# The IRS Mission

Provide America's taxpayers top-quality service by helping them understand and meet their tax responsibilities and enforce the law with integrity and fairness to all.

## Introduction

The Internal Revenue Bulletin is the authoritative instrument of the Commissioner of Internal Revenue for announcing official rulings and procedures of the Internal Revenue Service and for publishing Treasury Decisions, Executive Orders, Tax Conventions, legislation, court decisions, and other items of general interest. It is published weekly.

It is the policy of the Service to publish in the Bulletin all substantive rulings necessary to promote a uniform application of the tax laws, including all rulings that supersede, revoke, modify, or amend any of those previously published in the Bulletin. All published rulings apply retroactively unless otherwise indicated. Procedures relating solely to matters of internal management are not published; however, statements of internal practices and procedures that affect the rights and duties of taxpayers are published.

Revenue rulings represent the conclusions of the Service on the application of the law to the pivotal facts stated in the revenue ruling. In those based on positions taken in rulings to taxpayers or technical advice to Service field offices, identifying details and information of a confidential nature are deleted to prevent unwarranted invasions of privacy and to comply with statutory requirements.

Rulings and procedures reported in the Bulletin do not have the force and effect of Treasury Department Regulations, but they may be used as precedents. Unpublished rulings will not be relied on, used, or cited as precedents by Service personnel in the disposition of other cases. In applying published rulings and procedures, the effect of subsequent legislation, regulations, court decisions, rulings, and procedures must be considered, and Service personnel and others concerned are cautioned

against reaching the same conclusions in other cases unless the facts and circumstances are substantially the same.

The Bulletin is divided into four parts as follows:

### **Part I.—1986 Code.**

This part includes rulings and decisions based on provisions of the Internal Revenue Code of 1986.

### **Part II.—Treaties and Tax Legislation.**

This part is divided into two subparts as follows: Subpart A, Tax Conventions and Other Related Items, and Subpart B, Legislation and Related Committee Reports.

### **Part III.—Administrative, Procedural, and Miscellaneous.**

To the extent practicable, pertinent cross references to these subjects are contained in the other Parts and Subparts. Also included in this part are Bank Secrecy Act Administrative Rulings. Bank Secrecy Act Administrative Rulings are issued by the Department of the Treasury's Office of the Assistant Secretary (Enforcement).

### **Part IV.—Items of General Interest.**

This part includes notices of proposed rulemakings, disbarment and suspension lists, and announcements.

The last Bulletin for each month includes a cumulative index for the matters published during the preceding months. These monthly indexes are cumulated on a semiannual basis, and are published in the last Bulletin of each semiannual period.

## Section 6621.— Determination of Rate of Interest

26 CFR 301.6621-1: Interest rate.

### Rev. Rul. 2023-4

Section 6621 of the Internal Revenue Code establishes the interest rates on overpayments and underpayments of tax. Under section 6621(a)(1), the overpayment rate is the sum of the federal short-term rate plus 3 percentage points (2 percentage points in the case of a corporation), except the rate for the portion of a corporate overpayment of tax exceeding \$10,000 for a taxable period is the sum of the federal short-term rate plus 0.5 of a percentage point. Under section 6621(a)(2), the underpayment rate is the sum of the federal short-term rate plus 3 percentage points.

Section 6621(c) provides that for purposes of interest payable under section 6601 on any large corporate underpayment, the underpayment rate under section 6621(a)(2) is determined by substituting “5 percentage points” for “3 percentage points.” See section 6621(c) and section 301.6621-3 of the Regulations on Procedure and Administration for the definition of a large corporate underpayment and for the rules for determining the applicable date. Section 6621(c) and section 301.6621-3 are generally effective for periods after December 31, 1990.

Section 6621(b)(1) provides that the Secretary will determine the federal short-term rate for the first month in each calendar quarter. Section 6621(b)(2)(A) provides that the federal short-term rate determined

under section 6621(b)(1) for any month applies during the first calendar quarter beginning after that month. Section 6621(b)(3) provides that the federal short-term rate for any month is the federal short-term rate determined during that month by the Secretary in accordance with section 1274(d), rounded to the nearest full percent (or, if a multiple of 1/2 of 1 percent, the rate is increased to the next highest full percent).

