Caution: DRAFT—NOT FOR FILING

This is an early release draft of an IRS tax form, instructions, or publication, which the IRS is providing for your information. **Do not file draft forms** and do **not** rely on draft forms, instructions, and publications for filing. We do **not** release draft forms until we believe we have incorporated all changes (except when explicitly stated on this coversheet). However, unexpected issues occasionally arise, or legislation is passed—in this case, we will post a new draft of the form to alert users that changes were made to the previously posted draft. Thus, there are never any changes to the last posted draft of a form and the final revision of the form. Forms and instructions generally are subject to OMB approval before they can be officially released, so we post only drafts of them until they are approved. Drafts of instructions and publications usually have some changes before their final release.

Early release drafts are at [IRS.gov/DraftForms](https://www.irs.gov/DraftForms) and remain there after the final release is posted at [IRS.gov/LatestForms](https://www.irs.gov/LatestForms). All information about all forms, instructions, and pubs is at [IRS.gov/Forms](https://www.irs.gov/Forms).

Almost every form and publication has a page on IRS.gov with a friendly shortcut. For example, the Form 1040 page is at [IRS.gov/Form1040](https://www.irs.gov/Form1040); the Pub. 501 page is at [IRS.gov/Pub501](https://www.irs.gov/Pub501); the Form W-4 page is at [IRS.gov/W4](https://www.irs.gov/W4); and the Schedule A (Form 1040/SR) page is at [IRS.gov/ScheduleA](https://www.irs.gov/ScheduleA). If typing in a link above instead of clicking on it, be sure to type the link into the address bar of your browser, not a Search box.

If you wish, you can submit comments to the IRS about draft or final forms, instructions, or publications at [IRS.gov/FormsComments](https://www.irs.gov/FormsComments). We cannot respond to all comments due to the high volume we receive and may not be able to consider many suggestions until the subsequent revision of the product.

If you have comments on reducing paperwork and respondent (filer) burden, with respect to draft or final forms, please respond to the relevant information collection through the Federal Register process; for more info, click [here](#).

Future Developments

For the latest information about developments related to Form 8986 and its instructions, such as legislation enacted after they were published, go to [IRS.gov/Form8986](https://www.irs.gov/Form8986).

What's New

The Bipartisan Budget Act of 2015 (BBA) created a centralized partnership audit regime which replaced the partnership audit procedures under the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA). Form 8986 was created for partnerships to show each partner's share of adjustments to partnership-related items as a result of a BBA audit or BBA administrative adjustment request (AAR).

Purpose of Form

Form 8986 is used by BBA partnerships to furnish and transmit each partner's share

of adjustments to partnership-related items.

Definitions

AAR partnership is a BBA partnership (see below) which has filed an administrative adjustment request (AAR) under section 6227. For purposes of these instructions, AAR filers should assume that the term "audited partnership" includes AAR partnerships.

AAR partnership's adjustment year is the partnership tax year that includes the year the AAR was filed with the IRS.

Affected partner is a partner that held an interest in the pass-through partner entity at any time during the tax year of the pass-through partner to which the adjustments in the statement relate.

Audited partnership, for purposes of Form 8986, is a BBA partnership that made the election under section 6226 to have its partners report their share of adjustments to partnership-related items.

Audited partnership's adjustment year is the year that includes the date the court decision became final, if the partnership petitioned tax court. Otherwise, it is the year that includes the date the final partnership adjustment (FPA) letter was mailed, or the FPA waiver was executed by the IRS.

BBA AAR is an administrative adjustment request filed by a BBA partnership.

BBA partnership is a partnership that is subject to the centralized partnership audit regime that was enacted into law by section 1101 of the Bipartisan Budget Act of 2015.

Designated individual (DI) is the individual through whom an entity partnership representative acts.

Extended due date of the AAR partnership's adjustment year return

is, for purposes of Form 8986, the extended due date of the AAR partnership's adjustment year return regardless of whether the partnership is required to file a return for the adjustment year or timely filed a request for an extension.

Extended due date of the audited partnership's adjustment year return

is, for purposes of Form 8986, the extended due date of the audited partnership's adjustment year return regardless of whether the partnership is required to file a return for the adjustment year or timely filed a request for an extension.

Finally determined. The partnership adjustment(s) become finally determined upon the later of the expiration of the time to file a petition under section 6234 or, if a petition is filed under section 6234, the date when the court's decision becomes final.

First affected year is the partner's tax year that includes the end of the audited partnership's reviewed year(s). Each reviewed year of an audited partnership should have a corresponding first affected year for each partner.

Imputed underpayment (IU) is the amount determined under sections 6225, 6226, and 6227, and the regulations thereunder.

Partnership representative (PR) is the person designated by the partnership or by the IRS under section 6223 and the regulations thereunder to act on behalf of the audited partnership.

Pass-through partner is a pass-through entity that holds an interest, either directly or indirectly, in a partnership. Pass-through entities include partnerships, S corporations, trusts, and decedents' estates. For purposes of Form 8986, a pass-through entity is not a wholly owned entity disregarded as separate from its owner for federal tax purposes.

Reporting year is the partner's tax year(s) that includes the date the audited partnership furnished the Forms 8986 to its partners.

Reviewed year is the audited partnership's tax year to which the partnership adjustment(s) relates.

Reviewed year adjustments are adjustments originating from the partnership's reviewed year(s).

Reviewed year partner is any person that held an interest in the audited partnership at any time during the partnership's reviewed year.

General Instructions

Who Should Prepare Form 8986

The following persons or entities should prepare Form 8986.

