If you want to see if you qualify for an offer in compromise before filling out the paperwork, you may use the Offer in Compromise Pre-Qualifier tool. The questionnaire format assists in gathering the information needed and provides instant feedback as to your eligibility based on the information you provided. The tool will also assist you in determining a preliminary offer amount for consideration of an acceptable offer. The Pre-Qualifier tool is located on our website at www.irs.gov.

If you have questions regarding qualifications for an offer in compromise, please call our toll-free number at 1-800-829-1040. You can get forms and publications by calling 1-800-TAX-FORM (1-800-829-3676), by visiting your local IRS office, or at www.irs.gov.

Taxpayer resources

The Taxpayer Advocate Service (TAS) is an independent organization within the Internal Revenue Service that helps taxpayers and protects taxpayer rights. TAS helps taxpayers whose problems with the IRS are causing financial difficulties, who've tried but haven't been able to resolve their problems with the IRS, or believe an IRS system or procedure isn't working as it should. And the service is free. Your local advocate's number is in your local directory and at taxpayeradvocate.irs.gov. You can also call us at 1-877-777-4778. For more information about TAS and your rights under the Taxpayer Bill of Rights, go to taxpayeradvocate.irs.gov. TAS is your voice at the IRS.

Low-Income Taxpayer Clinics (LITCs) are independent from the IRS. LITCs serve individuals whose income is below a certain level and who need to resolve a tax problem with the IRS. LITCs provide professional representation before the IRS or in court on audits, appeals, tax collection disputes, and other issues for free or for a small fee. For more information and to find a LIC near you, see the LIC page at www.taxpayeradvocate.irs.gov/litcmap or IRS Publication 4134, Low-Income Taxpayer Clinic List. This Publication is also available by calling the IRS toll-free at 1-800-829-3676 or visiting your local IRS office.

WHAT YOU NEED TO KNOW

What is an Offer?

An Offer in Compromise (offer) is an agreement between you (the taxpayer) and the IRS that settles a tax debt for less than the full amount owed. The offer program provides eligible taxpayers with a path toward paying off their tax debt and getting a fresh start. The ultimate goal is a compromise that suits the best interest of both the taxpayer and the IRS. To be considered, generally you must make an appropriate offer based on what the IRS considers your true ability to pay.

Submitting an application does not ensure that the IRS will accept your offer. It begins a process of evaluation and verification by the IRS, taking into consideration any special circumstances that might affect your ability to pay.

This booklet will lead you through a series of steps to help you calculate an appropriate offer based on your assets, income, expenses, and future earning potential. The application requires you to describe your financial situation in detail, so before you begin, make sure you have the necessary information and documentation.

Are You Eligible?

Before your offer can be considered, you must (1) file all tax returns you are legally required to file, (2) have received a bill for at least one tax debt included on your offer, (3) make all required estimated tax payments for the current year, and (4) make all required federal tax deposits for the current quarter if you are a business owner with employees. Your offer will be immediately returned without further consideration if you have not filed all tax returns you are legally required to file.

Note: If it is determined you have not filed all tax returns you are legally required to file, the IRS will apply any initial payment you sent with your offer to your tax debt and return both your offer and application fee to you. You cannot appeal this decision.

Bankruptcy, Open Audit or Innocent Spouse Claim

If you or your business is currently in an open bankruptcy proceeding, you are not eligible to apply for an offer. Any resolution of your outstanding tax debts generally must take place within the context of your bankruptcy proceeding.

If you are not sure of your bankruptcy status, contact the Centralized Insolvency Operation at 1-800-973-0424. Be prepared to provide your bankruptcy case number and/or Taxpayer Identification Number.

If you currently have any open audit or outstanding innocent spouse claim, wait for those issues to be resolved before you submit an offer.

For any additional questions see www.irs.gov. Offer in Compromise [FAQs](#).

Can You Pay in Full?

Generally, the IRS will not accept an offer if you can pay your tax debt in full or through an installment agreement and/or equity in assets.