Notice 88-59, 1988-1 C.B. 546, announced that in determining the quarterly interest rates to be used for overpayments and underpayments of tax under section 6621, the Internal Revenue Service will use the federal short-term rate based on daily compounding because that rate is most consistent with section 6621 which, pursuant to section 6622, is subject to daily compounding.

The federal short-term rate determined in accordance with section 1274(d) during January 2023 is the rate published in Revenue Ruling 2023-3, 2023-6 IRB 448, to take effect beginning February 1, 2023. The federal short-term rate, rounded to the nearest full percent, based on daily compounding determined during the month of January 2023 is 4 percent. Accordingly, an overpayment rate of 7 percent (6 percent in the case of a corporation) and an underpayment rate of 7 percent are established for the calendar quarter beginning April 1, 2023. The overpayment rate for the portion of a corporate overpayment exceeding \$10,000 for the calendar quarter beginning April 1, 2023, is 4.5 percent. The underpayment rate for large corporate underpayments for the calendar quarter beginning April 1, 2023, is 9 percent. These rates apply to amounts bearing interest during that calendar quarter.

Sections 6654(a)(1) and 6655(a)(1) provide that the underpayment rate established under section 6621 applies in determining the addition to tax under sections 6654 and 6655 for failure to pay estimated tax for any taxable year. Thus, the 7 percent rate also applies to estimated tax underpayments for the second calendar quarter beginning April 1, 2023. Pursuant to section 6621(b)(2)(B), in determining the addition to tax under section 6654 for any taxable year for an individual, the federal short-term rate that applies during the third month following the taxable year also applies during the first 15 days of the fourth month following the taxable year. See Rev. Rul. 2022-23, 2022-51 IRB 532 (7 percent rate for the first quarter of 2023). In addition, pursuant to section 6603(d)(4), the rate of interest on section 6603 deposits is 4 percent for the second calendar quarter in 2023.

Interest factors for daily compound interest for annual rates of 4.5 percent, 6 percent, 7 percent and 9 percent are published in Tables 14, 17, 19 and 23 of Rev. Proc. 95-17, 1995-1 C.B. 568, 571, 573, and 577.

Annual interest rates to be compounded daily pursuant to section 6622 that apply for prior periods are set forth in the tables accompanying this revenue ruling.

## Part IV

### Announcement of Disciplinary Sanctions From the Office of Professional Responsibility

#### Announcement 2023-05

The Office of Professional Responsibility (OPR) announces recent disciplinary sanctions involving attorneys, certified public accountants, enrolled agents, enrolled actuaries, enrolled retirement plan agents, appraisers, and unenrolled/unlicensed return preparers (individuals who are not enrolled to practice and are not licensed as attorneys or certified public accountants). Licensed or enrolled practitioners are subject to the regulations governing practice before the Internal Revenue Service (IRS), which are set out in Title 31, Code of Federal Regulations, Subtitle A, Part 10, and which are released as Treasury Department Circular No. 230. The regulations prescribe the duties and restrictions relating to such practice and prescribe the disciplinary sanctions for violating the regulations. Unenrolled/unlicensed return preparers are subject to Revenue Procedure 81-38 and superseding guidance in Revenue Procedure 2014-42, which govern a preparer's eligibility to represent taxpayers before the IRS in examinations of tax returns the preparer both prepared for the taxpayer **and** signed as the preparer. Additionally, unenrolled/unlicensed return preparers who voluntarily participate in the Annual Filing Season Program under Revenue Procedure 2014-42 agree to be subject to the duties and restrictions in Circular 230, including the restrictions on incompetent or disreputable conduct.

The disciplinary sanctions to be imposed for violation of the applicable standards are:

**Disbarred from practice before the IRS**—An individual who is disbarred is not eligible to practice before the IRS as defined at 31 C.F.R. § 10.2(a)(4) for a minimum period of five (5) years.