- Audited partnerships that have made an election under section 6226.
- Direct or indirect pass-through partners that receive a Form 8986 related to an audited partnership if they choose to furnish statements to their partners to further push out the adjustments.
- Partnerships that file an AAR under section 6227 and either elect to push out

the resulting adjustments to their partners or have adjustments that do not result in an IU.

- Direct or indirect pass-through partners that receive a Form 8986 related to an AAR partnership, if the direct or indirect pass-through partner chooses to furnish statements to its partners to further push out adjustments or have adjustments that do not result in an IU.

Where To Submit Form 8986

Audited partnerships and pass-through partners submit Forms 8986, along with Form 8985, to the IRS by fax at 888-981-6982.

Note. Electronic submission of Form 8985 will be required in the near future. Until further notice, the form must be submitted by fax.

AAR partnerships that are electing to push out adjustments to their partners or have adjustments that do not result in an IU furnish Forms 8986 to their partners, and include Form 8986 with their AAR along with Form 8985.

Due Dates

Audited partnerships. An audited partnership that has made an election under section 6226 must furnish Forms 8986 to its partners and submit them to the IRS, along with Form 8985, no later than 60 days after the date on which the partnership adjustments are finally determined. Failure to furnish and submit by the due date results in the audited partnership being liable for the IU.

An audited partnership can submit corrected Forms 8986, along with Form 8985, within 60 days of the original due date without IRS permission. If corrected forms need to be submitted after the 60-day correction period, the audited partnership must contact the IRS for permission to submit.

AAR partnerships. An AAR partnership that either elects to push out the resulting adjustments to its partners or has adjustments that do not result in an IU must furnish Forms 8986 to its partners and include with their AAR, along with Form 8985.

Pass-through partners. Direct and indirect pass-through partners must furnish Forms 8986 to their partners and submit to the IRS, along with Form 8985, by the extended due date of the audited partnership's adjustment year return (or the extended due date of the AAR partnership's adjustment year return). This date can be found in Part II, item F, of the Form 8986 that was received by the pass-through partner. Failure to submit by the due date results in the pass-through partner being liable for an IU.

A pass-through partner can submit corrected Forms 8986, along with Form 8985, within 60 days of the original due date without IRS permission. If corrected forms need to be submitted after the 60-day correction period, the audited partnership must contact the IRS for permission to submit.

Withholding for Foreign Partners

An audited partnership may have withholding and reporting obligations if it furnishes a Form 8986 to a reviewed year partner that includes an adjustment subject to withholding under chapter 3 (Withholding of Tax on Nonresident Aliens and Foreign Corporations) or chapter 4 (Taxes to Enforce Reporting on Certain Foreign Accounts). In those cases, the audited partnership must withhold the amount required under chapter 3 or chapter 4 and deposit the amount with the IRS before the due date for furnishing the Form 8986. See Instructions for Form 1042, Annual Withholding Tax Return for U.S. Source Income of Foreign Persons; or Form 8804, Annual Return for Partnership Withholding Tax (Section 1446), for deposit procedures. The audited partnership must also file an applicable withholding tax return, Form 1042 or Form 8804, and the associated information returns, Forms 1042-S, Foreign Person's U.S. Source Income Subject to Withholding; or Forms 8805, Foreign Partner's Information Statement of Section 1446 Withholding Tax, for the calendar year (if filing Forms 1042/1042-S) or tax year (if filing Forms 8804/8805) that includes the date on which the Form 8986 was furnished.

Instructions for Partners That Receive Form 8986

Pass-through partners. In general, a pass-through partner that receives a Form 8986 should take into account the adjustments reflected on the form by either:

- Furnishing Forms 8986 to its own partners and submitting those forms, along with Form 8985, to the IRS or
- Figuring and paying an IU and submitting Form 8985 to the IRS. See Form 8985 and its instructions.

One of these two options must be completed by the extended due date of the audited partnership's adjustment year return (or the extended due date of the AAR partnership's adjustment year return).

If a pass-through partner fails to timely furnish and submit the relevant statements, the pass-through partner is liable for an IU as well as any penalties and interest with respect to the adjustments reflected on

the Form 8986 received by the pass-through partner.

Other partners. All other partners that receive Form 8986 should report the information on Form 8978, Partner's Additional Reporting Year Tax, and attach the Form 8978 to the partner's reporting year tax return. For more information, see Form 8978 and its instructions.

Specific Instructions

If a corrected Form 8986 impacts the sum of the total adjustments of all Forms 8986, a corrected Form 8985 must also be submitted. If a corrected Form 8986 DOES NOT impact the sum of the total adjustments of all Forms 8986, a corrected Form 8985 DOES NOT need to also be submitted.

Note. Section 199A dividends should only be included in the first 199A statement attached to Form 8986.

Each trade or business should indicate if it is a PTP, Aggregated, or SSTB. See the Instructions for Schedule K-1 (Form 1065) or (Form 1120-S).

If the partnership is a patron of a specified agricultural or horticultural cooperative, the partnership must also include a statement for each trade or business identifying the adjustment(s) to qualified items of income, gain, deduction,

Note. Any section 199A(g) deduction should only be included in the first statement.

Example. Assume partnership ABC has one trade or business that is an SSTB and is not a patron in a specified agricultural or horticultural cooperative. Assume the adjustments per audit increased Partner A's share of ordinary income by \$10,000 and royalty income by \$5,000, and decreased other deductions by \$20,000. Assume that all of the adjustments are determined to be qualified items of income, gain, deduction, and loss at the partnership level. Partnership ABC should include in Part VI of the Form 8986 sent to Partner A the information shown in Table 2.
