

Caution: *DRAFT—NOT FOR FILING*

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information as a courtesy. **Do not file draft forms.** Also, do not rely on draft instructions and publications for filing. We generally do not release drafts of forms until we believe we have incorporated all changes. However, unexpected issues sometimes arise, or legislation is passed, necessitating a change to a draft form. In addition, forms generally are subject to OMB approval before they can be officially released. Drafts of instructions and publications usually have at least some changes before being officially released.

Early releases of draft forms and instructions are at [IRS.gov/draftforms](https://www.irs.gov/draftforms). Please note that drafts may remain on IRS.gov even after the final release is posted at [IRS.gov/downloadforms](https://www.irs.gov/downloadforms), and thus may not be removed until there is a new draft for the subsequent revision. All information about all revisions of all forms, instructions, and publications is at [IRS.gov/formspubs](https://www.irs.gov/formspubs).

Almost every form and publication also has its own easily accessible information page on IRS.gov. For example, the Form 1040 page is at [IRS.gov/form1040](https://www.irs.gov/form1040); the Form W-2 page is at [IRS.gov/w2](https://www.irs.gov/w2); the Publication 17 page is at [IRS.gov/pub17](https://www.irs.gov/pub17); the Form W-4 page is at [IRS.gov/w4](https://www.irs.gov/w4); the Form 8863 page is at [IRS.gov/form8863](https://www.irs.gov/form8863); and the Schedule A (Form 1040) page is at [IRS.gov/schedulea](https://www.irs.gov/schedulea). If typing in the links above instead of clicking on them: type the link into the address bar of your browser, not in a Search box; the text after the slash must be lowercase; and your browser may require the link to begin with “www.”. Note that these are shortcut links that will automatically go to the actual link for the page.

If you wish, you can submit comments about draft or final forms, instructions, or publications on the [Comment on Tax Forms and Publications](#) page on IRS.gov. We cannot respond to all comments due to the high volume we receive, but we will carefully consider each one. Please note that we may not be able to consider many suggestions until the subsequent revision of the product.

Instructions for Form 8809-I (November 2015)

Department of the Treasury
Internal Revenue Service

Application for Extension of Time To File FATCA Form 8966

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form 8809-I and its instructions, such as legislation enacted after they were published, go to www.irs.gov/form8809j.

General Instructions

Purpose of Form

Use Form 8809-I to request an initial or additional extension of time to file Form 8966 for the current tax year.

Who Should File

Filers who need more time to file Form 8966 with the IRS should file Form 8809-I before the due date of Form 8966. See *When To File*, later. Submit a separate request for each filer that is requesting an extension of time to file. Under the terms of their applicable intergovernmental agreements (IGAs), reporting Model 2 Foreign Financial Institutions (FFI) aren't entitled to an extension of time for aggregate reporting on non-consenting U.S. accounts or non-consenting nonparticipating FFIs. Entities that are located in a Model 1 jurisdiction and reporting on behalf of themselves (or any entities that are reporting on behalf of another entity that is located in a Model 1 jurisdiction) may not request an additional extension of time to file Form 8966 from the IRS because they must report directly to the Model 1 jurisdiction's tax authority.

Where To File

Mail a paper Form 8809-I to:

Internal Revenue Service
FATCA, Stop 6052 AUSC
3651 South IH 35
Austin, TX 78741

When To File

File Form 8809-I as soon as you know an extension of time to file is necessary, but not before January 1 of the filing year. Form 8809-I must be filed by the due date of Form 8966. The due date for filing Form 8966 is March 31 of the year following the year to which the Form 8966 relates, unless you are an FFI reporting under a Model 2 IGA (reporting Model 2 FFI) with a different reporting date specified in the applicable Model 2 IGA. If you are

requesting an additional hardship extension, Form 8809-I must be filed by the first extended due date of Form 8966.

Note. Don't send a copy of Form 8809-I or any letters with Form 8966.

Extension Period

The automatic extension of time to file Form 8966 is 90 days from the original due date.