**Suspended from practice before the IRS**—An individual who is suspended is

not eligible to practice before the IRS as defined at 31 C.F.R. § 10.2(a)(4) during the term of the suspension.

**Censured in practice before the IRS**—Censure is a public reprimand. Unlike disbarment or suspension, censure does not affect an individual's eligibility to practice before the IRS, but OPR may subject the individual's future practice rights to conditions designed to promote high standards of conduct.

**Monetary penalty**—A monetary penalty may be imposed on an individual who engages in conduct subject to sanction, or on an employer, firm, or entity if the individual was acting on its behalf and it knew, or reasonably should have known, of the individual's conduct.

**Disqualification of appraiser**—An appraiser who is disqualified is barred from presenting evidence or testimony in any administrative proceeding before the Department of the Treasury or the IRS.

**Ineligible for limited practice**—An unenrolled/unlicensed return preparer who fails to comply with the requirements in Revenue Procedure 81-38 or to comply with Circular 230 as required by Revenue Procedure 2014-42 may be determined ineligible to engage in limited practice as a representative of any taxpayer.

Under the regulations, individuals subject to Circular 230 may not assist, or accept assistance from, individuals who are suspended or disbarred with respect to matters constituting practice (*i.e.*, representation) before the IRS, and they may not aid or abet suspended or disbarred individuals to practice before the IRS.

Disciplinary sanctions are described in these terms:

**Disbarred by decision, Suspended by decision, Censured by decision, Monetary penalty imposed by decision, and Disqualified after hearing**—An administrative law judge (ALJ) issued a decision imposing one of these sanctions after the ALJ either (1) granted the government's summary judgment motion or (2) conducted an evidentiary hearing upon OPR's complaint alleging violation of the regulations. After 30 days from the issuance of the decision, in the absence of an ap-

peal, the ALJ's decision becomes the final agency decision.

**Disbarred by default decision, Suspended by default decision, Censured by default decision, Monetary penalty imposed by default decision, and Disqualified by default decision**—An ALJ, after finding that no answer to OPR's complaint was filed, granted OPR's motion for a default judgment and issued a decision imposing one of these sanctions.

**Disbarment by decision on appeal, Suspended by decision on appeal, Censured by decision on appeal, Monetary penalty imposed by decision on appeal, and Disqualified by decision on appeal**—The decision of the ALJ was appealed to the agency appeal authority, acting as the delegate of the Secretary of the Treasury, and the appeal authority issued a decision imposing one of these sanctions.

**Disbarred by consent, Suspended by consent, Censured by consent, Monetary penalty imposed by consent, and Disqualified by consent**—In lieu of a disciplinary proceeding being instituted or continued, an individual offered a consent to one of these sanctions and OPR accepted the offer. Typically, an offer of consent will provide for: suspension for an indefinite term; conditions that the individual must observe during the suspension; and the individual's opportunity, after a stated number of months, to file with OPR a petition for reinstatement affirming compliance with the terms of the consent and affirming current fitness and eligibility to practice (*i.e.*, an active professional license or active enrollment status, with no intervening violations of the regulations).

**Suspended indefinitely by decision in expedited proceeding, Suspended indefinitely by default decision in expedited proceeding, Suspended by consent in expedited proceeding**—OPR instituted an expedited proceeding for suspension (based on certain limited grounds, including loss of a professional license for cause, and criminal convictions).

**Determined ineligible for limited practice**—There has been a final deter-

mination that an unenrolled/unlicensed return preparer is not eligible for limited representation of any taxpayer because the preparer violated standards of conduct or failed to comply with any of the requirements to act as a representative.

A practitioner who has been disbarred or suspended under 31 C.F.R. § 10.60, or suspended under § 10.82, or a disqualified appraiser may petition for reinstatement before the IRS after the expiration of 5 years following such disbarment, suspension, or disqualification (or immediately following the expiration of the suspension or disqualification period if shorter than 5 years). Reinstatement will not be granted unless the IRS is satisfied that the petitioner is not likely to engage thereafter in conduct contrary to Circular 230, and that granting such reinstatement would not be contrary to the public interest.