Note: Adjustments or exclusions, which may be considered during the offer investigation, such as allowance of \$1,000 to a bank balance or \$3,450 against the value of a car, are only applied after it is determined that you cannot pay your tax debt in full.

Your Future Tax Refunds

The IRS will keep any refund, including interest, for tax periods extending through the calendar year that the IRS accepts the offer. For example, if your offer is accepted in 2019 and you file your 2019 Form 1040 on April 15, 2020 showing a refund, the IRS will apply your refund to your tax debt. **The refund is not considered as a payment toward your offer.**

Doubt as to Liability

If you have a legitimate doubt that you owe part or all of the tax debt, complete and submit a **Form 656-L, Offer in Compromise (Doubt as to Liability)**. The Form 656-L is not included as part of this package. To request a Form 656-L, visit www.irs.gov or a local IRS office or call toll-free 1-800-TAX-FORM (1-800-829-3676).

Note: Do not submit both a Doubt as to Liability offer and an offer under Doubt as to Collectibility or Effective Tax Administration at the same time. Any doubt you owe part or all of the tax debt must be resolved before sending in an offer based on your ability to pay.

Notice of Federal Tax Lien

A lien is a legal claim against all your current and future property. When you don't pay your first bill for taxes due, a lien is created by law and attaches to your property. A Notice of Federal Tax Lien (NFTL) provides public notice to creditors and is filed to establish priority of the IRS claim versus the claims of other creditors. The IRS may file a NFTL while your offer is being considered. You may be entitled to file an appeal under the Collection Appeal Program (CAP) before this occurs or request a Collection Due Process hearing after this occurs.

Note: A Notice of Federal Tax Lien (NFTL) will not be filed on any individual shared responsibility payment under the Affordable Care Act.

Trust Fund Taxes

If your business owes trust fund taxes, responsible individuals may be held liable for the trust fund portion of the tax. Trust fund taxes are the money withheld from an employee's wages, such as income tax, Social Security, and Medicare taxes. You are not eligible for consideration of an offer unless the trust fund portion of the tax is paid or the Trust Fund Recovery Penalty determination(s) has/have been made on all potentially responsible individual(s). However, if you are submitting the offer as a victim of payroll service provider fraud or failure, the trust fund assessment discussed above is not required prior to submitting the offer.

Other Important Facts

Each and every taxpayer has a set of fundamental rights they should be aware of when dealing with the IRS. Explore your rights and our obligations to protect them. For more information on your rights as a taxpayer, go to <http://www.irs.gov/Taxpayer-Bill-of-Rights>.

Penalties and interest will continue to accrue during consideration of your offer.

After you submit your offer, you must continue to timely file and pay all required tax returns, estimated tax payments, and federal tax payments. Failure to meet your filing and payment responsibilities during consideration of your offer will result in your offer being returned. If your offer is accepted, you must continue to stay current with all tax filing and payment obligations through the fifth year after your offer is accepted (including any extensions).

Note: If you have filed your tax returns but you have not received a bill for at least one tax debt included on your offer, your offer and application fee may be returned and any initial payment sent with your offer will be applied to your tax debt. Include a complete copy of any tax return filed within 60 days prior to this offer submission.

An offer cannot be accepted for processing if the IRS has referred your case, or cases, involving all of the liabilities identified in the offer to the Department of Justice. In addition, the IRS cannot compromise any tax liability arising from a restitution amount ordered by a court or a tax debt that has been reduced to judgment.

The law requires the IRS to make certain information from accepted offers available for public inspection and review. Instructions to request a public inspection file can be found on www.irs.gov.

The IRS may levy your assets up to the time the IRS official signs and acknowledges your offer as pending. In addition, the IRS may keep any proceeds received from the levy. If your assets are levied after your offer is submitted and pending evaluation, immediately contact the IRS person whose name and phone number are listed on the levy.

If you currently have an approved installment agreement, you will not be required to make your installment agreement payments while your offer is being considered. If your offer is not accepted and you have not incurred any additional tax debt, your installment agreement with the IRS will be reinstated with no additional fee.

