Volunteer Standards of Conduct

VITA/TCE Program

The mission of the VITA/TCE return preparation program is to assist eligible taxpayers in satisfying their tax responsibilities by providing free tax return preparation. To establish the greatest degree of public trust, volunteers are required to maintain the highest standards of ethical conduct and provide quality service.

Annually all VITA/TCE volunteers (whether paid or unpaid) must pass the Volunteer Standards of Conduct (VSC) certification test and agree that they will adhere to the VSC by signing and dating Form 13615, Volunteer Standards of Conduct Agreement, prior to volunteering at a VITA/TCE site. In addition, return preparers, quality reviewers, coordinators, and tax law instructors must certify in Intake/Interview and Quality Review. Volunteers who answer tax law questions, instruct tax law classes, prepare or correct tax returns, or conduct quality reviews of completed returns must also certify in tax law prior to signing the form. Form 13615 is not valid until the sponsoring partner’s approving official (coordinator, instructor, administrator, etc.) or IRS contact confirms the volunteer’s identity, name, and address, using government-issued photo identification, and signs and dates the form. Volunteers’ names and addresses in Link & Learn taxes must match their government issued photo identification. Advise volunteers to update their My Account page in Link & Learn Taxes with their valid name and address.

As a volunteer in the VITA/TCE Program, you must adhere to the following Volunteer Standards of Conduct:

VSC 1 - Follow the Quality Site Requirements (QSR).

VSC 2 - Do not accept payment, ask for donations, or accept refund payments for federal or state tax return preparation from customers.

VSC 3 - Do not solicit business from taxpayers you assist or use the information you gained about them (their information) for any direct or indirect personal benefit for yourself or any other specific individual.

VSC 4 - Do not knowingly prepare false returns.

VSC 5 - Do not engage in criminal, infamous, dishonest, notoriously disgraceful conduct, or any other conduct considered to have a negative effect on the VITA/TCE program.

VSC 6 - Treat all taxpayers in a professional, courteous, and respectful manner.

Failure to comply with these standards could result in, but is not limited to, the following:

- Your removal from all VITA/TCE program;
- Inclusion in the IRS Volunteer Registry to bar future VITA/TCE activity indefinitely;
- Deactivation of your sponsoring partner’s site VITA/TCE EFIN (electronic filing ID number);
- Removal of all IRS products, supplies, loaned equipment, and taxpayer information from your site;
- Termination of your sponsoring organization’s partnership with the IRS;
- Termination of grant funds from the IRS to your sponsoring partner; and
- Referral of your conduct for potential TIGTA and criminal investigations.

Preface

Quality Return Process
An accurate return is the most important aspect of providing quality service to the taxpayer. It establishes credibility and integrity in the program. Throughout the training material you were introduced to the major components of the VITA/TCE return preparation process, including:

- Understanding and applying tax law
- Screening and interviewing taxpayers
- Using references, resources, and tools
- Conducting quality reviews

During training, you were given an opportunity to apply the tax law knowledge you gained. You learned how to verify and use the information provided by the taxpayer on the intake and interview sheet in order to prepare a complete and correct tax return.

You also learned how to use your reference materials and conduct a quality review.

Now it is time to test the knowledge and skills you have acquired and apply them to specific scenarios. This is the final step to help you prepare accurate tax returns within your scope of training.

We welcome your comments for improving these materials and the VITA/TCE programs. You may follow the evaluation procedures located on Link & Learn Taxes at www.irs.gov or e-mail your comments to partner@irs.gov.

Thank you for being a part of this valuable public service for your neighbors and community.
Test Instructions

Special Accommodations
If you require special accommodations to complete the test, please advise your instructor, Site Coordinator, or other VITA/TCE volunteer contact immediately.

Reference Materials
This test is based on the tax law that was in effect when the publication was printed. Use tax year 2022 values for deductions, exemptions, tax, or credits for all answers on the test. Remember to round to the nearest dollar. Test answers have been rounded up or down as directed in the specific instructions on the form.

- This is an open book test. You may use your course book and any other reference material you will use as a volunteer. A draft Form 13614-C, Intake/Interview & Quality Review Sheet, is included in the return preparation scenarios. Use this form when completing the tax returns and answering the test questions.

Please complete this test on your own. Taking the test in groups or with outside assistance is a disservice to the customers you volunteered to help.

Using Tax Preparation Software
The Practice Lab is a tax year 2022 tax preparation tool developed to help in the certification process for VITA/TCE volunteers. Select Practice Lab from the VITA/TCE Springboard. A universal password will be needed to access the Practice Lab. Your instructor, Site Coordinator, or other VITA/TCE volunteer contact will be able to provide you with the universal password. Once you access the Practice Lab, you will need to create an account if you do not already have one.