Reinstatement decisions are published at the individual’s request, and described in these terms:

**Reinstated to practice before the IRS**—The individual’s petition for reinstatement has been granted. The agent, and eligible to practice before the IRS, or in the case of an appraiser, the individual is no longer disqualified.

**Reinstated to engage in limited practice before the IRS**—The individual’s petition for reinstatement has been granted. The individual is an unenrolled/unlicensed return preparer and eligible to engage in limited practice before the IRS, subject to requirements the IRS has prescribed for limited practice by tax return preparers.

OPR has authority to disclose the grounds for disciplinary sanctions in these situations: (1) an ALJ or the Secretary’s delegate on appeal has issued a final de-

cision; (2) the individual has settled a disciplinary case by signing OPR’s “consent to sanction” agreement admitting to one or more violations of the regulations and consenting to the disclosure of the admitted violations (for example, failure to file Federal income tax returns, lack of due diligence, conflict of interest, etc.); (3) OPR has issued a decision in an expedited proceeding for indefinite suspension; or (4) OPR has made a final determination (including any decision on appeal) that an unenrolled/unlicensed return preparer is ineligible to represent any taxpayer before the IRS.

Announcements of disciplinary sanctions appear in the Internal Revenue Bulletin at the earliest practicable date. The sanctions announced below are alphabetized first by state and second by the last names of the sanctioned individuals.

# Third Six-Year Remedial Amendment Cycle for Pre-approved Defined Benefit Plans: Issuance of Opinion Letters, Plan Adoption Deadline, and Opening of Determination Letter Program

## Announcement 2023-6

The Internal Revenue Service (IRS) intends to issue opinion letters for pre-approved defined benefit plans that were updated for changes in plan qualification requirements listed in Notice 2020-14, 2020-13 I.R.B. 555 (the 2020 Cumulative List) and that were filed with the IRS during the third six-year remedial amendment cycle under the remedial amendment cycle system for pre-approved plans established under Rev. Proc. 2016-37, 2016-29 I.R.B. 136 (newly approved plans). The IRS expects to issue the letters on February 28, 2023, or, in some cases, as soon as possible thereafter.

An employer intending to maintain a pre-approved plan for the third six-year remedial amendment cycle for defined benefit plans must adopt a newly approved plan on or before March 31, 2025. During the period beginning April 1, 2023, and ending March 31, 2025, the IRS will accept an application for an individual determination letter from an adopting employer eligible to submit a determination letter request under the third six-year remedial amendment cycle for defined benefit pre-approved plans.

### *Background*

Rev. Proc. 2016-37 describes a staggered remedial amendment system for pre-approved plans that are qualified under § 401(a) of the Internal Revenue Code. The revenue procedure provides separate six-year remedial amendment cy-

cles for pre-approved defined benefit and pre-approved defined contribution plans. Section 16 of Rev. Proc. 2016-37 provides that the third six-year remedial amendment cycle for pre-approved defined benefit plans ends on January 31, 2025. Section 16 further provides that the IRS may revise the cycle dates to respond to changing circumstances and the needs of plan sponsors and that any such revision will be announced in guidance published in the Internal Revenue Bulletin.

Rev. Proc. 2017-41, 2017-29 I.R.B. 92, modifies the pre-approved letter program by combining the former master and prototype and volume submitter programs into a single opinion letter program. Under this program, providers of pre-approved plans may continue to apply for new opinion letters once every six years. Rev. Proc. 2017-41 sets forth the procedures for providers to obtain opinion letters for qualified pre-approved plans submitted with respect to the third (and subsequent) six-year remedial amendment cycles.

In order to receive opinion letters with respect to the third six-year remedial amendment cycle, Rev. Proc. 2016-37 and the 2020 Cumulative List require that providers update their pre-approved defined benefit plans for changes in plan qualification requirements set forth in the 2020 Cumulative List.