PAYING FOR YOUR OFFER

Application Fee

Offers require a \$186 application fee.

Exception: If you are an individual and meet the Low-Income Certification guidelines, you are not required to send any money with your offer. You are considered an individual if you are seeking compromise of a liability for which you are personally responsible, including any liability you incurred as a sole proprietor or any Form 941 liability incurred prior to January 1, 2009 as a disregarded single member LLC.

Payment Options

You must select a payment option and include the payment with your offer. The amount of the initial payment and subsequent payments will depend on the total amount of your offer and which of the following payment options you choose:

Lump Sum Cash: This option requires 20% of the total offer amount to be paid with the offer and the remaining balance paid in 5 or fewer payments within 5 or fewer months of the date your offer is accepted.

Periodic Payment: This option requires the first payment to be paid with the offer and the remaining balance paid in monthly payments within 6 to 24 months, in accordance with your proposed offer terms.

Note: Under this option, you must continue to make monthly payments while the IRS is evaluating your offer. Failure to make these payments, until you have received a final decision letter, will cause your offer to be returned. There is no appeal. Total payments must equal the total offer amount.

Exception: If you are an individual and meet the Low-Income Certification guidelines, you will not be required to send the initial payment or make the required monthly payments while your offer is being considered.

Generally, payments made on an offer will not be returned. You may make a deposit, as described in Form 656, Section 5, which may be returned if the offer is not accepted. If your offer is accepted, your payments made during the offer process, including any money designated as a deposit, will be applied to your offer amount.

If you do not have sufficient cash to pay for your offer, you may need to consider borrowing money from a bank, friends, and/or family. Other options may include borrowing against or selling other assets. **If you are an individual, use the OIC Pre-Qualifier tool located on our website at www.irs.gov to assist in determining a starting point for your offer amount.**

Note: You may not pay your offer amount with an expected or current tax refund, money already paid, funds attached by any collection action, or anticipated benefits from a capital or net operating loss. If you are planning to use your retirement savings from an IRA or 401k plan, you may have future tax debt as a result. Contact the IRS or your tax advisor before taking this action.

HOW TO APPLY

Application Process

The application must include:

- **Form 656**, Offer in Compromise
- **Completed** and signed **Form 433-A (OIC)**, Collection Information Statement for Wage Earners and Self-Employed Individuals, if applicable
- **Completed** and signed **Form 433-B (OIC)**, Collection Information Statement for Businesses, if applicable
- **\$186 application fee**, unless you meet Low-Income Certification
- **Initial offer payment** based on the payment option you choose, unless you meet Low-Income Certification

Note: Your offer(s) cannot be considered without the completed and signed Form 433-A (OIC) and/or 433-B (OIC) and supporting documentation.

If You and Your Spouse Owe Joint and Separate Tax Debts

If you and your spouse have joint tax debt(s) and you and/or your spouse are also responsible for separate tax debt(s), you will each need to send in a separate Form 656. You will complete one Form 656 for yourself listing all your joint and any separate tax debts and your spouse will complete one Form 656 listing all his or her joint tax debt(s) plus any separate tax debt(s), for a total of two Forms 656.

If you and your spouse or ex-spouse have a joint tax debt and your spouse or ex-spouse does not want to be part of the offer, you on your own may submit a Form 656 to compromise your responsibility for the joint tax debt.

Each Form 656 will require the \$186 application fee and initial payment unless you are an individual and meet the Low-Income Certification guidelines. You are considered an individual if you are seeking compromise of a liability for which you are personally responsible, including any liability you incurred as a sole proprietor, or any Form 941 liability incurred prior to January 1, 2009 as a disregarded single member LLC.

If You Owe Individual and Business Tax Debt

If you have individual and business tax debt that you wish to compromise, you will need to send in two Forms 656. Complete one Form 656 for your individual tax debts and one Form 656 for your business tax debts. **Each Form 656 will require the \$186 application fee and initial payment.**

Note: A business is defined as a corporation, partnership, or any business that is operated as other than a sole-proprietorship. An individual's share of a partnership debt will not be compromised. The partnership must submit its own offer based on the partnership's and partners' ability to pay.

