Audio Files for Podcasts

The IRS creates audio files for use as podcasts. Each short audio recording provides information on one tax related topic. The audio files and their transcripts can be found in the [Multimedia Center](#) on IRS.gov. These files are also available as podcasts on [iTunes](#).

Widgets

Widgets are tools that can be placed on websites, blogs or social media networks to direct others to IRS.gov for information. The IRS has developed a variety of widgets that feature the latest tax initiatives and programs. These widgets can be found on [Marketing Express](#), the marketing site that allows IRS partners and tax preparers to customize their IRS communications products.