Rev. Proc. 2016-37 and Rev. Proc. 2017-41 provide that when the review process for a cycle of pre-approved plans has neared completion, the IRS will announce the date by which an adopting employer must adopt a newly approved plan. Depending on the date the review process is completed, an adopting employer will have approximately two years to adopt a newly approved plan and, if otherwise eligible, apply for an individual determination letter.

### *Deadline for Employer Adoption of Newly Approved Plans*

The end of the third six-year remedial amendment cycle for pre-approved de-

defined benefit plans is extended to March 31, 2025. An adopting employer that has a defined benefit plan that is eligible for the six-year remedial amendment cycle system under section 19 of Rev. Proc. 2016-37, and that adopts a newly approved plan on or before March 31, 2025, will be considered to have adopted the plan within the third six-year remedial amendment cycle.

### *Determination Letter Program for Adopters of Newly Approved Plans*

An adopting employer of a newly approved plan may apply for an individual determination letter (if otherwise eligible) during the period beginning April 1, 2023, and ending March 31, 2025. Additional information regarding individual determination letter applications for pre-approved plans, including guidance on employer eligibility to apply for a determination letter for a pre-approved plan and the requirements for applications filed on Form 5307 (or Form 5300, if applicable), may be found in Rev. Proc. 2023-4, 2023-1 I.R.B. 162, including sections 8, 12, and 13.

### *Paperwork Reduction Act*

The collection of information contained in Rev. Proc. 2017-41 with respect to the pre-approved plan program has been reviewed and approved by the Office of Management and Budget in accordance with the Paperwork Reduction Act (44 U.S.C. 3507) under control number 1545-1674.

# Definition of Terms

*Revenue rulings and revenue procedures (hereinafter referred to as “rulings”) that have an effect on previous rulings use the following defined terms to describe the effect:*

*Amplified* describes a situation where no change is being made in a prior published position, but the prior position is being extended to apply to a variation of the fact situation set forth therein. Thus, if an earlier ruling held that a principle applied to A, and the new ruling holds that the same principle also applies to B, the earlier ruling is amplified. (Compare with *modified*, below).

*Clarified* is used in those instances where the language in a prior ruling is being made clear because the language has caused, or may cause, some confusion. It is not used where a position in a prior ruling is being changed.

*Distinguished* describes a situation where a ruling mentions a previously published ruling and points out an essential difference between them.

*Modified* is used where the substance of a previously published position is being changed. Thus, if a prior ruling held that a principle applied to A but not to B, and the

new ruling holds that it applies to both A and B, the prior ruling is modified because it corrects a published position. (Compare with *amplified* and *clarified*, above).

*Obsoleted* describes a previously published ruling that is not considered determinative with respect to future transactions. This term is most commonly used in a ruling that lists previously published rulings that are obsoleted because of changes in laws or regulations. A ruling may also be obsoleted because the substance has been included in regulations subsequently adopted.

*Revoked* describes situations where the position in the previously published ruling is not correct and the correct position is being stated in a new ruling.

*Superseded* describes a situation where the new ruling does nothing more than restate the substance and situation of a previously published ruling (or rulings). Thus, the term is used to republish under the 1986 Code and regulations the same position published under the 1939 Code and regulations. The term is also used when it is desired to republish in a single ruling a series of situations, names, etc., that were previously published over a period of time in separate rulings. If the

new ruling does more than restate the substance of a prior ruling, a combination of terms is used. For example, *modified* and *superseded* describes a situation where the substance of a previously published ruling is being changed in part and is continued without change in part and it is desired to restate the valid portion of the previously published ruling in a new ruling that is self contained. In this case, the previously published ruling is first modified and then, as modified, is superseded.

*Supplemented* is used in situations in which a list, such as a list of the names of countries, is published in a ruling and that list is expanded by adding further names in subsequent rulings. After the original ruling has been supplemented several times, a new ruling may be published that includes the list in the original ruling and the additions, and supersedes all prior rulings in the series.

*Suspended* is used in rare situations to show that the previous published rulings will not be applied pending some future action such as the issuance of new or amended regulations, the outcome of cases in litigation, or the outcome of a Service study.