If You Have Tax Debt From a Limited Liability Company (LLC)

Individuals or individuals operating as a disregarded single member LLC taxed as a sole proprietor with tax debts (including employment taxes) incurred before January 1, 2009 may be included on your individual Form 656. However, in those instances where an LLC incurred employment taxes on or after January 1, 2009 or excise taxes on or after January 1, 2008, **two Forms 656 must be sent with a separate application fee and initial payment for each offer**, even if the tax debts were reported under the same Tax Identification Number. One Form 656 will be for the individual tax debts while the second Form 656 will be for the LLC employment tax debts incurred on or after January 1, 2009 and excise tax debts on or after January 1, 2008.

COMPLETING THE APPLICATION PACKAGE

Step 1 – Gather Your Information

To calculate an offer amount, you will need to gather information about your financial situation, including cash, investments, available credit, assets, income, and debt.

You will also need to gather information about your household's average gross monthly income and actual expenses. The entire household includes all those in addition to yourself who contribute money to pay expenses relating to the household such as, rent, utilities, insurance, groceries, etc. This is necessary for the IRS to accurately evaluate your offer. It may also be used to determine your share of the total household income and expenses.

In general, the IRS will not consider expenses for tuition for private schools, college expenses, charitable contributions, and other unsecured debt payments as part of the expense calculation.

Step 2 – Fill out Form 433-A (OIC), Collection Information Statement for Wage Earners and Self-Employed Individuals

Fill out Form 433-A (OIC) if you are an individual wage earner, or operate or operated as a sole proprietor, a disregarded single member LLC taxed as a sole proprietor prior to 2009 or are authorized to submit an offer on behalf of the estate of a deceased individual. If you are married but living separately from your spouse then you each must submit a Form 433-A (OIC). This will be used to calculate an appropriate offer amount based on your assets, income, expenses, and future earning potential. You will have the opportunity to provide a written explanation of any special circumstances that affect your financial situation.

Step 3 – Fill out Form 433-B (OIC), Collection Information Statement for Businesses

Fill out Form 433-B (OIC) if the business is a Corporation, Partnership, LLC classified as a corporation, single member LLC taxed as a corporation, or other multi-owner/multi-member LLC. This will be used to calculate an appropriate offer amount based on the business assets, income, expenses, and future earning potential. If the business has assets that are used to produce income (for example, a tow truck used in the business for towing vehicles), the business may be allowed to exclude equity in these assets.

Step 4 – Attach Required Documentation

You will need to attach supporting documentation with Form(s) 433-A (OIC) and 433-B (OIC). A list of the documents required will be found at the end of each form. Include copies of all required attachments. **Do not send original documents.**

Step 5 – Fill out Form 656, Offer in Compromise

Fill out Form 656. The Form 656 identifies the tax years and type of tax you would like to compromise. It also identifies your offer amount and the payment terms.

Step 6 – Include Initial Payment and \$186 Application Fee

Include a personal check, cashier's check, or money order for your initial payment based on the payment option you selected (20% of the offer amount for a lump sum cash offer or the first month's payment for a periodic payment offer). Generally, initial payments will not be returned but will be applied to your tax debt if your offer is not accepted.

Include a separate personal check, cashier's check, or money order for the application fee (\$186).

Make both payments payable to the "United States Treasury". All payments must be made in U.S. dollars.

Reminder: If you meet the Low-Income Certification guidelines DO NOT send any money with your offer since the initial payment and application fee are not required.

Step 7 – Mail the Application Package

Make a copy of your application package and keep it for your records.

Mail the completed application package to the appropriate IRS facility. See page 29, Application Checklist, for details.

Note: If you are working with an IRS employee, let him or her know you are sending or have sent an offer to compromise your tax debt(s).