Using prior year software will not generate the correct answers for the 2022 test.

When entering Social Security numbers (SSNs) or Employer Identification Numbers (EINs), replace the Xs as directed, or with any four digits of your choice. Use your city, state, and ZIP code when completing any of the forms, unless otherwise indicated. Any question posed by the software not addressed in the interview notes can be answered as you choose.

All taxpayer names, SSNs, EINs, and account numbers provided in the scenarios are fictitious.

Taking the Test
When taking the tests, you may encounter both mini-scenarios and tax preparation scenarios. The mini-scenarios do not require you to prepare a tax return. For each of these, read the interview notes for each scenario carefully and use your training and resource materials to answer the questions after the scenarios. This test is based on the tax law that was in effect when the publication was finalized. The answers for the test and retest are based on 2022 values for deductions, exemptions, tax, and credits. The most current draft copies of forms were used at the time this document was published. The tax preparation scenarios require you to complete a sample tax return. You can use the Practice Lab to prepare the sample returns. Answer the questions following the scenario.

Beginning FS 2023, all volunteers must register and certify via Link & Learn Taxes. Go to the Link & Learn Taxes e-learning application at www.linklearncertification.com.

Volunteer Standards of Conduct Test

It is important that all individuals who volunteer their time and services in the VITA/TCE program understand their roles and responsibilities under the program. All volunteers must:

- Take the Volunteer Standards of Conduct (VSC) Training, at a minimum, the first year of volunteering with VITA/TCE program
- Annually, pass the VSC/Ethics certification test with a score of 80% or higher; and
- Sign and date Form 13615, Volunteer Standards of Conduct Agreement, indicating they have successfully completed the certification test(s) and agree to adhere to the VSC

The VSC Test is an annual requirement. This certification test is available on Link & Learn Taxes. Volunteers can use Form 6744, VITA/TCE Volunteer Assistor’s Test/Retest, as a tool to prepare for the certification test.

These Volunteer Standards of Conduct requirements are in addition to the tax law certification process (e.g., Basic, Advanced, Military, or International) for becoming a qualified volunteer to teach tax law, correct tax returns, conduct quality reviews, prepare tax returns, or address tax law related questions as a volunteer in the VITA/TCE program.

Use your training and reference tools to answer the questions. You must answer eight of the following ten questions correctly to pass the Volunteer Standards of Conduct Test.

Test Questions

Directions
Using your resource materials, answer the following questions:

1. Prior to working at a VITA/TCE site, ALL VITA/TCE volunteers (greeters, client facilitators, tax preparers, quality reviewers, etc.) must:
   
   a. Annually pass the Volunteer Standards of Conduct (VSC) certification test with a score of 80% or higher.
   b. Sign and date the Form 13615, Volunteer Standards of Conduct Agreement, agreeing to comply with the VSC by upholding the highest ethical standards.
   c. Pass the Advanced tax law certification.
   d. All of the above.
   e. Both a and b

2. Can a volunteer be removed and barred from the VITA/TCE program for violating the Volunteer Standards of Conduct?
   
   a. Yes
   b. No
3. If a taxpayer offers you a $20 bill because they were so happy about the quality service they received, what is the appropriate action to take?

a. Take the $20 and thank the taxpayer for the tip.
b. Tell the taxpayer it would be better to have the $20 deposited directly into your bank account from his refund.
c. Thank the taxpayer, and explain that you **cannot** accept any payment for your services.
d. Refer the taxpayer to the tip jar located at the quality review and print station.

4. Jake is an IRS tax law-certified volunteer preparer at a VITA/TCE site. When preparing a return for Jill, Jake learns that Jill does **not** have a bank account to receive a direct deposit of her refund. Jill is distraught when Jake tells her the paper refund check will take three to four weeks longer than the refund being direct deposited. Jill asks Jake if he can deposit her refund in his bank account and then turn the money over to her when he gets it. What should Jake do?

a. Jake can offer to use his account to receive the direct deposit, and turn the money over to Jill once the refund is deposited.
b. Jake should explain that a taxpayer’s federal or state refund **cannot** be deposited into a VITA/TCE volunteer’s bank account and she will have to open an account in her own name to have the refund direct deposited.
c. Jake can suggest she borrow a bank account number from a friend because the taxpayer’s name does **not** need to be on the bank account.

