e-Services - Online Tools for Tax Professionals

Note: e-services is compatible with IE6 to IE11 only

HOT TOPICS (update 10/14/2016):

Important information for e-Services users: The IRS is committed to protecting taxpayer and tax preparer information and maintaining the security of its systems. As part of that effort, the IRS is strengthening the identity validation process for certain self-help tools on IRS.gov -- including e-services. Please review details at [Important Update about Your e-Services Account](#).

SCAM ALERT: It has come to our attention that an email is being issued to tax preparers asking them to update their e-Services information. The links provided in the email to access e-Services appear to be a phishing scam to capture e-Services usernames and passwords. This email WAS NOT generated by e-Services. If you receive an e-mail like this, do not click on the links or take any other action. See the recent IRS [media release](#) for more details. If you receive an unsolicited email that appears to be from either the IRS or an organization closely linked to the IRS, such as the Electronic Federal Tax Payment System (EFTPS), report it by sending it to phishing@irs.gov.