IMPORTANT INFORMATION

After You Mail Your Application:

We will contact you after we receive and review your offer application. Promptly reply to any requests for additional information within the time frame specified. Failure to reply timely will result in the return of your offer without appeal rights.

If you selected the Periodic Payment option, you must continue to make the payments during consideration of your offer, unless you meet the Low-Income Certification. Failure to make monthly payments (until you have received a final decision letter) will result in the return of your offer without appeal rights.

If your offer is accepted, you must continue to timely file all required tax returns and timely pay all estimated tax payments and federal tax payments that become due in the future. If you fail to timely file and timely pay any tax obligations that become due within the five years after your offer is accepted (including any extensions) your offer may be defaulted. If your offer is defaulted, you will be liable for the original tax debt, less payments made, and all accrued interest and penalties. An offer does not stop the accrual of interest and penalties. Please note that if your final payment is more than the agreed amount by \$50 or less, the money will not be returned but will be applied to your tax debt. If your final payment is more than \$50 over the agreed amount, then the overpayment will be returned to you.

In addition, your offer may be defaulted if you fail to promptly pay any tax debts assessed after acceptance of your offer for any tax years prior to acceptance that were not included in your original offer.

Section 3

Reason for Offer

- Doubt as to Collectibility** - I do not have enough in assets and income to pay the full amount
- Exceptional Circumstances (Effective Tax Administration)** - I owe this amount and have enough in assets and income to pay the full amount, but due to my exceptional circumstances, requiring full payment would cause an economic hardship or collection of the full liability would undermine public confidence that the tax laws are being administered in a fair and equitable manner. I am submitting a written narrative explaining my circumstances

Explanation of Circumstances (Add additional pages, if needed) – The IRS understands that there are unplanned events or special circumstances, such as serious illness, where paying the full amount or the minimum offer amount might impair your ability to provide for yourself and your family. If this is the case and you can provide documentation to prove your situation, then your offer may be accepted despite your financial profile. If applicable, describe your special circumstances below and attach appropriate documents to this offer application

My payment of \$ _____ includes the \$186 application fee and \$ _____ for my first month's payment. I am requesting the additional amount of \$ _____ be held as a deposit.

You may also make payments through the [Electronic Federal Tax Payment System \(EFTPS\)](#). I have made all required estimated tax payments for the current tax year
 I am not required to make any estimated tax payments for the current tax year
 I have made all required federal tax deposits for the current quarter
 I am not required to make any federal tax deposits for the current quarter

Section 7**Offer Terms**

By submitting this offer, I have read, understand and agree to the following terms and conditions:

Terms, Conditions, and Legal Agreement

a) I request that the IRS accept the offer amount listed in this offer application as payment of my outstanding tax debt (including interest, penalties, and any additional amounts required by law) as of the date listed on this form. I authorize the IRS to amend Section 1 and/or Section 2 if I failed to list any of my assessed tax debt or tax debt assessed before acceptance of my offer. By submitting a joint offer, both signers grant approval to the Internal Revenue Service to disclose the existence of any separate liabilities owed.

b) I also authorize the IRS to amend Section 1 and/or Section 2 by removing any tax years on which there is currently no outstanding liability. I understand that my offer will be accepted, by law, unless IRS notifies me otherwise, in writing, within 24 months of the date my offer was received by IRS. I also understand that if any tax debt that is included in the offer is in dispute in any judicial proceeding it/they will not be included in determining the expiration of the 24-month period.

IRS will keep my payments, fees, and some refunds.

c) I voluntarily submit the payments made on this offer and understand that they will not be returned even if I withdraw the offer or the IRS rejects or returns the offer except as otherwise provided in subpart (h) of this section (regarding "deposit" amounts) or subpart (i) of this section. Unless I designate how to apply each required payment in Section 5, the IRS will apply my payment in the best interest of the government, choosing which tax years and tax debts to pay off. The IRS will also keep my application fee unless the offer is not accepted for processing.