5. Max prepares a tax return for Ali at a VITA/TCE site. He finds out during the interview that Ali has no health insurance. After Ali leaves the site, Max writes her name and contact information down to take home to his wife who sells health insurance for profit. Which of the following statements is **true**?

a. There is no violation to the Volunteer Standards of Conduct (VSC) unless Max’s wife makes a big commission on the sale of health insurance to Ali.
b. Max has violated the VSC because he is using the information he gained about Ali to further his own or another’s personal benefit.
c. Max is doing Ali a favor by using her personal information to secure business for his wife.
d. Information a taxpayer provides at a VITA/TCE site can be used for the volunteer’s personal gain.
6. Bob, an IRS tax law-certified volunteer preparer, told the taxpayer that cash income does not need to be reported because the IRS does not know about it. Bob indicated NO cash income on Form 13614-C. Bob prepared a tax return excluding the cash income. Jim, the designated quality reviewer, was unaware of the conversation and therefore unaware of the cash income and the return was printed, signed, and e-filed. Who violated the Volunteer Standards of Conduct?

a. Bob, the tax law-certified volunteer who prepared the return.

b. Jim, the designated quality reviewer who was unaware of the cash income when he reviewed the return.

c. Betty, the coordinator.

d. No one has violated the Volunteer Standards of Conduct.

7. Sue, a VITA/TCE coordinator, was watching the local news when she saw Aaron, a new tax law-certified volunteer, in a story about several bank employees being arrested for suspicion of embezzlement. She saw Aaron being led out of the bank in handcuffs. Three days later, Sue is shocked when she sees Aaron show up at the site ready to volunteer, apparently out on bond. She pulls Aaron aside and explains that his arrest on suspicion of embezzlement could have a negative effect on the site and therefore she must ask him to leave the site. Sue removed his access to the software, she then uses the external referral process to report the details to SPEC headquarters by sending an email to WI.Voltax@irs.gov. Did Sue take appropriate actions as the coordinator?

a. Yes

b. No

8. Heidi, a VSC-certified volunteer, is working at the intake station. As part of her duties, she is required to explain to the taxpayer what they are expected to do today as part of the return preparation process. What should Heidi tell them?

a. Form 13614-C, Intake/Interview & Quality Review Sheet, must be completed prior to having the return prepared.

b. You will be interviewed by the return preparer and asked additional questions as needed.

c. You need to participate in a quality review of your tax return by someone other than the return preparer.

d. All of the above.

9. During the intake process, the volunteer should verify the taxpayer (and/or spouse, if applicable) has photo identification. Additionally, taxpayers must provide verification of taxpayer identification numbers (SSN or ITIN) for everyone listed on the tax return.

a. True

b. False
Mary, a VSC-certified greeter, reviews the taxpayer’s completed Form 13614-C, page 2, to identify what potential volunteer certification level is needed for this tax return. Mary sees the taxpayer has checked the “yes” box indicating they have self-employment income and the certification level next to the question is (A). All other questions answered “yes” have a (B) certification. When Mary assigns the return to a tax preparer, what tax law certification level does the tax preparer need?

a. Advanced  
b. Basic  
c. It doesn’t matter, any level is fine  
d. No tax law certification is necessary

Volunteer Standards of Conduct Agreement

Form 13615
(October 2022)

The mission of the VITA/TCE return preparation programs is to assist eligible taxpayers in satisfying their tax responsibilities by providing free tax return preparation. To establish the greatest degree of public trust, volunteers are required to maintain the highest standards of ethical conduct and provide quality service.

Use of Form 13615: This form provides information on a volunteer’s certification. All VITA/TCE volunteers (whether paid or unpaid) must pass the Volunteer Standards of Conduct certification, and sign and date Form 13615, Volunteer Standards of Conduct Agreement - VITA/TCE Programs, prior to working at a VITA/TCE site. In addition, return preparers, quality reviewers, coordinators, and VITA/TCE tax law instructors must certify in Intake/Interview & Quality Review and tax law prior to signing this form. This form is not valid until the coordinator, sponsoring partner, instructor, or IRS contact confirms the volunteer’s identity, name and address with a government-issued photo ID, and signs and dates this form.

Standards of Conduct: As a volunteer in the VITA/TCE programs, you must adhere to the following Volunteer Standards of Conduct:

VSC #1 - Follow the Quality Site Requirements (QSR).
VSC #2 - Do not accept payment, ask for donations, or accept refund payments for federal or state tax return preparation from customers.
VSC #3 - Do not solicit business from taxpayers you help or use the information you gained about them (their information) for any direct or indirect personal benefit for yourself or any other specific individual.
VSC #4 - Do not knowingly prepare false returns.
VSC #5 - Do not engage in criminal, infamous, dishonest, notoriously disgraceful conduct, or any other conduct considered to have a negative effect on the VITA/TCE programs.
VSC #6 - Treat all taxpayers in a professional, courteous, and respectful manner.