Hardship exception. The IRS may grant an additional 90-day extension of time to file Form 8966 under the hardship exception. Requests for an additional extension of time to file Form 8966 aren't automatically granted. Generally, requests for additional time are granted only where it is shown that extenuating circumstances prevented filing by the date granted by the first request. See Regulation Section 1.1471-4(d)(3)(vii). An example of an extenuating circumstance is if the filer is located in a Presidentially declared disaster area and is unable to resume business operations or whose business records are unavailable due to the disaster. After evaluating your hardship request, the IRS will notify you as to whether your request is approved or denied.

Penalty

Filers may be subject to a late filing penalty if Form 8966 is filed late and you haven't applied for and received an approved extension of time to file.

Specific Instructions

For definitions of terms used in these instructions, see the Instructions for Form 8966.

Lines 1 through 3c. Enter the filer's name and complete mailing address, including country and postal code. Use the name and address where you want correspondence sent. If the filer's post office doesn't deliver mail to a street address and the filer has a post office box, enter the filer's post office box number instead of the filer's street address.

A Direct Reporting NFFE and a Sponsoring Entity or trustee that has agreed to assume the reporting obligations of a Sponsored FFI, Sponsored Direct Reporting NFFE, or Trustee-Documented Trust, as applicable, must complete lines 1 through 3c.

Sponsored FFIs, Sponsored Direct Reporting NFFEs, and Trustee-Documented Trusts must complete lines 7 through 11.

Line 4. If the filer has a Global Intermediary Identification Number (GIIN), enter it on line 4. A Sponsoring Entity or trustee filing on behalf of a Sponsored FFI, Sponsored Direct Reporting NFFE, or Trustee-Documented Trust, as applicable, should enter the GIIN it received when it registered as a Sponsoring Entity or trustee, not a

separate GIIN (if any) it received when it registered as a PFFI or RDCFFI. A Sponsoring Entity or trustee filing on its own behalf should enter the GIIN it received when it registered as a PFFI or RDCFFI.

Line 5. If the filer has a U.S. taxpayer identification number (TIN), enter it on line 5. The filer isn't required to obtain a TIN in order to file Form 8809-I if a TIN hasn't been issued.

Lines 6a through 6c. Enter the name, telephone number, and email address of someone familiar with your Form 8809-I who the IRS can contact if additional information is required.

Lines 7 through 11. Complete lines 7 through 11 if the filer is a Sponsoring Entity or a trustee of a Trustee-Documented Trust. If the filer is requesting an extension for more than one Sponsored Entity or Trustee-Documented Trust, please list the information required on lines 7 through 11 for each additional entity in an attachment.

Lines 7 through 9c. Follow the instructions for lines 1 through 3c to provide the information required on lines 7 through 9c. Enter the name and mailing address, including country and postal code, of the Sponsored FFI, Sponsored Direct Reporting NFFE, or Trustee-Documented Trust.

Line 10. If the entity reported on line 7 is a Sponsored FFI, Sponsored Direct Reporting NFFE, or a Trustee-Documented Trust, enter the GIIN on line 10.

Line 11. If the entity shown on line 7 has been issued a TIN, enter it on line 11.

Line 12. Check your method of filing Form 8966. File a separate Form 8809-I for each method.

Line 13. Check this box only if you have already received the automatic 90-day extension and you need an additional extension for the same year for the same Form 8809-I. See *Hardship exception under Extension Period*, earlier. Don't check this box unless you requested an original extension. If you check this box, be sure to complete line 14.

Line 14. If you checked the box on line 13, state in detail why you need an additional extension of time. You must provide sufficient cause as to why you weren't able to file by the date granted by the first extension request. See *Hardship exception under Extension Period*, earlier. If you need more space, attach additional sheets. Include the filer's name, TIN, and GIIN on each additional page.

Signature. No signature is required for the automatic 90-day extension. For an additional extension, Form 8809-I must be signed by the filer or a person who is duly

authorized to sign a return or other document on its behalf.