d) I understand that if I checked the Low-Income Certification in Section 1, then no payments are required. If I qualify for the Low-Income Certification and voluntarily submit payments, all money will be applied to my tax debt and will not be returned to me unless I designate it as a deposit. In making my deposit I do not have to designate any amounts to the application fee and my first month's payment.

e) The IRS will keep any refund, including interest, that I might be due for tax periods extending through the calendar year in which the IRS accepts my offer. I cannot designate that the refund be applied to estimated tax payments for the following year or the accepted offer amount. If I receive a refund after I submit this offer for any tax period extending through the calendar year in which the IRS accepts my offer, I will return the refund within 30 days of notification. The refund offset does not apply to offers accepted under the provisions of Effective Tax Administration or Doubt as to Collectibility with special circumstances based on public policy/equity considerations.

f) I understand that the amount I am offering may not include part or all of an expected or current tax refund, money already paid, funds attached by any collection action, or anticipated benefits from a capital or net operating loss.

g) The IRS will keep any monies it has collected prior to this offer. Under section 6331(k) the IRS may levy up to the time that the IRS official signs and acknowledges my offer as pending, which is accepted for processing and the IRS may keep any proceeds arising from such a levy. No levy will be issued on individual shared responsibility payments. However, if the IRS served a continuous levy on wages, salary, or certain federal payments under sections 6331(e) or (h), then the IRS could choose to either retain or release the levy.

h) The IRS will keep any payments that I make related to this offer. I agree that any funds submitted with this offer will be treated as a payment unless I checked the box to treat any amount more than the required initial payment as a deposit. For other than Low-Income taxpayers, only amounts that exceed the mandatory payments can be treated as a deposit. A Low-Income taxpayer who has checked the deposit box is not required to make payments with the offer. I also agree that any funds submitted with periodic payments made after the submission of this offer and prior to the acceptance, rejection, or return of this offer will be treated as payments, unless I identify the amount more than the required payment as a deposit on the check submitted with the corresponding periodic payment. A deposit will be returned if the offer is rejected, returned, or withdrawn. I understand that the IRS will not pay interest on any deposit. If the IRS attempts to return a deposit once and it comes back as undeliverable then the IRS will apply the funds to my tax liability.

i) If my offer is accepted and my final payment is more than the agreed amount by \$50 or less, the IRS will not return the difference, but will apply the entire payment to my tax debt. If my final payment exceeds the agreed amount by more than \$50, the IRS will return the excess payment to me.

Pending status of an offer and right to appeal

j) Once an authorized IRS official signs this form, my offer is considered pending as of that signature date and it remains pending until the IRS accepts, rejects, returns, or I withdraw my offer. An offer is also considered pending for 30 days after any rejection of my offer by the IRS, and during the time that any rejection of my offer is being considered by the Appeals Office. An offer will be considered withdrawn when the IRS receives my written notification of withdrawal by personal delivery or certified mail or when I inform the IRS of my withdrawal by other means and the IRS acknowledges in writing my intent to withdraw the offer.

k) I waive the right to an Appeals hearing if I do not request a hearing in writing within 30 days of the date the IRS notifies me of the decision to reject the offer.

Section 7 (Continued)**Offer Terms**

I must comply with my future tax obligations and understand I remain liable for the full amount of my tax debt until all terms and conditions of this offer have been met.

l) I will comply with all provisions of the internal revenue laws, including requirements to timely file tax returns and timely pay taxes for the five year period beginning with the date of acceptance of this offer and ending through the fifth year, including any extensions to file and pay. I agree to promptly pay any liabilities assessed after acceptance of this offer for tax years ending prior to acceptance of this offer that were not otherwise identified in Section 1 or Section 2 of this agreement. I also understand that during the five year period I cannot request an installment agreement for unpaid taxes incurred before or after the accepted offer. If this is an offer being submitted for joint tax debt, and one of us does not comply with future obligations, only the non-compliant taxpayer will be in default of this agreement. An accepted offer will not be defaulted solely due to the assessment of an individual shared responsibility payment.

m) I agree that I will remain liable for the full amount of the tax liability, accrued penalties and interest, until I have met all of the terms and conditions of this offer. Penalty and interest will continue to accrue until all payment terms of the offer have been met. If I file for bankruptcy before the terms and conditions of the offer are met, I agree that the IRS may file a claim for the full amount of the tax liability, accrued penalties and interest, and that any claim the IRS files in the bankruptcy proceeding will be a tax claim.

n) Once the IRS accepts my offer in writing, I have no right to challenge the tax debt(s) in court or by filing a refund claim or refund suit for any liability or period listed in Section 1 or Section 2, even if the IRS defaults the offer.

