

Supporting Documents for Clean Vehicle Credits

Taxpayer name	Taxpayer identification number	Tax year
---------------	--------------------------------	----------

We need to verify your eligibility to claim the credit taken on Form 8936, Clean Vehicle Credit, which you attached to your Form 1040, U.S. Individual Income Tax Return. Our records show the vehicle identification number(s) (VIN(s)) you provided on Form 8936 is either ineligible or invalid. Provide all requested documents to the return address listed at the top of the attached letter.

Note: The Qualified Plug-in Electric Vehicle Credit name was changed as of August 16, 2022 due to the Inflation Reduction Act, to the Clean Vehicle Credit. Note this form is used for both credits.

To be eligible for the credit, you must:

- List below the VIN(s) claimed on Form 8936 *and* submit a copy of the valid sales contract(s), *and* if a foreign manufactured vehicle, then also provide the manufacturers or the domestic distributor's certification for each vehicle listed:

VIN(s)

1. _____	2. _____
3. _____	4. _____

2. Answer the questions by using 'Y' for Yes or 'N' for No in the box for each VIN claimed:	VIN 1	VIN 2	VIN 3	VIN 4
Did you lease the vehicle				
Are you the owner of the vehicle				
Did you purchase the vehicle to use or lease to others, and not to resale				
Did you place the vehicle in service during the tax year				
Did the original use of the vehicle begin with you				
Did you use the vehicle primarily in the United States				

Note: The manufacturer of this vehicle may have reached its phased-out reduction limit for this credit. To view the credit amounts allowed for Qualified Plug-In Electric Vehicle Credit/Clean Vehicle Credits (CVC) visit: www.irs.gov/qpievc.

You can find more information about the credit in the Instructions for Form 8936. You can find forms, instructions, or publications by visiting www.irs.gov/forms-pubs or calling 800-TAX-FORM (800-829-3676).
