General Instructions

Purpose of Form. Use this form to request a waiver of the requirement to file electronically for the current tax year. This form supports both the Filing Information Returns Electronically (FIRE) and Information Return Intake System (IRIS) systems. Request an electronic filing waiver for Forms: W-2, W-2AS, W-2G, W-2GU, W-2PR, W-2VI, 1042-S, 1097-BTC, 1098 Series except 1098-F, 1099 Series except 1099-QA, 3921, 3922, 5498 Series except 5498-QA, 8027, Affordable Care Act (ACA) Forms 1095-B, 1095-C, or an Authoritative Transmittal Form 1094-C (refer to Instructions for Form 1094-C and 1095-C). Complete a Form 8508 for each Taxpayer Identification Number (TIN). You may use one Form 8508 for multiple types of forms. After evaluating your request, an approval or denial letter will be issued.

If you request a waiver for Form 8027, Employer's Annual Information Return of Tip Income and Allocated Tips, include a copy of the approved waiver when filing paper Forms 8027. Do not send a copy of the approved waiver when filing any other paper information returns.

Note: When completing this form, type or print clearly in **BLACK ink**.

Religious beliefs. If using the technology required to file electronically conflicts with your religious beliefs, you are exempt from filing electronically and are not required to file Form 8508 or take any action in advance of filing information returns. You may also complete and file Form 8508 with a statement that using technology required to file electronically conflicts with your religious beliefs, instead of completing Blocks 6, 7, and 8. If you do, we will record your exemption in our records. If you file information returns in paper form and receive a notice or other IRS correspondence proposing a penalty for the failure to file the returns electronically, you may reply to the penalty notice, stating you are exempt from the electronic filing requirement due to your religious beliefs.

Specific Instructions

Block 1. Indicate the type of submission by checking the "Original" or "Reconsideration" box. An original submission is your first request for a waiver for the current year. A reconsideration indicates that you are submitting additional information you think may reverse a denial of an originally submitted request.

Note: You cannot request a waiver for a prior or future calendar year.

Block 2. Enter the name and complete address of the issuer (i.e., corporation, trust, individual, government entity, employer, or plan administrator).

Block 3. Enter the nine-digit taxpayer identification number (TIN) [employer identification number (EIN) or social security number (SSN)] of the issuer.

Block 4. Enter name, telephone number and email address of the person to contact if additional information is needed.

Block 5. Check the box(es) beside the form(s) for which the waiver is being requested.

Block 5a. For each type of information return checked, enter the total number of forms you expect to file on paper.

Block 5b. Provide an estimate of the total number of information returns you expect to file for the following tax year.

Block 6. Indicate whether this waiver is requested for corrections only. If you request a waiver for original documents and it is approved, you will automatically receive a waiver for corrections. However, if you can submit your original returns electronically, and are requesting to submit corrections on paper, a waiver must be requested for corrections only. If filing through IRIS, leave box 6 blank.

Block 7. If this is the first time you have requested a waiver for any of the forms listed in Block 5, for any tax year, check "YES" and skip to Block 9, *Signature*. Your first request will be automatically granted. However, if you have requested a waiver in the past, check "NO," and attach the justification for the waiver, discussed next.

Justification for the Waiver. Attach required cost estimates or a written statement (described later) justifying your application for a waiver of the requirement to electronically file your information returns. Examples include:

- Undue financial hardship in which the cost of filing the information returns, in accordance with this section, exceeds the cost of filing the returns on other media. Please provide two cost estimates comparing the filing of information returns, in accordance with this section, with the cost to file in paper form. Complete Block 8.
- Rural filers without access to internet and filers that lack digital literacy are expected to make a good faith effort to comply with the electronic filing requirement. Filers may submit a Form 8508 if obtaining the necessary assistance to file electronically would cause an undue financial hardship. Please provide two cost estimates comparing the filing of information returns, in accordance with this section, with the cost to file in paper form. Complete Block 8.

- Business suffered a catastrophic event in a federally declared disaster area that made the business unable to resume operations or made necessary records unavailable.
- Fire, casualty, or natural disaster affected the operation of the business.
- Death, serious illness, or unavoidable absence of the individual responsible for filing the information returns affected the operation of the business.
- Business was in its first year of establishment.
- Foreign entity who is unable to file electronically due to inability to obtain software, third party provider, or other issues outside of their control.

Block 8. If your application for a waiver is based on undue financial hardship, you must obtain current cost estimates from two service bureaus or other third parties. These cost estimates must reflect the total amount that each service bureau will charge for software, software upgrades, programming for your current system, or costs to prepare or obtain assistance to meet and comply with electronic filing requirements. Enter the current costs in Block 8 and attach the cost estimates to Form 8508. If you do not provide two written cost estimates from service bureaus or other third parties, we will automatically deny any request based on undue financial hardship. Cost estimates from prior years will not be accepted.

Block 9. The waiver request must be signed by the taxpayer, or a person duly authorized to sign a return or who can execute agreements that are contractual and legally enforceable against the taxpayer. A transmitter cannot sign Form 8508 for the issuer unless a power of attorney has been established. If you have a power of attorney, attach a copy to this form.
