## Winter 2017 Statistics of Income Bulletin Now Available

IR-2017-49, Feb. 28, 2017

WASHINGTON — The Internal Revenue Service today announced that the Winter 2017 issue of the *Statistics of Income Bulletin* is available on IRS.gov. The Statistics of Income (SOI) Division produces the online *Bulletin* quarterly, providing the most recent data available from various tax and information returns filed by U.S. taxpayers. This issue includes articles on the following topics:

- **Unrelated Business Income Tax Returns, 2012:** For tax year 2012, tax-exempt organizations reported \$12 billion in gross unrelated business income, a 6 percent increase from tax year 2011. Total unrelated business income tax liability increased by 17 percent over the same period, to \$429 million. Filers classified as charitable organizations, which are tax exempt under Internal Revenue Code section 501(c)(3), made up the most common Form 990-T, Exempt Organization Business Income Tax Return, filers and represented more than one-third (35 percent) of all organizations that filed the return for tax year 2012.
- **Foreign Recipients of U.S. Income, 2013:** During 2013, U.S.-source income payments to foreign persons rose to \$697.6 billion, an increase of 3.7 percent from 2012. These payments are reported on Form 1042-S, Foreign Person's U.S.-Source Income Subject to Withholding.

*SOI Bulletin* articles are available for download at [IRS.gov/taxstats](http://IRS.gov/taxstats). For more information about this data, write to the Director, Statistics of Income (SOI) Division, RAAS:S, Internal Revenue Service, 1111 Constitution Avenue NW, (K-Room 4112), Washington, DC 20224.