Failure to comply with these standards could result in, but is not limited to, the following:
- Removal from all VITA/TCE programs;
- Inclusion in the IRS Volunteer Registry to bar future VITA/TCE activity indefinitely;
- Deactivation of your sponsoring partner’s site VITA/TCE EFIN (electronic filing ID number);
- Removal of all IRS products, supplies, loaned equipment, and taxpayer information from your site;
- Termination of your sponsoring organization’s partnership with the IRS;
- Termination of grant funds from the IRS to your sponsoring partner; and
- Referral of your conduct for potential TIGTA and criminal investigations.

Taxpayer Impact: Taxpayer trust in the IRS and the local sponsoring partner organization is jeopardized when ethical standards are not followed. Fraudulent returns that report incorrect income, credits, or deductions can result in many years of interaction with the IRS as the taxpayer tries to pay the additional tax plus interest and penalties. This can result in an extreme burden for the taxpayer as the taxpayer tries to resolve the errors made on their return.

Volunteer Protection: The Volunteer Protection Act generally protects unpaid volunteers from liability for acts or omissions that occur while acting within the scope of their responsibilities at the time of the act or omission. It provides no protection for harm caused by willful or criminal misconduct, gross negligence, reckless misconduct, or a conscious, blatant disregard of the rights or safety of the individual harmed by the volunteer.

For additional information on the volunteer standards of conduct, please refer to Publication 4961, Volunteer Standards of Conduct - Ethics Training.

Privacy Act Notice – The Privacy Act of 1974 requires that when we ask for information we tell you our legal right to ask for the information, why we are asking for it, and how it will be used. We must also tell you what could happen if we do not receive it and whether your response is voluntary, required to obtain a benefit, or mandatory.

Our legal right to ask for information is 5 U.S.C. 301. We are asking for this information to assist us in contacting you in regards to your interest and/or participation in the IRS volunteer income tax preparation and outreach programs. The information you provide may be furnished to others who coordinate activities and staffing at volunteer return preparation sites or outreach activities. The information may also be used to establish effective controls, send correspondence and recognize volunteers. Your response is voluntary. However, if you do not provide the requested information, the IRS may not be able to use your assistance in these programs. Please note: Sponsoring organizations may perform background checks on their volunteers.

IRC 7216(a) - Imposes criminal penalties on tax return preparers who knowingly or recklessly make unauthorized disclosures or uses of information furnished in connection with the preparation of an income tax return. A violation of IRC 7216(a) is a misdemeanor, with a maximum penalty of up to one year imprisonment or a fine of not more than $1,000, or both, together with the cost of prosecution.

Luther did not contribute to his HSA in 2022.
- Luther's Form 1099-SA shows a distribution from his HSA of $500. They have receipts showing they paid $200 for new eyeglasses for Luther, $250 for over-the-counter allergy medicine for Luther, and $100 for Lexi's doctor visit copays.

They contributed $50 in cash to a local family in need. They also donated clothing in good condition with fair market value of $200 to Goodwill. They have a receipt for the donation.

Scenario 4: Gergana Alferov

Use the following information to prepare 2022 Form 1040-NR.

- Gergana Alferov is a resident of Bulgaria (visa number 38755219). She arrived in the United States in F-1 immigration status on September 1, 2021 as a full-time student. Gergana is 25 years old and single. Her address in Bulgaria is Vna 74117 Varna, Grand Mol Varna, 9021 Bulgaria.

- Gergana has not taken any affirmative steps to apply for permanent residence in the United States. Gergana did not file a Form 1040-NR in 2021 as she did not work that year. She started a new job with the university bookstore on January 20, 2022.

- If she is entitled to a refund, she wants a direct deposit to her checking account. The routing number is 789654321 and the account number is 011233456789. She will not be taxed by the Bulgarian government on the income she has earned in the United States. Assume Gergana has already completed her Form 8843, and prepare her federal income tax return with the following Form W-2. College Town University reports all student income on Form W-2. Miss Alferov failed to respond to the university in time for them to properly issue Form 1042-S for her treaty-exempt income. However, she is still entitled to take her treaty benefit on her tax return instead.

- After completing the required tax form, review the scenario and resource materials, and answer each of the test questions.

**FSA (Facilitated Self Assistance)** empowers taxpayers to prepare their own returns with the assistance of a certified volunteer. Taxpayers complete their own returns using interview-based software supplied by leaders in the tax preparation industry. Volunteers assist taxpayers with tax law questions.

**Virtual VITA/TCE** model includes any site where face-to-face activities are not used during the tax preparation process. That is, the intake specialist, IRS-tax law certified preparer (who prepares the return) and/or the quality reviewer are not face-to-face with the taxpayer. By incorporating this flexibility partners can provide taxpayers with more convenient locations to file their taxes.

For more information contact your SPEC Relationship Manager to see if you should start a FSA or Virtual VITA site in your community.
