be made from certain U.S. Savings Bonds or another Coverdell ESA. The contribution of a military death gratuity to a Coverdell ESA is a rollover contribution. Any amount distributed from a Coverdell ESA may be rolled over to another Coverdell ESA and is not taxable if it is paid no later than the 60th day after the date of such payment or distribution into another Coverdell education savings account, for the benefit of the same beneficiary or a member of the beneficiary's family who has not attained age 30 as of such date. The preceding sentence shall not apply to any payment or distribution if it applied to any prior payment or distribution during the 12-month period ending on the date of the payment or distribution.

Family member. Family members of the designated beneficiary include the beneficiary's spouse. Also included are the beneficiary's children, stepchildren, foster children, and their descendants; siblings and their children; parents, their siblings, and ancestors; stepparents; in-laws; the spouse of any of the foregoing; and any first cousin of the designated beneficiary.

Total distribution, no contributions. Generally, if a total distribution was made from an account during the year and no contributions (including rollovers) were made for that year, you do not need to file Form 5498-ESA.

Distributions. Report distributions from any Coverdell ESA on Form 1099-Q, Payments From Qualified Education Programs (Under Sections 529 and 530). Any change in the beneficiary of the Coverdell ESA is not treated as a distribution if the new beneficiary is a [family member](#) (see above) of the prior beneficiary and has not reached the age of 30 (except for a beneficiary with special needs).

Statements to participants. If you are required to file Form 5498-ESA, you must furnish a statement to the beneficiary (participant) by May 2, 2022.

For more information about the requirement to furnish statements to participants, see part M in the 2021 General Instructions for Certain Information Returns.

Truncating beneficiary's TIN on payee statements.

Pursuant to Regulations section 301.6109-4, all filers of this form may truncate a beneficiary's TIN (social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN)) on payee statements. Truncation is not allowed on any documents the filer files with the IRS. A trustee's or issuer's TIN may not be truncated on any form. See part J in the 2021 General Instructions for Certain Information Returns.

Account number. The account number is required if you have multiple accounts for a recipient for whom you are filing more than one Form 5498-ESA. Additionally, the IRS encourages you to designate an account number for all Forms 5498-ESA that you file. See part L in the 2021 General Instructions for Certain Information Returns.

Box 1. Contributions (Other Than Amounts in Box 2)

Enter contributions to a Coverdell ESA made from January 1, 2021, through April 18, 2022, designated for 2021.

Do not include rollovers in box 1. Report rollovers in box 2.

Box 2. Rollover Contributions

Enter any rollover contributions (including a military death gratuity and trustee-to-trustee transfer) to this Coverdell ESA received by you during 2021 (see [Rollovers and Transfers](#), earlier).