I understand what will happen if I fail to meet the terms of my offer (e.g., default).

o) If I fail to meet any of the terms of this offer, the IRS may revoke the certificate of release of federal tax lien and file a new notice of federal tax lien; levy or sue me to collect any amount ranging from one or more missed payments to the original amount of the tax debt (less payments made) plus penalties and interest that have accrued from the time the underlying tax liability arose. The IRS will continue to add interest, as required by section 6601 of the Internal Revenue Code, on the amount the IRS determines is due after default. Shared responsibility payments are excluded from levy.

I agree to waive time limits provided by law.

p) To have my offer considered, I agree to the extension of the time limit provided by law to assess my tax debt (statutory period of assessment). I agree that the date by which the IRS must assess my tax debt will now be the date by which my debt must currently be assessed plus the period of time my offer is pending plus one additional year if the IRS rejects, returns, or terminates my offer or I withdraw it. (Paragraph (j) of this section defines pending and withdrawal.) I understand that I have the right not to waive the statutory period of assessment or to limit the waiver to a certain length or certain periods or issues. I understand, however, that the IRS may not consider my offer if I refuse to waive the statutory period of assessment or if I provide only a limited waiver. I also understand that the statutory period for collecting my tax debt will be suspended during the time my offer is pending with the IRS, for 30 days after any rejection of my offer by the IRS, and during the time that any rejection of my offer is being considered by the Appeals Office.

I understand the IRS may file a Notice of Federal Tax Lien on my property.

q) The IRS may file a Notice of Federal Tax Lien during consideration of the offer or for offers that will be paid over time. If the offer is accepted, the tax lien will be released within 30 days of when the payment terms have been satisfied and the payment has been verified. The time it takes to transfer funds to the IRS from commercial institutions varies based on the form of payment. The IRS will not file a Notice of Federal Tax Lien on any individual shared responsibility debt.

Correction Agreement

r) I authorize the IRS, to correct any typographical or clerical errors or make minor modifications to my/our Form 656 that I signed in connection to this offer.

I authorize the IRS to contact relevant third parties in order to process my offer.

s) By authorizing the IRS to contact third parties, I understand that I will not be notified of which third parties the IRS contacts as part of the offer application process, including tax periods that have not been assessed, as stated in §7602 (c) of the Internal Revenue Code. In addition, I authorize the IRS to request a consumer report on me from a credit bureau.

I am submitting an offer as an individual for a joint liability.

t) I understand if the liability sought to be compromised is the joint and individual liability of myself and my co-obligor(s) and I am submitting this offer to compromise my individual liability only, then if this offer is accepted, it does not release or discharge my co-obligor(s) from liability. The United States still reserves all rights of collection against the co-obligor(s).

I understand the IRS Shared Responsibility Payment (SRP).

u) If your offer includes any shared responsibility payment (SRP) amount that you owe for not having minimum essential health coverage for you and, if applicable, your dependents per Internal Revenue Code Section 5000A - Individual shared responsibility payment, it is not subject to penalties (except applicable bad check penalty) or to lien and levy enforcement actions. However, interest will continue to accrue until you pay the total SRP balance due. We may apply your federal tax refunds to the SRP amount that you owe until it is paid in full.

I understand the IRS is required to make certain information public.

v) The IRS is required to make certain information, such as taxpayer name, city/state/zip, liability amount, and offer terms, available for public inspection and review for one year after the date of offer acceptance.
