Certain foreign and domestic corporations and certain partnerships are entitled to an automatic extension of time to file and pay under 26 CFR 1.6081-5. These entities don't need to file an extension form to take the automatic extension. If unable to file by the end of that period, these entities can file [Form 7004](#) and check the box on line 4, or notate Section 1.6081-5, to request more time to file the return. This extension request is timely filed if postmarked on or before the 15th day of the 6th month after the tax year. The additional extension period is 3 months for partnerships and S corporations, and 4 months for C corporations and filers of [Form 1120-POL](#). Master File generates the 3- or 4-month extended due date as appropriate to the type of tax return.

* If the 15th falls on a federal holiday or weekend, the return due date is the next business day.
